at the very birth of the imperium of man fully half of the emperor s most trusted space marine legions turned against him in a bitter civil war brother fought brother and mankind stood upon the very brink of extinction ten thousand years after their defeat those same traitors still launch their black crusades out of the eye of terror intent upon nothing less than the utter destrction of the imperium and the death of its weakling emperor this book provides an army list and sections on background hobby section and special characters to accompany the game an ideal introduction to the warhammer 40 000 universe this anthology is the first collection of stories to feature only space marines the series most popular faction original warsmith honsou embittered nemesis of the ultramarines and champion of chaos this omnibus edition collects all of graham mcneill s iron warriors series together in one volume the iron warriors are chaos space marines with unrivalled expertise in the art of siege warfare with great batteries of artillery and all the favours of the ruinous powers at their command there is no fortress in the galaxy that can stand against them for long this omnibus follows the schemes of the embittered warsmith honsou in his struggles against the hated space marines of the imperium drawing upon characters and events from author graham moneill s popular ultramarines series and for the first time in a single publication storm of iron and the novella iron warrior are gathered along with short stories the enemy of my enemy the heraclitus effect and the skull harvest the blood gorgons a chaos space marine warband fight the threat from nurgle infected foes on the planet of hauts bassiq the blood gorgons chaos space marines are called to one of their recruiting worlds as the populace is struck down by a plague of mutation but the expeditionary force is decimated by a mysterious foe and sargaul is one of few survivors the polluted world has become even more nightmarish than before and sargaul faces insurmountable odds if he is to save the savage planet facing a hostile environment shadowy xenos enemies and treachery from within his own forces sargaul must dig deep into his hatred and determination to leave haute bassig alive the world bearers series continues in this follow up to dark apostle as the chaos space marines enter a deadly war zone to engage in a desperate battle with their imperial enemies original three books and short stories in one big volume of battling space marines this omnibus edition contains three novels dark renowned as the masters of siege warfare able to inflict devastating firepower and unimaginable cruelty upon their foes on the world of castellax twisted warsmith andraaz builds his own empire even as a system crushing ork waaagh approaches and drives his own slaves ever harder to meet their production quotas and supply materiel for the legion s many warbands their walls are strong and their weapons ready but how long can the planet hold out against the deadly greenskin invasion when whisperings of rebellion begin to pass between the iron warriors downtrodden vassals this collection of space marines short stories centering around these superhuman warriors and their evil counterparts the chaos traitor legion features contributions from such black library favorites as james swallow and nick kyme as well as new talents chaos warlord huron blackheart and his red corsairs launch a devastating conquest of the hollow worlds of lastrati the imperium fights a constant battle to defend itself from its many enemies but few are as deadly or as relentless as the chaos space marines bearing a grudge that dates back 10 000 years to the horus heresy these fallen angels are driven by hatred and an overwhelming desire for revenge when huron blackheart leads his warband of red corsairs to attack the hollow worlds of lastrati the human defenders can do little to protect themselves against such powerful enemies by the time the space wolves chapter arrives the red corsairs are already well entrenched with neither side prepared to withdraw nor concede defeat the battle spirals out of control will the hollow worlds be destroyed by the forces of destruction that have been unleashed the chaos space marines of

that makes it accessible and usable for both students and teachers the essays in this collection explore the relative influence of academic and fan perspectives in the current group of scholar fans and the ethical dilemmas that sometimes emerge from this interplay of identities the impact of the increasingly reciprocal relationship between textual producers and consumers and gender differences in fannish meaning making and interaction fan studies addresses these current issues through some of the most popular fannish texts including doctor who torchwood star wars star trek supernatural smallville and twilight fan culture theory practice is thus designed to challenge some accepted notions while asking relevant questions about pedagogy how do we understand the state of the field and teach fan studies both effectively and responsibly the essays contained in this volume explore the dominant themes in the field and seek to situate fan studies as a discipline with a pedagogy of its
