The Lost Choice 2004-06-22

a work of both scholarship and imagination the lost choice is a legend of personal discovery a reminder of the opportunities we each are given when a young boy finds a mysterious object in the creek near his home it starts a series of events that could change the world again many search for the ancient relic s secret but few find its truer purpose what choices will each make or lose

Summary of Andy Andrews's The Seven Decisions 2022-05-09T22:59:00Z

please note this is a companion version not the original book sample book insights 1 i will accept responsibility for my past i will not let my history control my destiny i will seek the association of those who are working and striving to bring about positive changes in the world i will never seek comfort by associating with those who have decided to be comfortable 2 we blame others when we can t control our lives but we must realize that our choices in response to those events are what have led us down this path we can make choices that will lead us to a place we like 3 the responsible decision is all about owning your power your choices have made you what you are today and your thinking creates a pathway to success or failure to accept responsibility for your choices you must become aware of and accept responsibility for your thinking 4 we are where we are because of how we think if we are responsible for where we are we have hope for where we re going by disowning responsibility for our present we give our power away and deny ourselves an incredible future

How Do You Kill 11 Million People? (International Edition) 2012-01-03

in this compact nonpartisan book andrews urges readers to be careful students of the past seeking accurate factual accounts of events and decisions that illuminate choices we face now by considering how the nazi german regime was able to carry out over eleven million institutional killings between 1933 and 1945 andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other how do you kill 11 million people or to be precise 11 283 000 people andy andrews believes that good answers come only from asking the right questions through the powerful provocative question how do you kill eleven million people the number of people killed by the nazi german regime between 1933 and 1945 he explores a number of other questions relevant to our lives today does it matter that millions of ordinary citizens have checked out of participating in the decisions that shape the future of our country which is more dangerous politicians with ill intent or the too trusting population that allows such people to lead them how are we supposed to tell the difference between the good guys and the bad guys how does the answer to this question affect not only our country but our families our faith and our values what happens to a society in which truth is absent andrews issues a wake up call become informed passionate citizens who demand honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy furthermore we can no longer measure a leader s worth by the yardsticks provided by the left or the right instead we must use an unchanging standard the pure unvarnished truth

Return to Sawyerton Springs 2009-10

andrews shares a collection of hilariously heartwarming memories of his hometown of sawyerton springs these reflective essays can help readers remember where life s greatest treasures can still be found

Federal and State Tax Cases, Decisions of the Supreme Court of the United States, October Term 1938 to January 11, 1943 (305 U.S. to 316) 1943

just imagine what if deep in the unexplored wilderness of your inner soul lies a secret passage into a place where silence speaks of all there is to know a place to which we can only point yet once discovered we know it better trust it more than any other place we could possibly conceive of or imagine what if beyond all you ve ever feared beyond all your doubts even beyond all your questions there was a simple answer waiting waiting for just the right moment to cut through all you thought you knew to lay imperceptibly at your feet the one truth that informs all the others that right there within you was the treasure you ve been so desperately seeking what if you finally understood that this treasure could not be found or created only allowed for in truth it is already you perhaps then you might just pass by yourself and wonder
