Monthly Catalogue, United States Public Documents 1982 february issue includes appendix entitled directory of united states government periodicals and subscription publications september issue includes list of depository libraries june and december issues include semiannual index

Monthly Catalog of United States Government Publications 1979

2011-01-06
2012-04 wiley interscience paperback series the wiley interscience paperback series consists of selected books that have been made more accessible to consumers in an effort to increase global appeal and general circulation with these new unabridged softcover volumes wiley hopes to extend the lives of these works by making them available to future generations of statisticians mathematicians and scientists from the reviews of a user s guide to principal components the book is aptly and correctly named a user s guide it is the kind of book that a user at any level novice or skilled practitioner would want to have at hand for autotutorial for refresher or as a general purpose guide through the maze of modern pca technometrics i recommend a user s guide to principal components to anyone who is running multivariate analyses or who contemplates performing such analyses those who write their own software will find the book helpful in designing better programs those who use off the shelf software will find it invaluable in interpreting the results mathematical geology
