criminal law civil procedure international law constitutional law contracts and sales business organizations const criminal procedure case briefs keyed to lafave on criminal law 3d law students cannot afford to waste a minute of their time that s why you need high court case summaries you ll find that with high court you not only save time but also have the competitive edge with our exclusive features high court case summaries provide the best written and most comprehensive student briefs available with the most thorough analysis simply stated you cannot get better briefs of the cases in your casebook anywhere major and minor cases briefed every concurrence and dissent briefed memory graphic an entertaining picture of the facts helps you remember the case at a glance party line a simple memory aid for instantaneous recollection of the names of the parties and their relationship to each other case vocabulary every new or unusual legal latin or english word found in the principal case is defined chapter overview outline a short one or two page outline that summarizes the major concepts of each chapter with citations to every case brief one case per page format perforated pages three hole punched this textbook describes analytical tools for studying comparative criminal procedure through film and provides summaries of the law of 50 countries and of over 270 films that depict criminal procedure in action in those countries the traditional tools of comparative analysis include the inquisitorial adversarial dichotomy role specific constructs and the civil law common law dichotomy in addition differences in criminal procedure can be examined through the socialist islamic and indigenous legal traditions and through the evolving international legal regimes the tools of comparative legal analysis are applied to examine the adjudicative process through film beginning with police contact with a crime suspect and ending either with a judge or jury s acquittal or with execution of sentence the law summaries describe the distinctive criminal procedure of each legal tradition and of each country within those traditions for each country the film summaries describe background information about the film and the filmmaker the plot of the film as a whole and the legal story contained within the textbook is designed for teaching law students but is also suitable for teaching an undergraduate or post graduate college course in comparative criminal justice about the author samuel w bettwy is adjunct professor of law at thomas jefferson school of law where he has taught comparative law since 1995 professor bettwy received a j d from california western school of law an ll m in international and comparative law from georgetown university law center and an m a in national security and strategic studies with highest distinction from the u s naval war college in 2009 he graduated from the french army reserve staff officer course at l ecole militaire in paris france professor bettwy has served as a litigating attorney for the u s department of justice since 1987 practicing in immigration court u s district court and the ninth circuit court of appeals he also served as a judge advocate in the u s army reserve from 1987 to 2014 retiring as a lieutenant colonel professor bettwy has written several published articles on comparative law international law immigration law terrorism and film blond s law guides offer case summaries from leading casebooks as well as thoughtful summary outlines for the student who wants both case
