What is Politics? 2004-09-03 what is politics is it a universal feature of all human societies past and present is it tied to specific institutional arenas or is it found in all groups and organizations large or small formal or informal this new textbook seeks to provide answers to these important questions starting with what it means to think politically the book goes on to explore a wide range of meanings attributed to the concept of politics from a variety of perspectives and theoretical traditions it offers succinct and coherent overviews by some of the foremost scholars in the field and each invites the reader to see the activity of politics in a distinctive way topics covered include politics as a form of rule feminist approaches to politics marxism and politics of human behaviour environmental politics politics as collective choice and islam and politics written with the new student in mind this concise introduction to the study and activity of politics is essential reading for all those coming to the discipline for the first time

Why We Hate Politics 2013-04-23 politics was once a term with an array of broadly positive connotations associated with public scrutiny deliberation and accountability yet today it is an increasingly dirty word

Why We Hate Politics 2013-04-23 politics was once a term with an array of broadly positive connotations associated with public scrutiny deliberation and accountability yet today it is an increasingly dirty word typically synonymous with duplicity corruption inefficiency and undue interference in matters both public and private how has this come to pass why do we hate politics and politicians so much how pervasive is the contemporary condition of political disaffection and what is politics anyway in this lively and original work colin hay provides a series of innovative and provocative answers to these questions he begins by tracing the origins and development of the current climate of political disenchantment across a broad range of established democracies far from revealing a rising tide of apathy however he shows that a significant proportion of those who have withdrawn from formal politics are engaged in other modes of political activity he goes on to develop and defend a broad and inclusive conception of politics and the political that is far less formal less state centric and less narrowly governmental than in most conventional accounts by demonstrating how our expectations of politics and the political realities we witness are shaped decisively by the assumptions about human nature that we project onto political actors hay provides a powerful and highly distinctive account of contemporary political disenchantment why we hate politics will be essential reading for all those troubled by the contemporary political condition of the established democracies

What Is Politics? Why Should You Care? and Other Big Questions 2019-11-14 politics in its widest sense affects us all every day what if there were no politics what would that look like what does it mean to be political or non political and what effect do each of these positions have this book is a highly topical look at how politics affects everyone in scociety it looks at the whole political spectrum in countries around the world and examines what politics means in different contexts and situations what forms can political action take and what difference does it make there are contributions from a range of writers who along with the authors discuss how their ideas of what politics is and can do have been shaped by their life experiences readers are encouraged to think for themselves about the issues discussed and decide how or whether they would like to take part in politics at some level
