travel time calculator

May 30 2023

travelmath provides an online travel time calculator to help you figure out flight and driving times you can compare the results to see the effect on the total duration of your trip usually the flight time will be shorter but if the destination is close the driving time can still be reasonable

flight time calculator travelmath

Apr 28 2023

calculate your flight mileage between airports cities or countries to estimate frequent flyer miles and travel times using the great circle formula as the crow flies

belmont at saratoga means shortening the 3rd triple crown

Mar 28 2023

there have been 36 triple crown eligible horses heading into the belmont and only 13 have secured the third jewel this year with it happening at saratoga race course instead of belmont park the shape of the track makes it implausible to run it at 1½ miles so it s being shortened to 1¼ miles the same distance

as the kentucky derby
