Handbook of Research on Entrepreneurial Ecosystems and Social Dynamics in a Globalized World 2022-02-24

this volume provides a comprehensive analysis of the ways in which digital communication facilitate and inform discourses of legitimization and delegitimization in contemporary participatory cultures the book draws on multiple theoretical traditions from critical discourse analysis to allow for a greater critical engagement of the ways in which values are either justified or criticized on social media platforms across a variety of social milieus including the personal political religious corporate and commercial the volume highlights data from across ten national contexts and a range of online platforms to demonstrate how these discursive practices manifest themselves differently across a range of settings taken together the seventeen chapters in this book offer a more informed understanding of how these discursive spaces help us to interpret the manner in which digital communication can be used to legitimize or delegitimize making this book an ideal resource for students and scholars in discourse analysis sociolinguistics new media and media production

Handbook of Research on Media Literacy Research and Applications Across Disciplines 2023-04-05

en cierta medida los términos sostenible y lujo son sinónimos aunque paradójicos a la vez la contradicción comienza por la definición de lujo tradicional en oposición al lujo actual permítanme explicarlo lujo a menudo significa exceso moda placer ostentación y residuos mientras que sostenibilidad es sinónimo de ética y moderación ya que invita a los consumidores a satisfacer las necesidades y los deseos de la generación actual sin comprometer la capacidad de las generaciones futuras para satisfacer sus propias necesidades con frecuencia olvidamos que el lujo también denota productos sostenibles y con las mismas cualidades esenciales que los otros artículos de lujo requiriendo una extraordinaria creatividad y diseño se deben elaborar a partir de materiales excepcionales de buena calidad y prestando importancia a la durabilidad utilizando el concepto de menos pero mejor los artículos de lujo tienen la sostenibilidad implícitamente incorporada ya que no pasan de moda y perduran toda la vida los productos de lujo de antaño y que duran toda la vida siempre han sido

sostenibles pero no fueron analizados como tales

Music Management, Marketing and PR 2018-10-17

will command the rapt attention of casual fans and scholars alike booklist starred review from prince's superstardom to studio seclusion this second book in the award winning prince studio sessions series spotlights how prince the biggest rock star on the planet at the time risked everything to create some of the most introspective music of his four decade career duane tudahl takes us on an emotional and intimate journey of love loss rivalry and renewal revealed through unprecedented access to dozens of musicians singers studio engineers and others who worked with him and knew him best with never before published memories from the revolution the time the family and apollonia 6 also included is a heartfelt foreword by musical legend elton john about his time and friendship with prince

Organizational democracy, organizational participation, and employee ownership: Individual, organizational and societal outcomes 2020-08-01

discourse on popular music frequently describes artists recordings and performances as intimate yet that discourse often stops short of elucidating how a mass produced commodity such as popular music is able to elicit feelings of intimacy with and among its audience through detailed analysis of popular music's composition performance production and promotion musical intimacy examines how intimacy is constructed and perceived in popular music via its affective and technological affordances from the recording studio to the concert stage from collective experience to individual listening and perception this book presents a working understanding of musical intimacy

Honing Self-Awareness of Faculty and Future Business Leaders 2021-06-25

this book focuses on the application of sustainable development principles through consultation with and partnerships between commerce and the community offering international perspectives the authors show that the issues are global and that we can best arrive at solutions

through a synthesis of these various perspectives the book also examines changes to corporate and institutional behavior and discusses the extent to which the focus has changed making it necessary to consider new approaches to our understanding of sustainability and differing effects in practice this approach is based on the tradition of the social responsibility research network which in its 17 year history has sought to broaden the discourse and to treat all research as inter related and relevant to business this book consists of the best contributions from the 17th international conference on corporate social responsibility and 8th organisational governance conference held in bangalore india in september 2018

Events and Well-being 2017-08-29

the routledge handbook of tourism experience management and marketing offers a comprehensive and thorough inquiry into both customary and emergent issues of tourism experience and co creation drawing together contributions from 83 authors from 28 countries with varied backgrounds and interdisciplinary interests the handbook highlights multiple representations and interpretations of the theme it also integrates a selection of illustrative global case studies to effectively present its chapter contents tourism experience drives the contemporary tourist s behavior as they travel in pursuit of experiencing unique and unusual destinations and activities creating a memorable and enduring experience is therefore a prerequisite for the all tourism business organizations irrespective of the nature of their products or services this handbook focuses on conceptualizing designing staging managing and marketing paradigms of tourism experiences from both supply and demand perspectives it sheds substantial light on the contemporary theories practices and future developments in the arena of experiential tourism management and marketing encompassing the latest thinking and research themes this will be an essential reference for upper level students researchers academics and industry practitioners of hospitality as well as those of tourism gastronomy management marketing consumer behavior cultural studies development studies and international business encouraging dialogue across disciplinary boundaries

Handbook of Research on the Impacts and Implications of COVID-19 on the Tourism Industry 2019-07-17

cultural resistance 9 11 and the war on terror sensible interventions offers a fresh account of the enduring cultural legacies of the september 11 2001 terror attacks and the global war on terror through the critical lens of cultural resistance it assesses the intersecting ways that popular culture has been deployed as oppositional practice in the post 9 11 context by documenting a collection of media texts including a political hip hop album a tv sitcom a best selling novel and studio photographs deviating from the conventional discursive and representative axis of mourning nationalism and commemoration this multimedia assemblage contests and rearticulates the political meanings affects and visualizations of the war on terror and its global consequences drawing on the theoretical work of jacques rancière the book also argues that these cultural artefacts are extending cultural resistance by shifting the scenes and methods of opposition to the realm of the sensible or sensorial experiences never celebratory the book encapsulates the potential of cultural practices against restricted post 9 11 regimes of visibility and audibility in the public sphere but it also remains attentive to their blind spots contradictions and constraints this book offers a new angle to consider the events of 9 11 the war on terror and their continual effects one that blurs established visions of patriotism and grief
