attention worldwide as the collateral damage of revolution and as victims of sectarian strife countering the din of persecution rhetoric and islamophobia the political lives of saints journeys into the quieter corners of divine intercession to consider what martyrs miracles and mysteries have to do with the routine challenges faced by christians and muslims living together under the modern nation state drawing on years of extensive fieldwork angie heo argues for understanding popular saints as material media that organize social relations between christians and muslims in egypt toward varying political ends with an ethnographer s eye for traces of antiquity she deciphers how long cherished imaginaries of holiness broker bonds of revolutionary sacrifice reconfigure national sites of sacred territory and pose sectarian threats to security and order a study of tradition and nationhood at their limits the political lives of saints shows that coptic orthodoxy is a core domain of minoritarian regulation and authoritarian rule powerfully reversing the recurrent thesis of its impending extinction in the arab muslim world myths of venice is concerned not only with the official iconography of state per se but with the ways in which such imagery resonates within a culture the ways in which visual motifs acquire an aura of association and allusion dependent upon a network of shared values and habits of interpretation book jacket reprint of the original first published in 1882 the lectures contained in this volume were prepared for the training school for clergy and sunday
