most churches are mixed and therefore not legitimate according to god's word any church that mixes the ekklesia saved men and women and unsaved are bound to have trouble and lower standards of belief and those who commit serious public sins must be dealt with both to satisfy god's commands and also to stop such ones infecting the congregation with sinful words and actions at times this disfellowship must be summarily applied when the issue is serious enough in days of darkness and evil this is vital as part of general discipline the society of children's spirituality christian
