1941 and the differing perspectives accompanying it hawaii 7th december 1941 shortly before 8 in the morning japanese torpedo bombers launch a surprise attack on the us pacific fleet anchored in pearl harbor the devastating attack claims the lives of over 2 400 american soldiers sinks or damages 18 ships and destroys nearly 350 aircraft the us congress declares war on japan the following day in this vivid and lively book takuma melber breathes new life into the dramatic events that unfolded before during and after pearl harbor by putting the perspective of the japanese attackers at the centre of his account this is the dimension commonly missing in most other histories of pearl harbor and it gives melber the opportunity to provide a fuller more definitive and authoritative account of the battle its background and its consequences melber sheds new light on the long negotiations that went on between the japanese and americans in 1941 and the confusion and argument among the japanese political and military elite he shows how us intelligence and military leaders in washington failed to interpret correctly the information they had and to draw the necessary conclusions about the japanese war intentions in advance of the attack his account of the battle itself is informed by the latest research and benefits from including the planning and post raid assessment by the japanese commanders his account also covers the second raid in march 1942 by two long range seaplanes which was intended to destroy the shipyards so that ships damaged in the initial attack could not be repaired this balanced and thoroughly researched book deepens our understanding of the battle that precipitated america s entry into the war and it will appeal to anyone interested in world war ii and military history from all strategic tactical and logical perspectives the japanese attack on pearl harbor remains baffling at best and some find it so irrational as to be deemed insane this investigation into the seemingly inexplicable motive for japan s specific manner of engaging war with the united states digs deeply into the politics and circumstances leading up to and surrounding the tragic and confusing

event why did the japanese begin the war in such a provocative way the textbooks write that their leaders were desperate because the united states cut off their oil supply leaving them with three alternatives starve surrender or invade the dutch east indies and take oil fields by force but maybe there were more than three alternatives something caused this attack to launch in spite of the advice of nearly every senior navy officer find out what that something might have been back cover provides a detailed account of the pearl harbor attack and the war in the pacific covers the dramatic events of december 7 1941 chronicles america s victory over japan and explores the legacy of pearl harbor includes a narrative overview biographies primary source documents and other helpful features teaches important dates and facts about the surprise attack on pearl harbor on december 7 1941 based on the latest research describes previously unknown aspects of the japanese surprise attack on the united states naval base at pearl harbor which resulted in the deaths of more than 2 000 american officers and servicemen and an immediate declaration of war on japan relates the events that led up to the japanese attack on pearl harbor on december 7 1941 and describes the air attack and its immediate aftermath this compelling resource chronicles the memorable events of december 7 1941 the day that japan attacked pearl harbor provoking the united states into entering world war ii readers will see the attack through the eyes of survivors such as donald kirby ross the first wwii era recipient of the medal of honor and lee embree who took the first air to air photos of japanese planes and pilots in the attack beyond pearl harbor the ni ihau incident and the assault on oahu s airfields are also explained on december 7 1941 the course of u s history changed forever with the bombing of pearl harbor three weeks prior japanese special envoy to the united states saburo kuruusu visited washington in an attempt to further peace talks between japan and america and spare his country the loss he knew would occur if a war began but as he reported working for peace is not as simple as

starting a war for more than seventy years many have unfairly viewed kurusu and his visit as part of the pearl harbor plot editors j garry clifford and masako r okura seek to dispel this myth with their edition of kurusu s memoir the desperate diplomat kurusu published his personal memoir in 1952 in japanese describing his efforts to prevent war between the two nations his total lack of knowledge regarding the pearl harbor attack and what might have been had he been successful in his endeavor for peace while offering an exclusive perspective on the japanese reaction to the attack however the information contained in his memoir was unavailable to most of the world save those fluent in japanese because it had never been published in another language with the discovery of kurusu s own english memoir his story can finally be told to a wider audience clifford and okura have used both the japanese and english memoirs and added an introduction and annotations to kurusu s story making the desperate diplomat an essential look at an event that remains controversial in the history of both nations anyone who takes interest in the history of pearl harbor cannot afford to omit this previously unavailable information from their library examines events and japanese naval code transmissions preceding the attack on pearl harbor to raise new questions concerning winston churchill s advance knowledge of the attack in this extremely vivid account of the pearl harbor attack michael slackman takes us right through the course of events he starts by scrutinising the circumstances and decisions that prompted the attack and left the united states so unprepared looking at japan s objectives in south east asia the political and economic developments which drew them into conflict and at american strategic thought the core of the book however concerns the events of 7 december 1941 itself as seen through the eyes of both japanese and american participants slackman recounts the experiences of these people and included stories and anecdotes from over a hundred interviews with survivors his use of contemporary documents and firsthand

personal accounts presents us with a remarkably intense and detailed telling of the attack he goes on to examine the aftermath of pearl harbour and all its consequences while it was a short term success for the japanese the attack led to the end of american isolationism and changed the course of the war with its central focus on the unfolding human drama and its succinct analyses of the events before and after the attack target pearl harbor is an absorbing and detailed account of one of the most significant days of the second world war explores the causes and effects of the battle and provides first hand accounts from the people who were there including japanese and americans military and civilian before dawn breaks over the pacific young japanese pilots don the scarfs of ancient warriors and in the early light of sunday morning an american radarman picks up an approaching air force only to be told by his superiors that the planes are u s b 27s a few hours later pearl harbor is in flames and america s naval fleet lies in bloodied ruins this title examines the bombing of pearl harbor focusing on the events leading up to the attack a detailed account of the attack itself and the effects the attack had on the united states compelling narrative text and well chosen historical photographs and primary sources make this book perfect for report writing features include a glossary a selected bibliography websites source notes and an index plus a timeline and essential facts aligned to common core standards and correlated to state standards essential library is an imprint of abdo publishing a division of abdo details the japanese thought process leading up to during and after the attack that changed the world president franklin d roosevelt called december 7 1941 a date which will live in infamy early that morning hundreds of japanese fighter planes unexpectedly attacked the u s naval base at pearl harbor hawaii more than 2 000 americans were killed and the battleships of the pacific fleet lay in ruins the brutal attack launched the united states into war a conflict that engulfed the world this account of the pearl harbor attack denies that the lack of preparation resulted from

military negligence or a political plot. Nothing previously published has offered such a close examination of Japanese strategy, an in-depth study of the Japanese planning, preparation, and execution of the attack with particular focus on factors not thoroughly considered by other historians. If at all, detailed analyses that lead to a much better understanding of what the Japanese did, why they did it, and especially how the attack was very nearly an abject failure instead of a stunning success.

Naval Institute Proceedings for seven decades, conventional wisdom has extolled the Japanese attack on Pearl Harbor as brilliant in its planning and execution. This masterful analysis topples that pillar of Pacific War history with its amazing depth of meticulous research and analysis. This forceful book is essential reading for anyone with a serious interest in Pearl Harbor, World War II, the first militarily professional description of the Pearl Harbor attack, and for those who are serious about military history and operations. It is a joy to read a superb military analysis of the attack that not only renders all other histories of Pearl Harbor obsolete, it has set the bar high for other histories of the Pacific War.

War in History, Vol. 13, No. 4, December 2005. America's national consciousness and confidence were rocked as the first wave of Japanese warplanes took aim at the U.S. Naval Fleet stationed at Pearl Harbor. As intense and absorbing as a suspense novel, *At Dawn We Slept* is the unparalleled and exhaustive account of the Japanese bombing of Pearl Harbor. It is widely regarded as the definitive assessment of the events surrounding one of the most daring and brilliant naval operations of all time. Through extensive research and interviews with American and Japanese leaders, Gordon W. Prange has written a remarkable historical account of the assault that sixty years later America cannot forget. Franklin D. Roosevelt famously called December 7, 1941, a date which will live in infamy. History would prove him correct. The events of that day, when the Japanese bombed Pearl Harbor, ended the Great Depression, changed the course of FDR's presidency, and swept America into World War II. In *Pearl Harbor*, acclaimed

historian steven m gillon provides a vivid minute by minute account of roosevelt s skillful leadership in the wake of the most devastating military assault in american history fdr proved both decisive and deceptive inspiring the nation while keeping the real facts of the attack a secret from congressional leaders and the public pearl harbor explores the anxious and emotional events surrounding the attack on pearl harbor showing how the president and the american public responded in the pivotal twenty four hours that followed a period in which america burst from precarious peace into total war a brief narrative of the bombing of pearl harbor on december 7 1941 marking america s entrance into world war ii examines world war ii in the pacific including the causes of the war between japan and the united states the important battles and leaders life for soldiers and life on the homefront and how the war ended provided by publisher in graphic novel format tells the story of the bombing of pearl harbor on december 7 1941 and the united states reaction to the event how pearl harbor has been written about thought of and manipulated in american culture the events leading up to pearl harbor are detailed and the idea that perhaps this attack could have been prevented
