*The Notebooks of Malte Laurids Brigge* 2008-10 first published in paris in 1910 rilke s the notebooks of malte laurids brigge is one of the first great modernist novels partly a ghost story partly an autobiography and partly the diary of a young poet teaching himself how to see the world this new translation by burton pike captures not only the beauty but also the strangeness and spirit of the original book jacket

*The Notebooks of Malte Laurids Brigge* 2011-04-06 this is the definitive widely acclaimed translation of the major prose work of one of our century s greatest poets a masterpiece like no other elizabeth hardwick rilke s only novel extraordinary for its structural uniqueness and purity of language first published in 1910 it has proven to be one of the most influential and enduring works of fiction of our century malte laurids brigge is a young danish nobleman and poet living in paris obsessed with death and with the reality that lurks behind appearances brigge muses on his family and their history and on the teeming alien life of the city many of the themes and images that occur in rilke s poetry can also be found in the novel prefiguring the modernist movement in its self awareness and imagistic immediacy

**Notebooks of Malte Laurids Brigge: A Novel** 2022-11-29 a stunning revelatory new translation of the only novel by one of the greatest poets of the twentieth century from one of the most trustworthy and exhilarating of rilke s contemporary translators michael dirda washington post a groundbreaking masterpiece of early european modernism originally published in 1910 the notebooks of malte laurids brigge unspools the vivid reflections of the titular young danish nobleman and poet from his paris garret brigge records his encounters with the city and its outcasts muses on his family history and lays bare his earliest experiences of fear tenderness and desolation with a poet s feel for language and a keen instinct for storytelling rainer maria rilke forges a dazzlingly fractured coming of age narrative kaleidoscopic in its alternation of vivid present encounters and equally alive memories of childhood strikingly contemporary the notebooks of malte laurids brigge reveals a writer metabolizing his own experiences to yield still essential questions about fiction and reality empathy and psychosis and above all life love and death in a fascinating introduction award winning translator edward snow explores the overlaps between rilke s experiences and those of his protagonist and shows with granular attention the novel s capacity for nuance and sympathy snow s exquisite translation captures as never before the astonishing cadences and musical clarity of the poet s prose it reveals the notebooks of malte laurids brigge as an urgent contemporary achievement more than one hundred years after it was written

*The Notebook of Malte Laurids Brigge* 1969 the notebooks of malte laurids brigge was rainer maria rilke s only novel and is said to have greatly influenced such other writers as jean paul sartre it was written whilst rilke lived in paris and was published in 1910 the novel is semi autobiographical and is written in an expressionistic style the work was inspired by sigbjørn obstfelder s work a priest s diary and jens peter jacobson s second novel niels lyhne of 1880 which traces the fate of an atheist in a merciless world the book was first issued in english under the title journal of my other self

*For the Sake of a Single Verse ... from The Notebooks of Malte Laurids Brigge by Rainer Maria Rilke*

2021-09-10 the notebooks of malte laurids brigge was rainer maria rilke s only novel and is said to have greatly influenced such other writers as jean paul sartre it was written whilst rilke lived in paris and was published in 1910 the novel is semi autobiographical and is written in an expressionistic style

The Notebook of Malte Laurids Brigge 1968 the notebooks of malte laurids brigge was rainer maria rilke s only novel and is said to have greatly influenced such other writers as jean paul sartre it was written whilst rilke lived in paris and was published in 1910 the novel is semi autobiographical and is written in an expressionistic style

*For the Sake of a Single Verse ...* 2001-12 el colorido y la plasticidad de las descripciones la reproducción prolija y cuidadosa del trasfondo de la época y la asombrosa legibilidad son tres de los rasgos que distinguen este libro de un narrador tan sabio como sereno marcel reich ranicki en 1902 rainer maria rilke llegaba a parís para conocer a auguste rodin de quien acabaría siendo secretario durante un año el disgusto y el sentimiento de desubicación que le produjo la ciudad le inspiraron un proyecto de novela en primera persona que acabaría construyéndose alrededor de una identidad en peligro un joven descendiente de un aristocrático linaje danés pero pobre atemorizado sin familia ni amigos que deambula por un parís ruidoso y masificado lleno de enfermos y mendigos que parece que le acosan y le ofrecen una visión de la miseria de la que se huye pero que finalmente hay que mirar de frente este personaje sería al fin el sujeto de un libro con un sentido de la composición inédito en su día pero que hoy más de un siglo después relacionaríamos con los llamados géneros fronterizos problematizando su condición de novela por su distanciamiento con el yo íntegro y satisfecho de la tradición decimonónica recreando la falta de unidad de un cuaderno de notas como si se encontraran en un cajón una serie de papeles desordenados y de momento hubiera que conformarse con lo encontrado mezclando recuerdos de infancia con evocaciones literarias e históricas reyes locos mujeres amantes y no amadas hermanos en discordia santos los apuntes de malte laurids brigge 1910 ha llegado a considerarse según el poeta hans egon holthusen una de las obras más rupturistas de la literatura moderna esta nueva traducción de juan de sola recupera el poder y el misterio del lenguaje indagador de rilke y transmite su sentido en la actualidad

**Malte Laurids Brigge** 2019-10-27 as we are approaching our fin de siecle issues of time and memory haunt contemporary culture museums and memorials are being constructed rapidly as if there were no tomorrow contemporary art and literature focuses on memory and the past rather than claiming radical breakthroughs into some unknown future with the recent resurgence of nationalism and issues of national identity the political future too seems to fold itself back into the past rather than offering a bold vision of the 21st century the great paradox of our fin de siecle culture is that novelty is even more associated with memory and the past rather than future expectation but if the obsession with memory is one salient symptom in this age of a modernity grown old then cultural and political amnesia is undoubtedly its counterpoint rather than blaming amnesia on television or the school twilight memories argues that the danger of amnesia is inherent in the information revolution our obsessions with cultural memory can be read as re representing a powerful reaction against the electronic archive and they mark a shift in the way we live structures of temporality in this book the media are the hidden veil through which the author looks at the problem of culture and memory and

emerging new sensibility of temporality in literature art politics media theory and the museum  
*The Notebooks of Malte Laurids Brigge* 2019-05-07 c est ridicule me voilà dans ma petite chambre moi brigge âgé de vingt huit ans que personne ne connaît je suis assis ici et je ne suis rien et pourtant ce rien se met à réfléchir il réfléchit dans son cinquième étage par un maussade après midi parisien et voici ce qu'il pense est il possible pense t il qu'on ait encore rien vu rien su rien dit qui soit réel et important est il possible qu'on ait eu des millénaires pour regarder pour réfléchir pour enregistrer et qu'on ait laissé passer ces millénaires comme une récréation dans une école pendant laquelle on mange sa tartine et une pomme oui c est possible

**Die Aufzeichnungen des Malte Laurids Brigge** 2016-02-02 the two volume work modernism has been awarded the prestigious 2008 msa book prize modernism has constituted one of the most prominent fields of literary studies for decades while it was perhaps temporarily overshadowed by postmodernism recent years have seen a resurgence of interest in modernism on both sides of the atlantic these volumes respond to a need for a collective and multifarious view of literary modernism in various genres locations and languages asking and responding to a wealth of theoretical aesthetic and historical questions 65 scholars from several countries test the usefulness of the concept of modernism as they probe a variety of contexts from individual texts to national literatures from specific critical issues to broad cross cultural concerns while the chief emphasis of these volumes is on literary modernism literature is seen as entering into diverse cultural and social contexts these range from inter art conjunctions to philosophical environmental urban and political domains including issues of race and space gender and fashion popular culture and trauma science and exile all of which have an urgent bearing on the poetics of modernity

*Die Aufzeichnungen des Malte Laurids Brigge* 1995 of the many innovative approaches to emerge during the twenty first century one of the most productive has been the interdisciplinary nexus of theories and methodologies broadly defined as the study of emotions while this conceptual toolkit has generated significant insights it has overwhelmingly focused on emotions as linguistic and semantic phenomena this edited volume looks instead to the material aspects of emotion in german culture encompassing the body literature photography aesthetics and a variety of other themes

**Los apuntes de Malte Laurids Brigge** 1991 rainer maria rilke 1875 1926 c est donc ici que les gens viennent pour vivre je serais plutôt tenté de croire que l'on meurt ici je suis sorti j'ai vu des hôpitaux j'ai vu un homme qui chancelait et s'affaissa les gens s'assemblèrent autour de lui et m'épargnèrent ainsi la vue du reste j'ai vu une femme enceinte elle se traînait lourdement le long d'un mur haut et chaud et étendait de temps à autre les mains en tâtonnant comme pour se convaincre qu'il était encore là oui il y était encore et derrière lui je cherchai sur mon plan maison d'accouchement bien le jeune poète désargenté malte laurids brigge descendant d'une famille aristocratique danoise repense à son enfance au bord de la baltique à travers ses cahiers très fragmentaires où se mêlent ses angoisses sa perception de la vie et de la mort malte est en quête mais en quête de quoi

**Twilight Memories** 2007 spanning western europe from 1875 to 1917 and presenting a gothic historical paris that subverts our old assumptions regarding the city of light m allen cunningham's new novel brings a brooding atmosphere and human complexity to an intimate and imaginative portrait of one of the most uniquely sensitive artists of his time a poet whose odd childhood and difficult early life will both fascinate and perhaps help explain his determination to stay true to his artistic vision at almost any cost here is rainer maria rilke in the grip of his greatest artistic struggle life itself rilke's gripping emotional drama as child lover husband father protégé misfit soldier and wanderer is framed by a haunted young figure a researcher who a century later feels compelled to trace rilke's itinerant footsteps and those of rilke's fictional alter ego the bewitched poet malte laurids brigge the result is an exploration of the forever imperfect loyalties we face in work and life the seemingly immeasurable distances that can separate life and art and the generational tensions between masters and admirers

Les carnets de Malte Laurids Brigge 2020-01-10 readers once believed in proust's madeleine and in wordsworth's recollections of his boyhood but that was before literary culture began to defer to freud's questioning of adult memories of childhood in this first sustained look at malte laurids brigge's

depicted in literature lorna martens reveals how much we may have lost by turning our attention the other way her work opens a new perspective on early recollection how it works why it is valuable and how shifts in our understanding are reflected in both scientific and literary writings science plays an important role in the promise of memory which is squarely situated at the intersection of literature and psychology psychologists have made important discoveries about when childhood memories most often form and what form they most often take these findings resonate throughout the literary works of the three writers who are the focus of martens book proust and rilke writing in the modernist period before freudian theory penetrated literary culture offer original answers to questions such as why do writers consider it important to remember childhood what kinds of things do they remember what do their memories tell us in walter benjamin martens finds a writer willing to grapple with freud and one whose writings on childhood capture that struggle for all three authors places and things figure prominently in the workings of memory connections between memory and materiality suggest new ways of understanding not just childhood recollection but also the artistic inclination which draws on a childlike way of seeing object focused imaginative and emotionally intense

**Modernism** 2017-10-30 the encyclopedia of the novel is the first reference book that focuses on the development of the novel throughout the world entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre a wide range of topic entries explore the history criticism theory production dissemination and reception of the novel a very important component of the encyclopedia of the novel is its long surveys of development of the novel in various regions of the world

Feelings Materialized 2008-04-01 ao deixar para trás uma infância idílica passada no castelo de seus ancestrais o jovem dinamarquês malte laurids brigge se vê sozinho em paris uma cidade a um só tempo deslumbrante e inóspita seus cadernos contêm as anotações dos seus sofrimentos onde ressoam as memórias e angústias de rainer maria rilke um dos gênios da literatura alemã publicado em 1910 os cadernos de malte laurids brigge é um romance autobiográfico escrito no período em que rilke viveu em paris com ecos de os sofrimentos do jovem werther obra prima de goethe sobre os tormentos da juventude os cadernos aborda vários temas que são recorrentes em romances de formação como a busca pela própria individualidade a tentativa de compreender o significado da morte o questionamento dos dogmas da religião influenciado pelo pensamento de friedrich nietzsche o livro de rilke por sua vez influenciou obras tão decisivas quanto a náusea de jean paul sartre

Les cahiers de Malte Laurids Brigge 2008 this volume is the first english translation of these poems in the arrangement rilke had set down in 1926 the arrangement translated here has only appeared in german as aus taschen büchern und merk blättern

**Lost Son** 1968 extra ordinary interiors features research articles and visual essays by academics research students and practitioners that demonstrate contemporary modes of criticality and reflection on specific interior environments in ways that expand upon that which is ordinary of the everyday common banal or taken for granted

The Facts on File Companion to the World Novel 2011-10-10 an argument for ordinary language philosophy s ability to transform the prevailing understanding of language theory and reading in literary studies today this radically original book argues for the power of ordinary language philosophy a tradition inaugurated by ludwig wittgenstein and j l austin and extended by stanley cavell to transform literary studies in engaging and lucid prose toril moi demonstrates this philosophy s unique ability to lay bare the connections between words and the world dispel the notion of literature as a monolithic concept and teach readers how to learn from a literary text moi first introduces wittgenstein s vision of language and theory which refuses to reduce language to a matter of naming or representation considers theory s desire for generality doomed to failure and brings out the philosophical power of the particular case contrasting ordinary language philosophy with dominant strands of saussurean and post saussurean thought she highlights the former s originality and

power and potential for creative use finally she challenges the belief that good critics always read below the surface proposing instead an innovative view of texts as expression and action and of reading as an act of acknowledgment intervening in cutting edge debates while bringing wittgenstein austin and cavell to new readers revolution of the ordinary will appeal beyond literary studies to anyone looking for a philosophically serious account of why words matter praise for revolution of the ordinary a milestone in literary studies in lucid and invigorating prose moi shows how a certain picture of literary theory has held us captive and offers a brilliant and devastating analysis of its weaknesses drawing on the tradition of ordinary language philosophy she offers a new vision of how we might think and read this groundbreaking book will shape conversations among literary scholars for years to come rita felski author of the limits of critique revolution of the ordinary takes on the formidable challenge of making wittgenstein understandable and brilliantly shows his work s relevance for critics educated in post structuralist lacanian deconstructive new historicist culturalist postcolonial queer feminist and critical race theories the growing interest in wittgenstein among both literary critics and contemporary writers and poets absolutely demands this book r m berry florida state university this is an agenda setting work by a preeminent literary theorist it is also tremendously fun to read revolution of the ordinary is the kind of book that tells literary scholars and philosophers how to repair their relationship and how to do so without losing what is distinctive about each discipline john gibson university of louisville

**Los cuadernos de Malte Laurids Brigge** 2014-04-08 in this study of a series of artist novels individuality is elucidated by childhood experiences sensuality and receptivity the urge for self expression relation to nature and creative work individuality is essentially the recognition of one s self as a unique part of a whole which is apt to be discovered in kinship with nature and expressed in aesthetics that stem from an appreciation of nature the featured novels are willa cather s the song of the lark m allen cunningham s lost son james joyce s a portrait of the artist as a young man w somerset maugham s the moon and sixpence dodie smith s i capture the castle john updike s seek my face and virginia woolf s to the lighthouse

**The Promise of Memory** 1945 feeling pleasures argues that the sense of touch assumed a new and unique importance in the sixteenth and seventeenth centuries and that the work of major poets of the period including edmund spenser william shakespeare and john milton should be read alongside these developing ideas

*Encyclopedia of the Novel* 2009-08-24 focusing primarily on the period from the eighteenth century to the present this interdisciplinary volume takes a fresh look at the institutions and practices of autobiography and self portraiture in europe the united states and other cultures

**Les cahiers de Malte Laurids Brigge** 2018 in lyric orientations hannah vandegrift eldridge explores the power of lyric poetry to stir the social and emotional lives of human beings in the face of the ineffable nature of our mortality she focuses on two german speaking masters of lyric prose and poetry friedrich hölderlin 1770 1843 and rainer maria rilke 1875 1926 while hölderlin and rilke are stylistically very different each believes in the power of poetic language to orient us as social beings in contexts that otherwise can be alienating they likewise share the conviction that such alienation cannot be overcome once and for all in any universal event both argue that to deny the uncertainty created by the absence of any such event or to deny the alienation itself is likewise to deny the particularly human condition of uncertainty and mortality by drawing on the work of stanley cavell who explores how language in all its formal aspects actually enables us to engage meaningfully with the world eldridge challenges poststructuralist scholarship which stresses the limitations even the failure of language in the face of reality eldridge provides detailed readings of hölderlin and rilke and positions them in a broader narrative of modernity that helps make sense of their difficult and occasionally contradictory self characterizations her account of the orienting and engaging capabilities of language reconciles the extraordinarily ambitious claims that hölderlin and rilke make for poetry that it can create political communities that it can change how humans relate to death and that it can unite the sensual and intellectual components of human subjectivity and the often difficult fragmented or hermetic nature of their individual poems
