kara lyons pardue examines the issue of the ending of the gospel of mark showing how the later additions to the text function as early receptions of the original gospel tradition providing an ancient fix to the problem of the ending in which the women flee the tomb in terror and silence lyons pardue suggests that the long ending functions canonically smoothing out the problem of 16 8 in ways that support the nascent four gospel canon lyons pardue argues that the long ending represents an ancient reception of the preceding gospel that continues to the unique portrait of discipleship that is characteristically markan mary magdalene forms the renewed paradigm of an unlikely person or outsider here a woman being the one to go and tell the good news this pattern is then projected onto all disciples who are called to proclaim the news to the entire created order 16 15 women s entrepreneurship is vital for economic and social development yet female entrepreneurs worldwide are consistently found to have weaker sales and employment growth fewer jobs and lower profitability this book was written to address this reality and focuses on the high growth potential of women entrepreneurs 8 challenging the state this collection examines the ways in which women have used political rhetoric and political discourse to provide leadership or assert their right to leadership at the national level while over the years women have broken through traditional roles they are still underrepresented in political leadership in this text scholars consider the various factors that continue to restrict political leadership opportunities for women as well as some of the ways in which individual women have strategically sought to enact political power and leadership for themselves the contributors analyze various case studies of leadership positions at the national level looking at women who have run been nominated to run or appointed to national positions the interdisciplinary approach lends itself to rhetoric political rhetoric political discourse leadership studies women s studies gender issues satire pop culture before 1893 no woman anywhere in the world had the vote in a national election a hundred years later almost all countries had enfranchised women and it was a sign of backwardness not to have done so this is the story of how this momentous change came about the first genuinely global history of women and the vote it takes the story of women in politics from the earliest times to the present day revealing startling new connections across time and national boundaries from europe and north america to asia africa latin america and the muslim world post 9 11 a story of individuals as well as of wider movements it includes the often dramatic life stories of women s suffrage pioneers from across the world painting vivid biographical portraits of everyone from susan b anthony and the pankhursts to hitherto lesser known activists in china latin america and africa it is also the first major post feminist history of women s struggle for the vote controversially jad adams rejects the widely accepted idea that success was primarily a result of the pressure group politics of the suffragists and their supporters ultimately he argues it was nationalism not feminism that was the most important factor in winning women the vote encyclopedia of women and american politics third edition contains all the material a reader needs to understand the role of women throughout america s political history this informative a to z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics entries include abortion alexandria ocasio cortez the birth control movement black lives matter hillary rodham clinton deb haaland domestic violence equal rights amendment era glass ceiling league of women voters metoo movement michelle obama sonia sotomayor elizabeth warren and many more annotation a sophisticated and groundbreaking book on what women actually did and what actually happened to them during the french revolution this new edition of a classic feminist book explains how one of the great historical revolutions the ongoing movement toward equality between the sexes has come about its origins are to be found not in changing ideas but in the economic developments that have made women s labour too valuable to be spent exclusively in domestic pursuits the revolution is unfinished new arrangements are needed to fight still prevalent discrimination in the workplace to achieve a more just sharing of housework and childcare between women and men and with the weakening of the institution of marriage to re erect a firm economic basis for the raising of children analyzes the labor experience of israeli palestinian women arguing that state policies and widespread discrimination hinder their labor force participation and success this edition of women and elective office offers the latest research on women as candidates and officeholders it provides a comprehensive look at at the history and status of women in elective office their prospects for the future and why women in elected office matter to american democracy it features all new essays and up to the minute research by leading experts in the field including the latest political trends and events such as hillary rodham clinton s run for the presidency women s representation on the state and local level the diversity of women officeholders experiences and circumstances and female judges women and elective office is an essential guide to understanding the past present and future of women in all echelons of government challenges mainstream beliefs about overpopulation and cites the consequences of a rapidly depopulating world is more government aid needed who will pay for care of aging baby boomers will all americans finally get health insurance these are just some of the topics covered in issues for debate in social policy engaging and reader friendly articles encourage students to think critically about some of the most pressing social policy issues of our time classroom discussions will sparkle as a result

the balanced reporting complete overviews and engaging writing that has consistently provided for more than 80 years each article gives substantial background and analysis of a particular issue as well as useful pedagogical features to inspire critical thinking and to help students grasp and review key material a pro con box that examines two competing sides of a single question a detailed chronology of key dates and events an annotated bibliography and resources outlook sections that address possible regulation and initiatives from capitol hill and the white house over the next 5 to 10 years photos charts graphs and maps women s voices in management examines a wide array of women s voices across different geo political social and organizational contexts in management extant research provides clear evidence on gendering in organizations throughout all the ranks including top management this work examines the position and the functioning of women in nordic politics in assessing how women have been able to close the gap between themselves and men it covers voting behaviour and how it relates to gender party organization participation with regard to the eu and other factors many strategies fail not because they are improperly formulated but because they are poorly implemented the oxford handbook of strategy implementation examines the crucial role of implementation in how business and managerial strategies produce returns in this wide ranging collection of essays leading scholars address governance resources human capital and accounting based control systems advancing our understanding of strategy implementation and identifying opportunities for future research on this important process bestselling historian keith lowe s the fear and the freedom looks at the astonishing innovations that sprang from wwii and how they changed the world the fear and the freedom is keith lowe s follow up to savage continent while that book painted a picture of europe in all its horror as wwii was ending the fear and the freedom looks at all that has happened since focusing on the changes that were brought about because of wwii simultaneously one of the most catastrophic and most innovative events in history it killed millions and eradicated empires creating the idea of human rights and giving birth to the un it was because of the war that penicillin was first mass produced computers were developed and rockets first sent to the edge of space the war created new philosophies new ways of living new architecture this was the era of le corbusier simone de beauvoir and chairman mao but amidst the waves of revolution and idealism there were also fears of globalization a dread of the atom bomb and an unexpressed longing for a past forever gone all of these things and more came about as direct consequences of the war and continue to affect the world that we live in today the fear and the freedom is the first book to look at all of the changes brought about because of wwii based on research from five continents keith lowe s the fear and the freedom tells the very human story of how the war not only transformed our world but also changed the very way we think about ourselves the universal protection of human rights remains the core challenge of the united nations if it is to achieve its mission of a world of peace development and justice yet at a time of seismic changes in the world when shocking violations of human rights are taking place world wide the un human rights system is in need of urgent modernization this book written by a foremost scholar practitioner who previously exercised the functions of un high commissioner for human rights advances a series of ideas to modernize the un protection system among a dozen key proposals are that the un human rights system should help alleviate the plight of the poorest pay greater attention to the national protection system of each country and establish a world court on human rights that can deal with countries which grievously violate human rights unlike other texts that have focused on those topics this book not only provides comprehensive analysis but crucially offers practical and workable solutions based on the author s significant expertise and experience scholars practitioners and students of international human rights will benefit immensely from its analysis insights perspectives and proposals it is a salutary contribution on the 75th anniversary of the un 2020 the novel of adultery is a nineteenth century form about the experience of women produced almost exclusively by men bill overton s study is the first to address the gender implications of this form and the first to write its history the opening chapter defines the terms adultery and novel of adultery and discusses how the form arose in continental europe but failed to appear in britain successive chapters deal with its development in france and with examples from russia denmark germany spain and portugal young overworked overtired overstressed medical intern sarah james has no time for sleuthing her elderly neighbors the spunky fog ladies have nothing but time when one by one old ladies die in their elegant apartment building in san francisco sarah assumes it is the natural consequence of growing old the fog ladies assume murder mrs bridge falls off a stool cleaning bugs out of her kitchen light mrs talwin hits her head in the bathtub and drowns suddenly the pacific heights building is turning over tenants faster than the fog rolls in on a cool san francisco evening sarah resists the fog ladies perseverations but when one of them falls down the stairs and tells sarah she was pushed even sarah believes evil lurks in their building can they find the killer before they fall victim themselves this book focuses on topics such as the cultural specificity of arab family businesses with regard to shaping their governance and management the influence that specific values in the arab world could exert on the management of family businesses how spiritual and religious values influence business in arab family firms and the role of emotions in the management of family firms in the arab world presenting a collection of contributions addressing management finance strategy and succession in arab family businesses this book constitutes a novel and unique contribution to the research field of family businesses publisher fact sheet this study of family planning programs in egypt is a model for the study of social programs

in developing countries a general guide to physical fitness for girls and women of any age this book aims to fill the significant research gap on women s entrepreneurship and labor force participation in egypt as well as provide suggestions for addressing continued gender inequalities in these arenas
