Meeting Jimmie Rodgers 2009-05-15 in meeting jimmie rogers the first book to explore the deep legacy of the singing brakeman from a twenty first century perspective barry mazor offers a lively look at rogers career tracing his rise from working class obscurity to the pinnacle of renown that came with such hits as blue yodel and in the jailhouse now as mazor shows rogers brought emotional clarity and a unique sense of narrative drama to every song he performed whether tough or sentimental comic or sad his wistful singing falsetto yodels bold flat picking guitar style and sometimes censorable themes sex crime and other edgy topics set him apart from most of his contemporaries but more than anything else mazor suggests it was rogers shape shifting ability to assume many public personas working stiff decked out cowboy suave ladies man that connected him to such a broad public and set the stage for the stars who followed him in reconstructing this far flung legacy mazor enables readers to meet rogers and his music anew not as an historical figure but as a vibrant immediate force

Criminalizing Women, 2nd Edition 2021-01-10T00:00:00Z criminalizing women has become all too frequent in these neo liberal times meanwhile poverty racism and misogyny continue to frame criminalized women s lives criminalizing women introduces readers to the key issues addressed by feminists engaged in criminology research over the past four decades chapters explore how narratives that construct women as errant females prostitutes street gang associates and symbols of moral corruption mask the connections between women s restricted choices and the conditions of their lives the book shows how women have been surveilled disciplined managed corrected and punished and it considers the feminist strategies that have been used to address the impact of imprisonment and to draw attention to the systemic abuses against poor and racialized women in addition to updating material in the introductions and substantive chapters this second edition includes new contributions that consider the media representations of missing and murdered women in vancouver s downtown eastside the gendered impact of video surveillance technologies cctv the role of therapeutic interventions in the death of ashley smith the progressive potential of the inside out prison exchange program and the use of music and video as decolonizing strategies

The Great Turning Point 2004 many people in the church today have the idea that young earth creationism is a fairly recent invention popularized by fundamentalist christians in the mid 20th century is this view correct in fact scholar terry mortenson has done fascinating original research on this subject in england and documents that several leading pre darwin scholars and scientists known as scriptural geologists did not believe in long ages for the earth this book is a thoroughly researched work of reference for every library certainly every creationist library terry mortenson spent much time and work on this project in both the united states and great britain the history of the church and evolution is fascinating and it is interesting to see not only the tremendous influence that evolution has had on the church but on society as well

Emanuel Swedenborg, the spiritual Columbus, by U.S.E. 2nd., revised 1877 the successful reduction of urban air pollution is among the notable achievements of modern environmental law and policy this remarkable study focusing on two of the world s most prominent cases explores how people in the areas of los angeles and beijing tianjin hebei bth established governance processes to combat air pollution and how the major actors in each area worked to make their region a better place to live employing the expertise of teams of knowledgeable environmental law experts from both china and the united states the authors identify and analyze similarities and differences in the respective legal and policy experiences as actors succeeded in greatly improving the air quality of their areas underpinned by a model of environmental governance developed by the authors and presenting an abundance of first hand information from both areas the study finds that despite broad political and cultural differences in both regions three political relations in governance processes emerge as enablers of effective reduction of air pollution relation between regulators and the regulated communities relation between all the supervisory political entities such as legislatures etc and regulators and relation between civil society including news media and

nongovernmental organizations and polluters specific areas of regulation covered include transportation ports energy efficiency utilities oil refineries building efficiency renewable energy coal dependency and optimizing energy structure with its sound replicable model its solid findings and its enlightening conclusions this incomparable work will prove of immeasurable value to administrative authorities and counsel worldwide engaged in combating air pollution moreover its creative methodology is a signal contribution to the comparative study of environmental law and policy

The Lancet 1876 this extensively revised edition of a handbook of comparative social policy provides up to date and valuable insights on key concepts and issues such as globalization crime diversity housing child poverty gender inequality and social policy regimes to write about these topics editor patricia kennett has gathered an excellent team of researchers who deal with both the developing and the advanced industrial world students of comparative social policy would benefit from engaging with this illuminating handbook daniel béland johnsonshoyama graduate school of public policy canada the current context of social policy is one in which many of the old certainties of the past have been eroded the predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state it is in this context that this handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research organized around five themes this thoroughly revised and updated second edition explores the contextual conceptual analytical and processual aspects of undertaking comparative social research the contributions highlight specific areas of comparative social policy including child poverty and well being patterns of housing provision and housing inequalities and social protection in east asia as well as crime and criminology in a global context the authors of the handbook explore continuing and emerging themes as well as issues which are of particular relevance to understanding the contemporary social world international in scope this authoritative handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative and international social research it will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy

Lens Design Fundamentals 2016-10-27 quick read about the mindset needed in pursuit of achieving goals and aspirations great for teens millennials or those who can appreciate a book that is efficient in getting to the point do you feel you are capable of more but can t figure out what is missing would you consider yourself an underachiever do you believe you have plateaued personally professionally if so success is a process not an event will help you maximize your potential so you can lead a life of impact lead the life you deserve and give you the skills to do it now mills mr rodge s neighborhood rodgers shares insights on understanding and mastering the success process through his experiences and insights gained as an educator and veteran who has had to overcome numerous obstacles by the end of success is a process not an event you will have the tools and more importantly the mindset you need to navigate the road to success

The Study of Language 2013-10-18 the sound of broadway music is the first book ever written about the unsung stars of the broadway musical whose work is so vital to each show s success the book examines the careers of broadway s major orchestrators and follows the song as it travels from the composer s piano to the orchestra pit

Routledge Guide to Broadway 2000 this study examines the role of culture in the adoption of measures and strategies for the prevention of hiv aids among girls and women in western kenya it focuses on levels of awareness of hiv aids prevention measures and patterns of adoption of five the measures that are currently being promoted in kenya the use of condoms screening for hiv at voluntary counselling and testing vct centres prevention of mother to child transmission pmtct the use of post exposure prophylaxis pep and the prompt treatment of sexually transmitted infections stis this research is focused on examining the cultural context of hiv aids research and programmes in western kenya and aims to reveal how limited has been the critical analysis of culture as a determinant of adoption of these measures despite the stated prioritization of culture as a key factor to consider

Mon/Fayette Transportation Project, Uniontown to Brownsville Area, Section 4(f) Evaluation/section 404 Permit Application 1956 environmental policy and nepa is a concise study of environmental policy where we have come from what we are facing and where we can go in the future an outgrowth of initiatives taken by the council of environmental quality ceq and edited by the current associate director this publication studies the effectiveness and efficiency of the implementation of the national environmental policy act nepa divided into three main sections part one covers the historical background and trends of nepa part two addresses current substantive and conceptual issues associated with the environmental impact assessment eia process part three discusses future opportunities including impact on humans effective public participation in the eia process and the need for sustainability this excellent reference brings together 28 contributing authors who combine their expertise to address a multitude of topics environmental policy and nepa is mandatory reading for the professional researcher government policymaker activist student or anyone looking for a complete presentation of the eia process

Fifty Years in Every Street 2024-07-15 emergency medicine attendings who wish to hone their teaching skills can find a number of books on educational strategies written by physicians from other disciplines however until the publication of the first edition of this book they did not have access to a text written by emergency medicine physicians on methods of teaching that are directly applicable to teaching em this book was compiled to meet that need following the introductory section which provides important background information the book s contents are organized into 4 sections that correspond to the core needs and interests of em educators section 2 focuses on practical and ethical considerations of teaching in the ed section 3 provides strategies for teaching specific groups of learners section 4 looks at the skills that are characteristic of the best em educators and section 5 looks indepthly at specific teaching techniques and strategies now more than ever this book addresses the needs of physician educators from all over the world new chapters discuss lecturing to an international audience using simulation as a teaching tool how to make journal club work for you and other topics

that are of broad interest to medical educators in this field in general each chapter has been updated and reviewed to make sure the content was something that emergency physician educators could use in any country the chapter contributors are widely regarded as leaders in the field of emergency medicine education and faculty development authors were given free rein to develop their chapters and write in their own style they were asked to present their personal views on how to successfully teach the art of emergency medicine rather than review evidence based guidelines regarding medical education as a result most of the chapters have few references this first person approach to a multi authored textbook yields a compilation that varies in style from chapter to chapter and exposes the reader to a variety of communication techniques

Say It with a Beautiful Song 2014-06-15 this book presents a moderately revisionist history of the great books idea anchored in the following movements and struggles fighting anti intellectualism advocating for the liberal arts distributing cultural capital and promoting a public philosophy anchored in mid century liberalism that fostered a shared civic culture
