Handbook for Research in American History 1994

discover the remarkable history of the united states of america seven books in one american revolution war of 1812 american civil war the great depression pearl harbor the space race vietnam war so if you want a concise and informative book on the history of the united states of america simply click the buy now button for instant access american revolution the american revolution which took place between 1765 and 1783 was an uprising by british colonists in north america against the rule of great britain the colonists were fighting for rights they felt they deserved not only as british citizens but as human beings war of 1812 in 1812 americans held two distinctly different visions of their country some saw growing production manufactures trade and merchant ships traversing the globe bringing a vast array of staple and luxury goods to commercial centers and riches to american captains living in cities like the capitals of europe others saw a vast agrarian paradise spreading from the eastern coast into the western wilderness where innumerable american farmers and their families could be independent and equal free of government

impediments and corruption american civil war beginning with the birth of the nation slavery divided and caused conflict for the united states of america worsening during the country s early decades as the practice became more economically vital finally in 1861 the american civil war erupted after the election of president abraham lincoln the great depression the great depression was one of the most trying eras in american history all aspects of the united states were affected after the stock market crash of 1929 the nation was thrust into a decade of turmoil and change in government the economy and culture many of the changes brought about by the great depression remain today pearl harbor president franklin d roosevelt described december 7 1941 the date when the japanese launched a surprise attack against the united states while the two countries were still officially at peace as a day that would live in infamy the action hurled the united states into the global conflict of world war ii a violent conflagration that the nation fiercely isolationist had intended to ignore the space race during fourteen years from 1955 to 1969 the soviet union and the united states of america were engaged in a dramatic race against each other to conquer space this period encompassed dramatic victories humbling defeats and more than one tragedy vietnam war the vietnam war remains one of the most iconic events of the twentieth century in the united states it polarized public opinion and changed foreign policy it destroyed the presidency of lyndon johnson and was the catalyst for a massively impactful protest movement more importantly in vietnam as well as surrounding areas it caused untold destruction death and suffering
