How To Identify Your Soulmate 2004 does your heart and soul call out for someone special with whom to share your life's path yet you find yourself repeating the same heartbreaking dramas with the same type of people? If you are weary of the disappointment, pain, and desperation in the search for love, it's time to try a fresh approach. Annette Vaillancourt, Ph.D., has helped lovers find each other and stay together for over 24 years. In her work, she employs emotional freedom technique (EFT), a simple tool that quickly and easily puts you in energetic connection with your soulmate. Discover how to start your soulmate relationship today, release old emotional baggage that weighs you down, commit to having what your heart and soul really needs, attract new and different types of partners, transform yourself into the person your soulmate finds irresistible, not just a manual on how to manifest your soulmate but a deep work that will create transformation throughout your life.

The Soul-mate Marriage 2008 Rita Rogers finds her clients come to her for two reasons: to find out about those close to them who have passed over or who, where, and when they will meet the partner of their dreams. Rita believes that we are all destined to spend our lives with one special person, our soul mate. Between soul mates exists a spiritual and emotional bond which transcends all things. A soul mate may become your partner, they may be a special friend, and they may even be someone you may not meet in this life but who may help you to find fulfilling relationships. This book is not just for people who are looking for love; it is also for those who have found it, for those who have met their soul mate but not realized it, for those who are forced to live without their true love, and for those whose soul mates have passed away. Through the real stories of everyday people, Rita will reveal to you a world of love you never knew existed.

Soul Mate Soul Family 2010-03 Iris Gattegno Tarbuk, a well-known spiritual medium, a soul reader, a person who can see deeper and farther who is close to the otherworld, shows in this book that the ideal of genuine true love can be achieved by everybody for the first time. In the book form, Iris shares her unique insights into love, how to achieve, recognize, enjoy, and how to keep it. Iris speaks about the spiritual nature of love between a man and a woman, the love which only a medium can see both in the known and the other world. In the eternal journey of searching for and finding soul mates, she speaks of happy and unhappy long and short destinies and contacts of lovers and their carnal union with energies exchange through sex, which is the most powerful magic existing in the universe. This book is food for the soul, inspirational and meditative reading, and a manual with concrete advice too to the unloved, lonely, left, and to those deprived of their loved partner by death. Iris gives instructions, prayers, and meditations how to cleanse their hearts and find their true love, how to remain in the relationship, to the couples who love each other, she gives advice how to cherish and nourish their love, how to keep their relationship happy, speaking about love, Iris primarily discriminates between true love and love delusions. True love joins soul mates and brings them life, happiness, while love delusions result in misery, sadness, distress, disappointed people, destroyed families, and unhappy children. When she talks about adultery and forgiveness about marriage triangles and other temptations in love, she overcomes moralizing, politicizing, and debating resulting from different perspectives. This book primarily aims at helping all people to find their true love regardless of their world view, religious persuasion, sexual orientation, sex, age, appearance, health, nationality. Through pages of this book, she communicates her spiritual insights to her readers and develops her spiritual experience, giving concrete instructions how to attract the person with whom such love is possible, how to meet one's soul mate. The central theme of this book is the concept of love; love is perfect both in its content and form. It does not allow for any calculations and limitations. In this book, Iris answers two key questions about happiness in life: how to find love and how to keep it.
