

autoritarismo do mundo pós guerra agora o título de bradbury que morreu recentemente em 6 de junho de 2012 ganhou nova edição pela biblioteca azul selo de alta literatura e clássicos da globo livros e atualização para a nova ortografia a singularidade da obra de bradbury se comparada a outras distopias como admirável mundo novo de aldous huxley ou 1984 de george orwell é perceber uma forma muito mais sutil de totalitarismo uma que não se liga somente aos regimes que tomaram conta da europa em meados do século passado trata se da indústria cultural a sociedade de consumo e seu corolário ético a moral do senso comum segundo as palavras do jornalista manuel da costa pinto que assina o prefácio da obra graças a esta percepção fahrenheit 451 continua uma narrativa atual alvo de estudos e reflexões constantes o livro descreve um governo totalitário num futuro incerto mas próximo que proíbe qualquer livro ou tipo de leitura prevendo que o povo possa ficar instruído e se rebelar contra o status quo tudo é controlado e as pessoas só têm conhecimento dos fatos por aparelhos de tvs instalados em suas casas ou em praças ao ar livre a leitura deixou de ser meio para aquisição de conhecimento crítico e tornou se tão instrumental quanto a vida dos cidadãos suficiente apenas para que saibam ler manuais e operar aparelhos fahrenheit 451 tornou se um clássico não só na literatura mas também no cinema em 1966 o diretor francês truffaut adaptou o livro e lançou o filme de mesmo nome estrelado por oskar werner e julie christie a study guide for ray bradbury s fahrenheit 451 excerpted from gale s acclaimed novels for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust novels for students for all of your research needs guy montag es un bombero y el trabajo de un bombero es quemar libros que están prohibidos porque son cause de discordia y sufrimiento a not too distant future where happiness is allocated on a tv screen where individuals and scholars are outcasts and where books are burned by a special task force of firemen montag trained by the state to be a destroyer throws away his can of kerosene and begins to read a book fahrenheit 451 is the temperature at which a book will burn montag is a fireman who works for a fire brigade whose purpose is not to put out fires but to burn books the penalty for any fireman who tries to read or hide a book is death by the fangs of a mechanical blood hound montag has begun to doubt the wisdom of the all powerful system fahrenheit 451 is a dystopian novel by american writer ray bradbury fahrenheit 451 is the temperature at which book paper spontaneously catches fire and burns it is a futuristic novel describing a time when the government has ordered that all books be burned this may seem to be ridiculous and could never be happening but it is starting to happen in real life now today now we have a president who accuses everything in the press of being fake news he tells his followers who constitute a near majority never to believe the news media he has ordered the arrest and criminal prosecution of the leading law enforcement officers including the director of the fbi and the director of the central intelligence agency he has accused most of his political opponents of corruption and crime nobody knows what is the truth and what is false any more he says that decisions of the highest courts of the united states are almost all fake he openly attacks and criticizes the highest judges of the supreme court he says the truth is false and the false is true the result is we the people do not know who or what to believe all the great scientists have found that climate change is real and our time on this earth may be limited but he says climate change is a hoax and we should ignore the works of the scientists this is not the first time this has happened in china chairman mao declared his cultural revolution and the great leap forwards china has the oldest civilization in the world going back to before confucius in 551 479 bc yet during the cultural revolution chairman mao ordered all the old books burned and destroyed and even ordered the people to destroy their old household furniture i found this out myself in 2011 when i toured china after the world memory championships in guangzhou china as a book publisher i wanted to reprint some old classical works i was shocked to discover that no books were available dated before 1949 and few after that everything earlier than that had been destroyed i am still hoping that some older chinese books have been preserved in taiwan i consider a book dated 1949 to be a relatively new book i usually do not bother with such recent books the destruction of all books in china dated before 1949 is not reported on any website that i have found but i saw with my own eyes that all such books were gone fifty five years ago ray
