herbert mccabe was one of the most original and creative theologians of recent years continuum has published numerous volumes of unpublished typescripts left behind by him following his untimely death in 2001 this book is the sixth to appear mccabe was deeply immersed in the philosophical theology of st thomas aquinas and was responsible in part for the notable revival of interest in the thought of aquinas in our time here he tackles the problem of evil by focusing and commenting on what aquinas said about it what should we mean by words such as good bad being cause creation and god these are mccabe s main questions in seeking to answer them he demonstrates why it cannot be shown that evil disproves god s existence he also explains how we can rightly think of evil in a world made by god mccabe s approach to god and evil is refreshingly unconventional given much that has been said about it of late yet it is also very traditional it will interest and inform anyone seriously interested in the topic

Of Love and Evil

2010

tomas sedlacek has shaken the study of economics as few ever have named one of the young guns and one of the five hot minds in economics by the yale economic review he serves on the national economic council in prague where his provocative writing has achieved bestseller status how has he done it by arguing a simple almost heretical proposition economics is ultimately about good and evil in the economics of good and evil sedlacek radically rethinks his field challenging our assumptions about the world economics is touted as a science a value free mathematical inquiry he writes but it s actually a cultural phenomenon a product of our civilization it began within philosophy adam smith himself not only wrote the wealth of nations but also the theory of moral sentiments and economics as sedlacek shows is woven out of history myth religion and ethics even the most sophisticated mathematical model sedlacek writes is de facto a story a parable our effort to rationally grasp the world around us

economics not only describes the world but establishes normative standards identifying ideal conditions science he claims is a system of beliefs to which we are committed to grasp the beliefs underlying economics he breaks out of the field s confines with a tour de force exploration of economic thinking broadly defined over the millennia he ranges from the epic of gilgamesh and the old testament to the emergence of christianity from descartes and adam smith to the consumerism in fight club throughout he asks searching meta economic questions what is the meaning and the point of economics can we do ethically all that we can do technically does it pay to be good placing the wisdom of philosophers and poets over strict mathematical models of human behavior sedlacek s groundbreaking work promises to change the way we calculate economic value

God and Evil

2010-02-26

good and evil are as old as ethics or morality itself for without an understanding of religious or philosophical ethics the moral existence of good and evil would be impossible to comprehend the term good for example would be exclusively a matter of subjective personal likes and dislikes in other words a mere matter of taste differing from individual to individual with no real obligation to the public good or safety as it currently stands in philosophy for instance the term good may be understood as engaging in righteous conduct the term good may also be understood as an object that corresponds and fulfills natural needs inherent in human nature these natural needs for example which are deeply rooted in human nature manifest themselves in our human desire for life liberty and the pursuit of happiness among other things in these two senses the term good is an objective universal value based on the reality of man by man i mean human beings everywhere of course from natural needs we derive the doctrine of human rights it logically follows that the things we have a natural human need for we as human beings also have a natural right to this idea is not only used in the real world that you and i live in it is also used in the storyteller s world of fiction or imaginary literature anything working to defeat or frustrate the good in the real world or in the storyteller s world is judged evil this is of the utmost importance to those who believe in right and wrong for right and wrong always follow good and evil society can never know what right or wrong is in the domain of social human affairs without first knowing what is good and what is evil and what makes it so in trapped between the extremes of good and evil we enter a fictional world and explore the phenomenon of good and evil through the actions of an international serial killer angels and demons one twin brother s hatred of the other and a san francisco detective caught in the middle of it all

Trapped Between the Extremes of Good and Evil

2006-10

beyond good and evil confirmed nietzsche s position as the towering european philosopher of his age the work dramatically rejects the tradition of western thought with its notions of truth and god good and evil nietzsche demonstrates that the christian world is steeped in a false piety and infected with a slave morality with wit and energy he turns from this critique to a philosophy that celebrates the present and demands that the individual imposes their own will to power upon the world frederich

nietzsche 1844 1900 became the chair of classical philology at basel university at the age of 24 until his bad health forced him to retire in 1879 he divorced himself from society until his final collapse in 1899 when he became insane a powerfully original thinker nietzsche s influence on subsequent writers such as george bernard shaw d h lawrence thomas mann and jean paul sartre was considerable

Good and Evil Made One

1877*

evil has many names satan beelzebub lucifer but for father gabriel martin these names pale beside lucinda father martin is given a direct order by god destroy an evil child one who could bring about the downfall of mankind the child s name is lucinda a seed of satan himself but father martin fails in his task unable to slaughter what appears to be an innocent for punishment he is banished to walk the earth for five hundred years casting evil back to hell until his penance is paid father martin does his job well he fights the evil and serves the god he betrayed even so there is another purpose to his wandering father martin seeks lucinda escaped and still alive in order to set his indiscretion right and finally redeem himself from worldly damnation james mcafee s evil has a name is a terrifying journey into an unseen supernatural battle between good and evil father martin will stop at nothing in his hunt for the seductive lucinda he chases her around the world never stopping never ceasing he has seen evil on the face of the earth and he will fight to send darkness back to hell perhaps even at the price of his own soul

Beyond Good and Evil by Friedrich Nietzsche - Delphi Classics (Illustrated)

2017-07-17

i am delighted to offer my highest praise to dean cocking and jeroen van den hoven s brilliant new book evil online the confrontation between good and evil occupies a central place in the challenges facing our human nature and this creative investigation into the spread of evil by means of all powerful new technologies raises fundamental questions about our morality and values cocking and van den hoven s account of the moral fog of evil forces us to face both the demons within each of us as

well as the demons all around us in the end we are all enriched by their perceptive analyses phil zimbardo professor emeritus of psychology stanford university principal investigator stanford prison experiment the internet offers new and deeply concerning opportunities for immorality much of it shocking and extreme this volume explains with great insight and clarity the corrupting nature of the internet and the moral confusion it has produced it will play a vital role in the growing debate about how to balance the benefits of the internet against the risks it poses to all of us evil online is an excellent book roger crisp professor of moral philosophy university of oxford we now live in an era defined by the ubiquity of the internet from our everyday engagement with social media to trolls on forums and the emergence of the dark web the internet is a space characterized by unreality isolation anonymity objectification and rampant self obsession the perfect breeding ground for new unprecedented manifestations of evil evil online is the first comprehensive analysis of evil and moral character in relation to our increasingly online lives chapters consider traditional ideas around the phenomenon of evil in moral philosophy and explore how the dawn of the internet has presented unprecedented challenges to older theoretical approaches cocking and van den hoven propose that a growing sense of moral confusion moral fog pushes otherwise ordinary normal people toward evil doing and that values basic to moral life such as autonomy intimacy trust and privacy are put at risk by online platforms and new technologies this new theory of evil doing offers fresh insight into the moral character of the individual and opens the way for a burgeoning new area of social thought a comprehensive analysis of an emerging and disturbing social phenomenon evil online examines the morally troubling aspects of the internet in our society written not only for academics in the fields of philosophy psychology information science and social science evil online is accessible and compelling reading for anyone interested in understanding the emergence of evil in our digitally dominated world

Evil Has a Name

2010-11

evil in scripture denotes both suffering and behavior that causes it anger often follows suffering anger at people is condemned but anger at god is accepted because biblical faith portrays god as inflicting evil this faith calls for an understanding of language about god acting and a biblical theodicy revealing god's goodness both are provided portrayals of god as inflicting evil do not deny that factually humans inflict it so the witness about human sin is included final chapters offer biblical deliverances from evil

ideas of good and evil by william butler yeats is a collection of essays about art written during the late 19th and early 20th centuries in the book yeats shares thoughts on symbolism versus allegory art as the theatre of commerce versus art as a great passion he also touches on the mystery of what makes great art rather than popular art by comparing the artistic life with the spiritual life of the religious mystic an exciting collection of brilliant writing for everyone interested in the history of arts and culture

The School for Good and Evil 3-Book Collection: The Camelot Years

2020-06-02

it begins with a shocking unsolved murder in small town in southern illinois the butchered body of linda balfour with a cryptic code printed in blood on the back of her head forges a gruesome link to the brutal murder of bishop rushman the beloved chicago clergyman who had been dismembered years before by the angelic looking altar boy aaron stampler the same aaron stampler whom defense attorney martin vail saved from the electric chair now vail is chicago s chief prosecutor facing the nightmare of his life if stampler has been locked away in a high security institution for the past ten years how could he have killed linda balfour then another altar boy turns up dead with a similar inscription in blood on the back of his head if aaron stampler isn t committing these killings who is martin vail s career maybe even his life hangs on the

answer

Adam and Evil

2013-01-22

roger kennedy has written a masterful investigation into the concept of evil he begins with a general view of the subject before moving into more detailed analysis first is a review of the science of evil including evidence from neuroscience and social psychology this is followed by psychoanalytical studies of the individual and groups before presenting an overview of the philosophy of evil also included are historical and social studies which inform an understanding of evil in action kennedy goes on to examine the nature of genocide using a main focus on the holocaust and of slavery both of these journeys to evil remain relevant for understanding contemporary society and issues the nazi past continues to disturb and resonate decades on the politics and social fabric of western society was reliant on slavery as a foundation of economic wealth and is haunted by its inability to process the harsh reality of slavery and its continuing after effects kennedy moves from there to a discussion on the genius of shakespeare and his encapsulation of the essential features of how evil can develop and take over a person s inner world the book concludes with a summary of the main themes and a look at those who have resisted evil and what we can learn from them if we are to build a society that can resist the forces of evil the book is informed by a psychoanalytic approach with its emphasis on the power and influence of unconscious processes underlying human actions and on the role of inner conflicting and elemental fears and anxieties often driving individual and group behaviours it brings fresh insight to an eternal discourse

Evil and the Problem of Jesus

2023-02-02

beyond good and evil prelude to a philosophy of the future is a book by philosopher friedrich nietzsche that expands the ideas of his previous work thus spoke zarathustra with a more critical and polemical approach it was first published in 1886

a new approach to the understanding of neurotic disease

Beyond Good and Evil Illustrated

2021-04-10

issue two of the dichotomy of evil covers the court case and ramifications which followed the release of edition one before the universe had been created before time even existed god had spent too much time in solitude he could not go on he decided to put his loneliness behind him he would encapsulate this vast all consuming negative emotion and set his soul free once the emotion had been encapsulated god s mind was suddenly released from his suffering his relief was immense god looked once more into the void as far as he could see in all directions and he found that he was still alone god then looked into himself and saw something amazing the part of his mind that he had used to encapsulate the loneliness had started to heal itself it was starting to behave like a mind in its own right a mind within a mind a mind filled with one vast over powering negative emotion the demon genesis had started on a deeper level the author has used this horror novel as a vehicle to explore why good and evil exist warning this book contains scenes of sex violence rape and homosexual rape and may be considered religious heresy

Surviving Evil in a Depraved Society

2013-08-27

one of the greatest books of a very great thinker michael tanner beyond good and evil confirmed nietzsche s position as the towering european philosopher of his age the work dramatically rejects traditional western thought with its notions of truth and god good and evil nietzsche seeks to demonstrate that the christian world is steeped in a false piety and infected with a slave morality with wit and energy he turns from this critique to a philosophy that celebrates the present and demands that the individual impose their own will to power upon the world translated by r j hollingdale with an introduction by michael tanner

Evil and Evolution: A Theodicy

2004-08-18

in the 21st century the concept of ethics may seem outdated or obsolete but in reality ethics is the omnipresent ongoing discussion going on in our global communities today systematically people condemn sanction demonize and freely judge one another as a result by addressing the simplest of questions how do we act and what do we think of others laws are legislated and the moral code is created but what is morality exactly and how does the moral code shape the story of our lives written from the perspective of a social psychologist the psychology of good and evil explores the answers to these big questions in fascinating detail all while illuminating the inner workings of the human mind human nature and the foundations of our beliefs

Good and Evil

1995

it describes my experiences imaginatively the memories of a good in the land of evil this book is the first handbook about being contemporary and personal diary written by me the calm of well being of inventions the three dimensional aspects of concrete and human objects for a research in individual thought a work that frees from stylistic commitments mistakes are everyone s the present must be represented but without the fear of having made a bigger mistake than the previously accepted silence by choosing a speech it promises a definitive daily solution to rhetorical historical art diary written in a simple way a textual form to fill even an absence of complete information about the right to good which characterizes an insensitivity in public and journalistic publications a phenotype inclusive of modern material christian and arabic objectivity it wants to represent a door to the future a new party the period of the eighteen letters contained reaches from august 2005 to march 2007
