The Nuremberg Trials - The Complete Proceedings Vol 1

2014-04-17

first published in 1923 this book presents a study of the manuscript of george buchanan s indictment of mary queen of scots

The Indictment of Mary Queen of Scots

1724

the international criminal court icc created in 2002 to combat impunity projects a sense of unfairness and stirs an unending debate a trial before the court epitomizes the controversy surrounding it perceived as a neocolonialist tool in the hands of the most powerful nations this research critically examines the trial of the former president of ivory coast laurent gbagbo the two decade crisis in ivory coast was a series of armed diplomatic and political conflicts in which human rights were violated by all sides military confrontation resumed as a result of an electoral stalemate that followed a controversial presidential election in the fall of 2010 the most atrocious human rights abuse was perpetrated at the end of march 2011 by the rebel forces backed by the french and the united nations troops the massacre of duékoué in one day hundreds of laurent gbagbo s followers were killed however the icc undertook a selective prosecution against gbagbo s camp after a trial of eight years laurent gbagbo was finally acquitted the news of his unanticipated acquittal shocked the world later that decision was overturned and transformed into freedom with binding and coercive conditions by the appeals chamber which had succumbed to political pressure the former president of ivory coast spent months of confinement in belgium until the appeals chamber rebutted the prosecutor s appeal against his release and confirmed his total acquittal and that of blé goudé he eventually went back to ivory coast on june 17 2021 the trial of laurent gbagbo before the icc despite his acquittal a tardy one reflects a series of biases germane to international law and international justice such as the victor s justice stance the conflict between national law and international law the question of sovereignty and the issue of lawfare the trial of laurent gbagbo which was the hallmark of the selective international justice system embedded in unfairness led to a historical landmark with his shocking acquittal which led to the indictment of the international court whose fate has thus been sealed before history

The Indictment, Arraignment, Tryal, and Judgment, at Large, of Twenty-nine Regicides

1724

in 1963 after four years of hearings in this country venezuelan former president marcos pérez jiménez was extradited from the united states to his homeland where a five year long trial before that country s supreme court found him guilty of misusing venezuela s wealth this book outlines the early career and dictatorial government of pérez jiménez and the efforts of his rival and eventual successor rómulo betancourt to hold him legally responsible for his abuses of power among the conclusions drawn from the case judith ewell shows that the effort to hold a former dictator responsible for his crimes can help legitimize the new revolutionary government that u s

cooperation depends more on its foreign policy of the moment than on the merits of the legal case that extradition of a former head of state always has political overtones in spite of the statutory crimes charged that a long trial can unexpectedly portray the former dictator as a victim and revive his political popularity and that the former dictator's eventual return to power depends more on his own tenacity political acumen and will than on the nature of the crimes he committed or the skill of his opposition

The Indictment, Arraignment, Tryal and Judgement, at Large, of Twenty-nine Regicides, the Murtherers of ... King Charles the First ...
