The Delaplaine W. H. AUDEN - His Essential Quotations 2017-02-01

in this lively gambol through the history of quotations and quotation books gary saul morson traces our enduring fascination with the words of others ranging from the remote past to the present he explores the formation development and significance of quotations while exploring the verbal museums in which they have been collected and displayed commonplace books treasuries and anthologies in his trademark clear witty and provocative style morson invites readers to share his delight in the shortest literary genre the author defines what makes a quote quotable as well as the unexpected differences between quotation and misquotation he describes how quotations form transform and may eventually become idioms how much of language itself is the residue of former quotations weaving in hundreds of intriguing quotations common and unusual morson explores how the words of others constitute essential elements in the formation of a culture and of the self within that culture in so doing he provides a demonstration of that very process captured in the pages of this extraordinary new book

The Words of Others 2011-06-28

aphorisms are not witticisms or epigrams but general truths succinctly stated this anthology contains 3000 quotations from a wide variety of aphorists ranging from heraclitus to ogden nash as well as jane austen pascal freud goethe the duke of wellington shaw jean cocteau and many more

The Faber Book of Aphorisms 1989

Rebuilding Babel: The Translations of W.H. Auden 2021-11-15

an irresistible account of a little known literary salon and creative commune in 1940s brooklyn the washington post book world a san francisco chronicle best book of the year february house is the true story of an extraordinary experiment in communal living one involving young but already iconic writers and america s best known burlesque performer in a house at 7 middagh street in brooklyn it was a fevered yearlong party fueled by the appetites of youth and a shared sense of urgency to take action as artists in the months before the country entered world war ii in spite of the sheer intensity of life at 7 middagh the house was for its residents a creative crucible carson mccullers s two masterpieces the member of the wedding and the ballad of the sad cafe were born bibulously in brooklyn gypsy rose lee workmanlike by day party girl by night wrote her book the g string murders in her middagh street bedroom w h auden who along with benjamin britten was being excoriated back in england for absenting himself from the war presided over the house like a peevish auntie collecting rent money and dispensing romantic advice and yet all the while he was composing some of the most important work of his career enlivened by primary sources and an unforgettable story this tale of daily life at the most fertile and improbable live in salon of the twentieth century comes from the acclaimed author of inside the dream palace the life and times of new york s legendary chelsea hotel brimming with information the personalities she depicts are indelibly drawn los angeles times book review magnificent not to mention funny and raunchy the seattle times

Poetic Art of W.H. Auden 2015-12-08

this hilarious collection of humorous quotations full of wisecracks and wit snappy comments and inspired fantasy has been specially compiled by the late broadcaster and raconteur ned sherrin

with a foreword by leading british satirist alistair beaton now packed with even more quotes and covering more subjects than before from weddings to the supernatural australia to headlines find the best lines from your favourite jokesters and wordsmiths add that extra something to a speech or presentation or just enjoy a good laugh a chair is a piece of furniture i am not a chair because no one has ever sat on me ann widdecombe on the announcement that parliamentary language will now be gender neutral no wonder bob geldof is such an expert on famine he s been feeding off i don t like mondays for 30 years russell brand on deciding to run for governor of california the most difficult decision i ve ever made in my entire life except for the one in 1978 when i decided to get a bikini wax arnold schwarzenegger wanting to know an author because you like his work is like wanting to know a duck because you like p acirc t eacute margaret atwood i am so sorry we have to stop there i have just come to the end of my personality quentin crisp closing down an interview

February House 2016-07-26

w h auden is unquestionably one of the most fascinating and influential literary figures of the twentieth century his formal innovations in poetry and drama have immeasurably affected modern literary consciousness as have his reactive views about political and literary trends at the time he wrote the prolific and the devourer auden was moving away from his vocal marxism of the 1930s toward a committed christianity in the 1940s and beyond the prolific and the devourer sheds new light on the personal and public worlds he inhabited philosophically drawing the line between the position of the artist and that of the politician the book takes its title and in part its form from william blake s the marriage of heaven and hell in auden s interpretation the prolific are those who produce the farmer the skilled worker the scientist the cook the innkeeper the doctor the teacher the athlete the artist the devourers are the political types who depend on what is already produced for their well being the judges policemen critics these are the real lower orders the low sly lives whom no decent person should receive in his house as in blake the sections and subsections of auden s book are unified and propelled by the oracular need to express the key components of human nature the first section contains a series of aphoristic statements and personal reflections that usher us into the enormous territory to be explored in the second section auden chooses examples from politics religion and literature to expound his views on human and historical evolution the third section examines the characters of the prolific and the devourer in relation to catholic protestant andromantic traditions and to socialist and fascist beliefs the question and answer form employed in the final section allows auden to reveal his inner struggle to reach some understanding of god the supernatural and pacifism at a time when spiritual and political values are co

The Complete Works of W.H. Auden: 1969-1973. 2015 1988

the tracer's goals are to identify the source of a quotation to find or to produce detailed citation based on a reliable edition of the work to find an authoritative text of the passage being traced and to do all this in the shortest time possible and with the least possible amount of effort

Oxford Dictionary of Humorous Quotations 2013-10-17

poesi og prosa og meget andet i udvalg

PROLIFIC & DEVOURER 1993-11-21

virginia woolf's career was shaped by her impression of the conflict between poetry and the novel a conflict she often figured as one between masculine and feminine old and new bound and free in large part for feminist reasons woolf promoted the triumph of the novel over poetry even as she adapted some of poetry's techniques for the novel in order to portray the inner life woolf considered poetry the rival form to the novel a monograph on woolf's sense of genre rivalry thus offers a thorough reinterpretation of the motivations and aims of her canonical work drawing on unpublished archival material and little known publications the book combines biography book history formal analysis genetic criticism source study and feminist literary history woolf's attitude towards poetry is framed within contexts of wide scholarly interest the decline of the lyric poem the rise of the novel the gendered associations with these two genres elegy in prose and verse and the history of english studies virginia woolf and poetry makes three important contributions it clarifies a major prompt for woolf's poetic prose it exposes the genre rivalry that was creatively generative to many modernist writers and it details how holding an ideology of a genre can shape literary debates and aesthetics

The Viking Book of Aphorisms 1966

joseph brodsky one of the most prominent contemporary american poets is also among the finest living poets in the russian language nevertheless his poetry and the crucial bilingual dimension of his poetic world are still insufficiently understood by western audiences how did the russian born brodsky arrive at his present status as an international man of letters and american poet laureate has he been created by his bilingual experience or has he fashioned the bilingual self as a necessary precondition for writing poetry in the first place here david bethea suggests that the key to brodsky perhaps the last of the great russian poets in the bardic mode is in his relation to others or the other brodsky's master trope turns out to be triangular vision the tendency to mediate a prior model dante with a closer model mandelstam in the creation of a palimpsest like text in which the poet is implicated as a triangulated hybrid of these earlier incarnations in pursuing this theme bethea compares and contrasts brodsky to the poet's favorite models donne auden mandelstam and tsvetaeva and analyzes his fundamental differences with nabokov the only russian exile of brodsky's stature to rival him as a bilingual phenomenon various critical paradigms are used throughout the study as foils to brodsky's thinking originally published in 1994 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

The Quote Sleuth 1990

Joseph Brodsky and the Creation of Exile 2014-07-14

wh auden is perhaps the most important english language poet of the 20th century he produced marvelous poems even in his last days however critics and reviewers not only have not recognized the aesthetics of the poetry auden wrote after 1965 but they have ignored or made prejudiced and disparaging remarks about it thus diverting subsequent critical and popular attention from its remarkable virtues the aim of wh auden s poetry mythos theory and practice is to clarify auden s career long interest in poetic theory and above all to show how his changing thoughts about poetry impelled him towards the production of the last three volumes of his verse because it links the poet s biographia literaria and his aesthetic vision this book will appeal to poets as well as to students of writing particularly those interested in the creative process and its correlation to artistic forms students of 20th century american and british literature will find in these pages a comprehensive survey of auden s thoughts about his art and the poetry of his predecessors as well as of his contemporaries teachers of auden s works will appreciate the strong light such a survey casts on auden s poetic practice engineers and architects physicists and biologists cultural critics social scientists philosophers and especially gestalt psychologists might well enjoy reading about the ways their fields have intersected and influenced the thinking of one of the twentieth century s most brilliant and courageous poets

The Columbia Dictionary of Quotations 1993

a groundbreaking reassessment of wh auden s early life and poetry shedding new light on his artistic development as well as on his shifting beliefs about political belonging in interwar england from his first poems in 1922 to the publication of his landmark collection on this island in the mid 1930s wh auden wrestled with the meaning of englishness his early works are prized for their psychological depth yet nicholas jenkins argues that they are political poems as well illuminating auden s intuitions about a key aspect of modern experience national identity two historical forces in particular haunted the poet the catastrophe of world war i and the subsequent rediscovery of england s rural landscapes by artists and intellectuals the island presents a new picture of auden the poet and the man as he explored a genteel lyrical form of nationalism during these years his poems reflect on a world in ruins while cultivating visions of england as a beautiful if morally compromised haven they also reflect aspects of auden s personal search for belonging from his complex relationship with his father to his quest for literary mentors to his negotiation of the codes that structured gay life yet as europe veered toward a second immolation auden began to realize that poetic myths centered on english identity held little potential he left the country in 1936 for what became an almost lifelong expatriation convinced that his role as the voice of englishness had become an empty one reexamining one of the twentieth century s most moving and controversial poets the island is a fresh account of his early works and a striking parable about the politics of modernism auden s preoccupations with the vicissitudes of war the trials of love and the problems of identity are of their time yet they still resonate profoundly today

The Penguin Dictionary of Quotations 1977

america is a land of wonders in which everything is in constant motion and every change seems an

improvement no natural boundary seems to be set to the efforts of man and in his eyes what is not yet done is only what he has not yet attempted to do alexis de tocqueville democracy in america 1835 americans will pay a big price for an invention that will help them save time they don't know what to do with anonymous this collection of quotations both serious and humorous about america is divided into 19 main topics the nation the american people places nature mind the individual human relations social life culture and media literature and language religion and belief past and future history war and the military international relations politics and government law and order business and economy and food each main topic is divided into subtopics for example culture and media has these architecture art charlie chaplin dance fashion intellectuals marilyn monroe movies music elvis presley and television the author attributes each quote to its speaker author or composer and wherever possible provides the date of the quote and the name of the work in which it was published in the case of uncertainty about the exact date of a quote the author provides the birth and death dates of the person to whom the quote is attributed also included are a keyword and subject index and a speaker index
