Deception and Detection in Eighteenth-Century Britain Journal of the Clan Campbell Society (United States of America). Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc Notes and Queries Notes and Queries THE WILD LEG wolf

2018-07-14 ... 11

Deception and Detection in Eighteenth-Century Britain 2016-12-05 in the first extended treatment of the debates surrounding public deception in eighteenth century britain jack lynch contends that forgery fakery and fraud make explicit the usually unspoken grounds on which britons made sense of their world confrontations with inauthenticity in other words bring tacitly understood conceptions of reality to the surface drawing on a wide range of contemporary print and manuscript sources not only books and pamphlets but ballads comic prints legal proceedings letters and diaries lynch focuses on the debates they provoked rather than the forgers themselves he offers a comprehensive treatment of the criticism surrounding fraud in most of the noteworthy controversies of the long eighteenth century to this end his study is structured around topics related to the arguments over deception in britain whether they concerned george psalmanazar s formosan hoax at the beginning of the eighteenth century or william henry ireland s shakespearean imposture at the end beginning with the question of what constitutes deception and ending with an illuminating chapter on what was at stake in these debates for eighteenth century british thinkers lynch s accessibly written study takes the reader through the means whether simple sophisticated or tortuously argued by which partisans on both sides struggled to define which of the apparent contradictions were sufficient to disqualify a claim to authenticity fakery lynch persuasively argues transports us to the heart of eighteenth century notions of the value of evidence of the mechanisms of perception and memory of the relationship between art and life of historicism and of human motivation

Journal of the Clan Campbell Society (United States of America). 1987

2019-05-15 reprint of the original first published in 1858 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost
