Violette Leduc 1994 this study which reads leduc s narratives from a feminist and psychoanalytic perspective has a double focus part one scrutinizes the intricacies of her treatment of feminine bonding seeking to bring new insights inspired inter alia by theorists such as melanie klein freud and luce irigaray to bear on her representations of mother daughter and lesbian relations part two examines leduc s use of language in therese et isabelle probing the extent to which this novella contains examples of feminist and or feminine discourse by exploring leduc s lyrical evocation of feminine homosexuality from both a gender related and a more traditional formalist standpoint the writer exposes the limitations of a purely feminist approach to her work

Violette Leduc 1994 filha bastarda criada por uma mãe solteira e terrivelmente rígida violette leduc é ela mesma a protagonista desta que é considerada a sua obra prima aqui está uma mulher diante de si que retoma sua história do nascimento aos trinta anos narrando com estilo incisivo e uma franqueza desconcertante os eventos de uma infância frágil os embates com a aparência física nunca aceita o desejo sexual por homens e

Violette Leduc 1985 après avoir terminé la folie en tête violette leduc a poursuivi son autobiographie elle l a arrêtée en 1964 à la veille de la publication de la bâtarde elle a soigneusement mis au net sur de grandes feuilles quadrillées ses brouillons couverts de ratures et elle s apprétait à revoir avec moi son manuscrit quand la mort l a saisie elle avait l intention de donner une suite à ce livre et ses lecteurs auraient aimé savoir comment elle avait accueilli le succès la célébrité elle en a parlé très bien dans quelques interviews mais brièvement et nous restons sur notre faim ces pages sont les dernières qu elle ait écrites

A bastarda 2022-07-20 comment l autobiographie est elle possible il suffit de prendre sa plume et de commencer le récit de sa vie en espérant trouver le temps pour l achever mais le temps qui apparaît d abord comme limite extérieure devient bientôt contrainte car si l écriture prend du temps elle le donne aussi voici l autobiographie commencée à ne plus jamais en finir dans l attente du dernier mot l auteur s érige un tombeau à l épipaphe toute prête je suis née à la pointe d une plume écrit violette leduc au début de la bâtarde Écrire engendre l auteur mais à titre de personnage le temps dès lors apparaît aussi comme cet écart qui divise le sujet dans l écriture et le transforme en objet mort déjà avant l heure sauf à le ressaisir dans ses seules traces graphiques la double démarche engagée dans ce livre reflète la duplicité de l autobiographie genre constitué à la fois d un corpus de textes ici ceux de violette leduc et d un discours qui met en question leur possibilité comme récits mais du même geste fonde l autobiographie comme écriture

Mad in Pursuit 1999 the useless mouths and other literary writings brings to english language readers literary writings several previously unknown by simone de beauvoir culled from sources including various american university collections the works span decades of beauvoir s career ranging from dramatic works and literary theory to radio broadcasts they collectively reveal fresh insights into beauvoir s writing process personal life and the honing of her philosophy the volume begins with a new translation of the 1945 play the useless mouths written in paris during the nazi occupation other pieces were discovered after beauvoir s death in 1986 such as the 1965 short novel misunderstanding in moscow involving an elderly french couple who confront their fears of aging two additional previously unknown texts include the fragmentary notes for a novel which contains the seed of what she later would call the problem of the other and a lecture on postwar french theater titled existentialist theater the collection notably includes the eagerly awaited translation of beauvoir s contribution to a 1965 debate among jean paul sartre and other french writers and intellectuals what can literature do prefaces to well known works such as bluebeard and other fairy tales la bâtarde and james joyce in paris his final years are also available in english for the first time alongside essays and other short articles a landmark contribution to beauvoir studies and french literary studies the volume includes informative and engaging introductory essays by prominent and rising scholars contributors are meryl altman elizabeth fallaize alison s fell sarah gendron dennis a gilbert laura hengehold eleanore holbeck terry keefe j debbie mann frederick m morrison catherine naji justine sarrot liz stanley ursula tidd and veronique zaytzeff

La bâtarde 1999 translation is tricky business the translator has to transform the foreign to the familiar while moving and pleasing his or her audience louise ladouceur knows theatre from a multi dimensional perspective that gives her research a particular authority as she moves between two of the dominant cultures of canada french and english through the analysis of six plays from each linguistic repertoire written and translated between 1961 and 2000 her award winning book compares the complexities of a translation process shaped by the power struggle between canada s two official languages the winner of the prix gabrielle roy and the ann

La chasse à l'amour 2000 why was violette leduc's 1954 novel *thr se et isabelle* not published in its entirety until november 2000 under threat of scandal and obscenity charges french publisher gallimard withheld the novel but leduc continued to write of her life as a woman writer in wartime paris frankly depicting her own and imagined lesbian experiences mentored by simone de beauvoir and a contemporary of french twentieth century luminaries sartre camus genet and cocteau leduc is however known best as france's great unknown writer in the pleasures of the text elizabeth locey restores leduc to her rightful place in the canon bringing to light her singular and important contributions to contemporary literary theory locey reads leduc's works from the perspective of reader seduction which erodes the divide between body and text situating leduc within a continuum with emma bovary and roland barthes at its extremes locey investigates leduc's use of the erotic touch look and voice to seduce her readers more than an accessible introduction to an overlooked writer the pleasures of the text confronts and challenges the philosophical debate between pornography and erotica and pins down some of the often slippery ways pleasure is mapped onto the body of the reader

La bâtarde 1964 this wide ranging study looks at how the ageing process has alternately been figured in and excluded from twentieth century french literature philosophy and psychoanalysis it espouses a critical interdisciplinarity and calls into question the assumptions underlying much research into ageing in the social sciences work in which the negative aspects of growing older are almost invariably suppressed it offers a major reappraisal of simone de beauvoir's great but neglected late treatise *la vieillesse* and presents the first substantial discussion of a lost documentary film about old age in which beauvoir appears and which she helped to write *promenade au pays de la vieillesse* questioning beauvoir's own rather reductive reading of gide's work on old age this study analyses the way in which his journal and *ainsi soit il* experiment with a range of representational models for the senescent subject the encounter between psychoanalysis and ageing is framed by a reading of violette leduc's autobiographical trilogy in which she suggests that psychoanalysis to its detriment simply cannot allow ageing to signify this claim is tested in a critical survey of recent theoretical and clinical work by psychoanalysts interested in ageing in france the uk and the us lastly hervé guibert's recently republished photo novel about his elderly great aunts suzanne et louise is examined as a work of intergenerational empathy and is found in addition to be an important statement of his photographic aesthetic navigating between the extremes of fury age rage and serene acceptance going gently this study aims throughout to examine the role which ageing plays in formal as well as thematic terms in writing the life of the subject

La Batarde. An autobiography 1965 violette leduc 1907 1972 a inventé une écriture de soi puissante et tragique cette étude critique de son oeuvre démontre en premier lieu comment la théâtralité d'une écriture autobiographique est issue du dédoublement spectaculaire entre l'individu et le sujet de l'énonciation l'ouvrage approfondit la notion de théâtralité non tant au sens rimbaudien du je est un autre que dans une perspective qui allie sémiologie du texte et sémiologie de la représentation dramatique on y étudie la façon dont l'espace et le temps textuels dessinent des jeux de scène avec au centre la figure de l'écrivain en train d'écrire chez leduc la théâtralité prend appui sur un usage caractéristique des discours perçus comme voix le pari de l'autobiographe se mue de fait en tentation de représenter l'inénarrable la démence ou encore la possession amoureuse mais c'est bien au lecteur figure tutélaire que revient le plaisir d'effectuer la dernière représentation celle qui unit l'auteur et le spectateur dans le plaisir de mettre en scène le je

Violette Leduc, la mal-aimée 1999 voici thérèse et isabelle tel que violette leduc l'avait écrit à l'origine avec ses pages inédites après et précieuses sa langue nue et violente qui témoignent d'une liberté de ton qu'aucune femme écrivain en france n'avait osé prendre avant elle thérèse et isabelle constituait la première partie d'un roman ravages présenté aux éditions gallimard en 1954 jugée scandaleuse elle fut censurée par l'éditeur c'est au printemps 1948 que violette leduc encouragée par simone de beauvoir entreprit la rédaction de ce texte auquel elle va consacrer trois années le défi était de taille j'essaie de rendre le plus exactement possible le plus minutieusement possible les sensations éprouvées dans l'amour physique il y a là sans doute quelque chose que toute femme peut comprendre je ne cherche pas le scandale mais seulement à décrire avec précision ce qu'une femme éprouve alors j'espère que cela ne semblera pas plus scandaleux que les réflexions de madame bloom à la fin de l'*ulysses* de joyce toute analyse psychologique sincère mérite je pense d'être entendue au début des années soixante violette leduc greffe une partie de thérèse et isabelle dans le troisième chapitre de la bâtarde elle supprime des passages resserre des pages atténue des métaphores modifie le déroulement de quelques dialogues thérèse est métamorphosée en violette l'autre partie est publiée séparément en juillet 1966

aujourd hui enfin paraît théâtre et isabelle comme une œuvre en soi dans sa cohérence initiale et sa continuité *La Bâtard* 1967 era l'autunno del 1964 quando il successo spettacolare del romanzo autobiografico la bâtarde irrompe sulla scena letteraria capovolgendo il destino di un'autrice che aveva fatto della sua vita oscura e tumultuosa la materia privilegiata ossessiva di quasi tutta la sua opera e di quest'opera la ragione della sua vita violette leduc aveva scritto un libro incendiario d'un intrepida sincerità allora impensabile per una donna in una lingua vigorosa e sincopata visionaria e meravigliosamente barocca la bâtarde non è una cronaca memoriale un romanzo di formazione una ricerca del tempo perduto È la trasposizione romanzesca di una vita non è un regolamento di conti ma una spietata requisitoria contro di sé e al tempo stesso una redenzione da cui l'integrazione sincerità di cui le fa merito simone de beauvoir e come preciserà violette leduc stessa a un giornalista ho cercato di essere franca perché non c'è nessuna ragione che sia riservato agli uomini di parlare delle questioni intime d'altronde quando scrivo posso raccontare tutto niente mi imbarazza È perché non penso al lettore sono sola con me stessa dico tutto ma mi sforzo di metterci del gusto del tatto lo faccio per me lo scalpore sollevato in francia dalla bâtarde la prefazione di simone de beauvoir servì da trampolino ebbe risonanza mondiale e lo scandalo che il libro suscitò restò negli annali benché tutti i libri di violette leduc siano di pregevole fattura la bâtarde resta l'opera più indicata per accedere al mondo di un'autrice troppo in anticipo sui tempi dalla postfazione di carlo jansiti io sono un deserto che monologa mi ha scritto una volta violette leduc io nei deserti ho trovato innumerevoli bellezze e chiunque parli a noi dal profondo della propria solitudine ci parla di noi simone de beauvoir violette leduc non fa quel che si fa ma quel che si farà È il segreto e il martirio dei veri artisti jean cocteau

La bâtarde 1966 This is the tale of two boarding school girls in love in 1966 when it was originally published in France the text was censored because of its explicit depiction of young homosexuality with this publication the original unexpurgated text a stunning literary portrayal of female desire and sexuality is available to a US audience for the first time included is an afterword by Michael Lucey professor of French and comparative literature at the University of California Berkeley

Violette Leduc 1992 This timely and provocative collection of sixteen essays combines feminist and psychoanalytic approaches to literary theory and to the reading of literary texts it demonstrates not only the ways in which psychoanalytic theory can illuminate traditional literary texts but also the ways in which feminist theory can modify and enlarge and in some instances transform the body of psychoanalytic literature treating psychoanalysis as a form of narrative as well as a method of interpretation the editors have divided their collection into three sections 1 interpretations of the relation between contemporary feminism and Freud 2 rereadings of classic patriarchal texts in the light of psychoanalytic feminism and 3 readings of texts by women writers that have subverted patriarchal structures and given authoritative new voice to the maternal figure many of the essays make original contributions to the current debate about the conjunction of Freud and feminism others offer innovative readings of specific texts that illustrate the significance of that relation the introduction provides an up-to-date survey of feminist psychoanalytic theory and enumerates the central issues because of the diversity of critical perspectives it offers and the range of texts it considers this rich and important book will attract a broad spectrum of readers
