South African Journal on Human Rights

1998

grounded in basic political science research yet readily accessible to undergraduates promise and performance uses the title's theme as an organizing framework for studying American politics the promise of democracy is analyzed using four core values popular sovereignty political freedom political equality and majority rule minority rights and is further explored in several new features including living the promise and promise and policy boxes the performance part of the theme is then integrated with an assessment at the end of every chapter along with a concluding policy chapter solid scholarship and writing makes this an ideal text not just for reading and learning but also as an example of how political science is researched and written by the practitioners in academia

Fundamental Rights in Sri Lanka

1993

this brief but inclusive narrative textbook focuses on the comparison of the theoretical promise of democracy with its actual performance readily accessible to undergraduates the text is anchored in and motivated by political science scholarship this new edition has been completely revised and updated and incorporates the results of the 2000 presidential and congressional elections with thorough coverage of the successes and failures of the workings of democracy in today's United States promise and performance of American democracy provides students with tools they can use to understand politics evaluate the functioning of democracy and make educated voting decisions
