Location Patterns of Minority and Other Health Professionals 1985

the interplay between violence religion and politics is a central problem for societies and has attracted the attention of important philosophers including martin heidegger jacques derrida and rene girard centuries earlier during the italian renaissance these same problems drew the interest of niccolò machiavelli in not even a god can save us now brian harding argues that machiavelli s work anticipates and often illuminates contemporary theories on the place of violence in our lives while remaining cognizant of the historical and cultural context of machiavelli s writings harding develops machiavelli s accounts of sacrifice truth religion and violence and places them in conversation with those of more contemporary thinkers including in depth discussions of machiavelli s works the prince and discourses on livy as well as his florentine histories the art of war and other less widely discussed works harding interprets machiavelli as endorsing sacrificial violence that founds or preserves a state while censoring other forms of violence this reading clarifies a number of obscure themes in machiavelli s writings and demonstrates how similar themes are at work in the thought of recent phenomenologists the first book to approach both machiavellian and contemporary continental thought in this way not even a god can save us now is a highly original and provocative approach to both the history of philosophy and to contemporary debates about violence religion and politics

Even More Stories and Lessons on Feng Shui 2008-07-01

the year is 2077 and the planet is reeling from centuries of human abuse investigative author jack janis and his golden retriever max fall for alice algafari an alluring but enigmatic researcher in their quiet rural village in the wider world humans and a new race genetically evolved numans compete for survival jack's hopes for an idyllic life with alice and max crash amid conspiracy and lethal risks when alice's boss tries to ensnare them alice jack and max are forced to run for their lives a final showdown between compassion and science erupts in mesopotamia the cradle of civilization with max emerging as a key to shaping the future of the planet

Even the Dead Have a Story to Tell 2014-05-08

even in the rain uyghur music in modern china explores music as constitutive of uyghur cultural and social life where subaltern experiences of ethnicity race and nationhood are indexed a central asian turkic speaking predominantly muslim people the uyghur are identified in china as one of the fifty five officially designated minority nationalities drawing on extensive fieldwork in the uyghur homeland in the far chinese northwest chuen fung wong focuses on aspects of uyghur music making as it faces the state's management of minority art expressions music serves as a metaphor of the uyghur nation as heritage miras culture medeniyet and tradition en ene while it struggles to survive respond and adapt to the chinese state's aggressive maneuvering and the broader intercultural influences that have shaped uyghur performing arts in modern times as the uyghur and other non han peoples in china

continue to be minoritized under the pretexts of multiculturalism and cultural enlightenment local musicians and audiences react with a vast range of performing and listening approaches to engage assimilation racism and other grim realities of everyday life even in the rain provides the political historical and theoretical context to address overlapping genres and soundscapes which are bound by creative processes that have negotiated the state s minority policy and the collective pursuit of identity with a focus on the minoritized musical consciousness in uyghur performance especially on the ways in which uyghur musicians encounter modernity under a colonial context this book examines the cultivation of a unique musical deftness that has allowed musicians to move across the various localizing strategies and intercultural practices uyghur musical modernity should not be understood as the passive acceptance of outside influences and certainly not the erasure of indigenous elements and national heritage local traditions and hegemonic influences sometimes appear to be more collaborating than conflicting in that subaltern expressions actively opt to manifest in forms that are dominant and deemed universal this timely and comprehensive analysis spans approximately seven decades of modern uyghur musical life during which musicians and audiences adopted an array of methods experimenting with new identity formations to navigate life as often reluctant chinese citizens

The Big Book of EVEN MORE Therapeutic Activity Ideas for Children and Teens 2015-11-21

on a cold quiet day between christmas and the new year a man s body is found in an abandoned

apartment his friends look on but they're dead too their bodies found in squats and sheds and alleyways across the city victims of a bad batch of heroin they're in the shadows a chorus keeping vigil as the hours pass paying their own particular homage as their friend's body is taken away examined investigated and cremated all of their stories are laid out piece by broken piece through a series of fractured narratives we meet robert the deceased the only alcoholic in a sprawling group of junkies danny just back from uncomfortable holidays with family who discovers the body and futilely searches for his other friends to share the news of robert's death laura robert's daughter who stumbles into the junky's life when she moves in with her father after years apart heather who has her own place for the first time since she was a teenager mike the falklands war vet and all the others theirs are stories of lives fallen through the cracks hopes flaring and dying love overwhelmed by a stronger need and the havoc wrought by drugs distress and the disregard of the wider world these invisible people live in a parallel reality out of reach of basic creature comforts like food and shelter in their sudden deaths it becomes clear they are treated with more respect than they ever were in their short lives intense exhilarating and shot through with hope and fury even the dogs is an intimate exploration of life at the edges of society littered with love loss despair and a half glimpse of redemption
