2012-08-09

the book aims to build teachers confidence in their ability to use english effectively at the same time as providing advice and techniques for primary english teachers the book is written in an accessible easy to follow style and encourages a positive attitude towards using english in the primary classroom the first unit asks teachers to reflect on the processes of language learning to examine ways to create effective learning conditions in class and introduces them to the study methods used in the book the units follow the processes of natural language acquisition and the pattern of school education so the order is listening activities speaking activities reading and writing there are two units on using stories with a final unit on

integrating coursebook activities and lesson planning the content of the syllabus is derived largely from english lessons recorded by around 20 different teachers in different countries to show that the examples and expressions used are real ones that are used by primary teachers the world over the language study syllabus is graded beginning in unit 1 with very basic classroom instructions within a typical lesson framework going on to more specific language relevant to particular activity types and later to longer stretches of english such as storytelling the book encourages teachers to practise the language activities with a colleague and or record themselves on a personal cassette doing the language practice activities in english a free cd gives examples of classroom language from real classrooms with pronunciation exercises

Wonders Teacher's Edition Unit 1 Grade 4

2018-07-16

The fourth edition Cambridge Latin course is an introductory program organized into four well-integrated units. Cambridge's proven approach includes a stimulating continuous story line, interwoven grammatical development, and cultural information, supportive illustrations, and photographs. A complete language information section, reading is the heart of the Cambridge Latin course, and all the elements of the program—illustrations, vocabulary, grammar, and syntax, cultural contexts, and references—activities are carefully introduced and arranged to provide students with the skills they need to read with comprehension and enjoyment from the very first page. The manual includes course scope and sequence, stage summary, cultural background, story line, language features, focus of exercises, thorough background on cultural references, and photographs, teaching suggestions for each section of the stage, translations of readings and exercises, additional testing materials, answer keys for the Student Book and Omnibus Workbook, and bibliography.
