discover man booker winner anne enright s first collection of short stories elegant scrupulously poised always intelligent and not least original angela carter the characters in anne enright s fierce and witty first collection of stories stand at an oblique angle to society full of desire but out of kilter their response to a dislocated reality is mutinous wild unforgettable quirky subversive original wit and an imaginative linguistic fluency irish times

## ***Literature: An Introduction to Fiction, Poetry, Drama, and Writing, Portable Edition Plus Revel -- Access Card Package 2015-06-29***

portable prose the novel and the everyday examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space this collection interrogates the relationships between these differing aspects of the novel's existence negotiating the boundaries between the material world subjective experience and strategies of representation this collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices while mimetic qualities of prose remain an integral consideration for literary interpretation this collection argues for more diverse frameworks ones that see aesthetic components of the novel in close connection with reading practices shared structures of feeling and the corporeal in this capacity this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re make it new

## **Reading Life Through Literature-Portable Text 2007-01**

a history of one of humankind's most resilient and influential technologies over the past millennium the book revelatory and entertaining in equal measure portable magic will charm and challenge literature lovers of all kinds as it illuminates the transformative power and eternal appeal of the written word stephen king once said that books are a uniquely portable magic here emma smith takes readers on a literary adventure that spans centuries and circles the globe to uncover the reasons behind our obsession with this captivating object from disrupting the western myth that the gutenber press was the original printing project to the decorative gift books that radicalized women to join the anti slavery movement to paperbacks being weaponized during world war ii to a book made entirely of plastic wrapped slices of american cheese portable magic explores how when and why books became so iconic it's not just the content within a book that compels it's the physical material itself what smith calls bookhood the smell the feel of the pages the margins to scribble in the illustrations on the jacket its solid heft every book is designed to influence our reading experience to enchant enrage delight and disturb us and our longstanding love affair with books in turn has had direct momentous consequences across time

## The Portable Mark Twain 2004-11-30

what fueled the victorian passion for hair jewelry and memorial rings when would an everyday object metamorphose from commodity to precious relic in portable property john plotz examines the new role played by portable objects in persuading victorian britons that they could travel abroad with religious sentiments family ties and national identity intact in an empire defined as much by the circulation of capital as by force of arms the challenge of preserving englishness while living overseas became a central victorian preoccupation creating a pressing need for objects that could readily travel abroad as personifications of britishness at the same time a radically new relationship between cash value and sentimental associations arose in certain resonant mementoes in teacups rings sprigs of heather and handkerchiefs but most of all in books portable property examines how culture bearing objects came to stand for distant people and places creating or preserving a sense of self and community despite geographic dislocation victorian novels because they themselves came to be understood as the quintessential portable property tell the story of this change most clearly plotz analyzes a wide range of works paying particular attention to george eliot s daniel deronda anthony trollope s eustace diamonds and r d blackmore s lorna doone he also discusses thomas hardy and william morris s vehement attack on the very notion of cultural portability the result is a richer understanding of the role of objects in british culture at home and abroad during the age of empire

## **The Norton Introduction to Literature 2006**

how does a book become an international bestseller what happens to it as it is translated into different languages contexts and societies how is it changed by the intellectual environments it encounters what does the transnational circulation mean for its reception back home exploring the international life of a particularly long lived and widely traveled book isabel Hofmeyr follows the pilgrim's progress as it circulates through multiple contexts and into some 200 languages focusing on africa where 80 of the translations occurred this feat of literary history is based on intensive research that criss crossed among london georgia kingston bedford john bunyan's hometown and much of sub saharan africa finely written and unusually wide ranging it accounts for how the pilgrim's progress traveled abroad with the protestant mission movement was adapted and reworked by the societies into which it traveled and finally how its circulation throughout the empire affected bunyan's standing back in england the result is a new intellectual approach to bunyan one that weaves together british african and caribbean history with literary and translation studies and debates over african christianity and mission even more important this book is a rare example of a truly worldly study of world literature and of the critical importance of translation both linguistic and cultural

## **The Portable Beat Reader 1992**

during the pivotal period of america's international emergence between the civil war and wwi the aligned literary movements of realism and naturalism not only shaped the national literature of the age but also left an indelible and far reaching influence on twentieth century american and world literature seeking to strip narrative from pious sentimentalities and according to william dean howells to paint life as it is and human feelings in their true proportion and relation realism is best represented by this volume's masterly pieces by twain henry james stephen crane kate chopin and willa cather among others the joining of realist methods with the theories of marx darwin and spencer to reveal the larger forces biological evolutionary historical which move humankind are exemplified here in the fiction of such writers as jack london frank norris and theodore dreiser

henry james wrote with an imperial elegance of style whether his subjects were american innocents or european sophisticates incandescent women or their vigorous suitors his omniscient eye took in the surfaces of cities the nuances of speech dress and manner and above all the microscopic interactions hesitations betrayals and self betrayals that are the true substance of relationships the entirely new portable henry james provides an unparalleled range of this great body of work seven major tales including daisy miller the turn of the screw the beast in the jungle and the jolly corner a sampling of revisions james made to some

of his most famous work travel writing literary criticism correspondences autobiography descriptions of the major novels and parodies by famous contemporaries including t s eliot ezra pound virginia woolf and graham greene

## **The Portable William Blake** *1977-02-24*

luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the valise fashioned desks of both james joyce and vladimir nabokov to the lost manuscript laden cases of ernest hemingway and walter benjamin while the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition what things and objects do modernism s exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly what are the implications and historical resonances of a portable outlook particularly from the angles of gender wartime conflict and character conception above all how far does such an outlook impact upon artistic vision portability represents the simultaneous transportation and repudiation of domesticity and the home those key frames of reference in the nineteenth century novel this book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from victorian architectural conceptions of fiction towards more movable understandings of form and character

## **Portable Property** *2008*

literature portable edition 12 e features four lightweight paperback volumes fiction poetry drama and writing packed in a slipcase the most popular literature anthology continues to bring students the finest literature from fables to poetweets the twelfth edition of literature an introduction to fiction poetry drama and writing edited by x j kennedy and dana gioia includes eleven new stories from students favorite authors zz packer s brownies ray bradbury s the sound of thunder anne tyler s teenage wasteland david leavitt s a place i ve never been and isabel allende s the judge s wife more than 60 new accessible and engaging poems have been added including former iraqi soldier brian turner s the hurt locker katha pollit s the mind body problem as well as poetweets from lawrence bridges and robert pinsky in addition there are new poems from kay ryan benjamin alire saenz h d gary snyder joy harjo tami haaland robert hayden denise levertov and william carlos williams three new one act plays help ease students into the study of this genre the new plays include two comedies david ives s sure thing and jane martin s beauty as well as edward bok lee s experimental drama el santo americano in addition milcha sanchez scott s the cuban swimmer has been added

## **Literature** *2015-01-08*

the portable comtois represents a broad sampling of the author s varied literary interests where horror fantasy science fiction and literature intersect here the

reader will have a chance not only to delve into the author's thoughts on the literature of the fantastic but to judge how well he has been able to apply those considerations to his own fiction written over a number of decades and culled from hard to find small press publications including the author's own *Fungi Magazine*. The tales gathered here cover everything from the dark side of Oz to computer age lycanthropy. Other stories will also take the reader on journeys to other worlds, other dimensions, and even other earths where horror and wonder often walk hand in hand. And in a special bonus section, the reader will have the chance to see what happens when a writer puts literary pretensions aside and lets his hair down in order to tell no-holds-barred, politically incorrect adventure stories. So while the wait continues for autumnal tales, the author's eagerly anticipated collection of weird prose and poetry, long-time followers of his career and new readers alike can delight in this collection representing the best of the rest.

### ***The Portable Bunyan 2004***

The Portable Edgar Allan Poe compiles Poe's greatest writings: tales of fantasy, terror, death, revenge, murder, and mystery, including "The Pit and the Pendulum," "The Fall of the House of Usher," "The Cask of Amontillado," "The Masque of the Red Death," and "The Murders in the Rue Morgue," the world's first detective story. In addition, this volume offers letters, articles, criticism, visionary poetry, and a selection of random opinions on fancy and the imagination, music, and poetry, intuition, and sundry other topics. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world, with more than 1,700 titles. Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
