English Verb Classes and Alternations 1891

in this rich reference work beth levin classifies over 3 000 english verbs according to shared meaning and behavior levin starts with the hypothesis that a verb s meaning influences its syntactic behavior and develops it into a powerful tool for studying the english verb lexicon she shows how identifying verbs with similar syntactic behavior provides an effective means of distinguishing semantically coherent verb classes and isolates these classes by examining verb behavior with respect to a wide range of syntactic alternations that reflect verb meaning the first part of the book sets out alternate ways in which verbs can express their arguments the second presents classes of verbs that share a kernel of meaning and explores in detail the behavior of each class drawing on the alternations in the first part levin s discussion of each class and alternation includes lists of relevant verbs illustrative examples comments on noteworthy properties and bibliographic references the result is an original systematic picture of the organization of the verb inventory easy to use english verb classes and alternations sets the stage for further explorations of the interface between lexical semantics and syntax it will prove indispensable for theoretical and computational linguists psycholinguists cognitive scientists lexicographers and teachers of english as a second language

The New York Supplement 1998

cases argued and determined in the court of appeals supreme and lower courts of record of new york state with key number annotations varies

Statistics for Management 1991-07-24

On Psychological Prose 1891

comparable in importance to mikhail bakhtin lydia ginzburg distinguished herself among soviet literary critics through her investigation of the social and historical elements that relate verbal art to life in a particular culture her work speaks directly to those western critics who may find that deconstructionist and psychoanalytical strategies by themselves are incapable of addressing the full meaning of literature here in her first book to be translated into english ginzburg examines the reciprocal relationship between literature and life by exploring the development of the image of personality as both an aesthetic and social phenomenon showing that the boundary between traditional literary genres and other kinds of writing is a historically variable one ginzburg discusses a wide range of western texts from the eighteenth century onward including familiar letters and other historical and social documents autobiographies such as the memoires of saint simon rousseau s confessions and Herzen s my past and thoughts and the novels of Stendhal Flaubert Turgenev and Tolstoy a major portion of the study is devoted to Tolstoy s contribution to the literary investigation of personality especially in his epic panorama of Russian life war and peace and in Anna Karenina

Civil Procedure Reports 1891

widely considered a pinnacle in realist fiction tolstoy considered anna karenina his first real novel and dostoevsky declared it to be flawless as a work of art his opinion was shared by vladimir nabokov who especially admired the flawless magic of tolstoy s style and by william faulkner who described the novel as the best ever written the novel is currently enjoying enormous popularity as demonstrated by a recent poll of 125 contemporary authors by j peder zane published in 2007 in the top ten which declared that anna karenina is the greatest novel ever written plot a bachelor vronsky is willing to marry her if she would agree to leave her husband karenin a government official but she is vulnerable to the pressures of russian social norms her own insecurities and karenin s indecision although vronsky eventually takes anna to europe where they can be together they have trouble making friends back in russia she is shunned becoming further isolated and anxious while vronsky pursues his social life despite vronsky s reassurances she grows increasingly possessive and paranoid about his imagined infidelity about the maude translation the translation by aylmer maude 1858 1938 and louise shanks maude 1855 1939 is highly considered by scholars this unabridged and annotated translation from the original russian by louise and aylmer maude was originally published in 1918 the maudes are classical translators of leo tolstoy who worked directly with the author and gained his personal endorsement

The New York State Reporter 1891

sharply funny look at provincial prejudice set in the area that has variously been west prussia poland livonia and in 1974 part of germany

The New York State Reporter 2005-08-16

the earth through time 11th edition by harold l levin and david t king chronicles the earth s story from the time the sun began to radiate its light to the beginning of civilization the goal of the earth through time is to present the history of the earth and the science behind that history as simply and clearly as possible the authors strived to make the narrative more engaging to convey the unique perspective and value of historical geology and to improve the presentation so as to stimulate interest and enhance the reader s ability to retain essential concepts long after the final exam

Financial Econometrics 2008-01-01

the 1 new york times bestselling book for many weeks jack levin

presents a beautifully designed account of george washington s historic crossing of the delaware river and the decisive battle of trenton with a foreword by his son 1 new york times bestselling author and radio host mark r levin with the warm hearted patriotism and passion he brought to his beautiful volume abraham lincoln s gettysburg address illustrated jack e levin illuminates a profound turning point of the american revolution the decisive battle of trenton and its prelude general george washington leading his broken and ailing troops in a fleet of small wooden boats across the ice encased delaware river while one iconic nineteenth century painting made the crossing a familiar image the significance of the against all odds victory put into motion on christmas night 1776 cannot be told enough jack levin brings to light several vital perspectives and draws his text from general washington s letter to the continental congress to describe the amazing account of the unlikely defeat of the hessian army at trenton as a father jack levin inspired his sons including mark levin and douglas and robert with his love for america around the family table he would share the facts and events of the nation s founding spark lively debates and pass along his extensive knowledge and his deep and abiding patriotism featuring revolution era artwork portraiture and maps george washington the crossing imparts the same vivid intimate telling that of a father to his sons the kind of history lesson that lives in the heart forever

Levin and O'Neal's the Diabetic Foot 1894

for nearly three quarters of a century the modernist way of reading has been the only way of reading joyce useful yes and powerful but like all frameworks limited this book takes a leap across those limits into postmodernism where the pleasures and possibilities of an unsuspected joyce are yet to be found kevin j h dettmar begins by articulating a stylistics of postmodernism drawn from the key texts of roland barthes mikhail bakhtin and jean francois lyotard read within this framework dubliners emerges from behind its modernist facade as the earliest product of joyce s proto post modernist sensibility dettmar exposes these stories as tales of mystery not mastery despite the modernist earmarks of plentiful symbols allusions and epiphanies ulysses too has been inadequately served by modernist critics where they have

emphasized the work's ingenious homeric structure. Dettmar focuses instead upon its seams, those points at which the narrative willfully joyfully overflows its self-imposed bounds. Finally, he reads a portrait of the artist and Finnegans Wake as less playful, less daring texts, the first constrained by the precious, would-be poet at its center, the last marking a surprising retreat from the constantly evolving, vertiginous experience of Ulysses.

The Revised Reports 1894

Although Levin still bought his freedom, his wife had to take hers by running away. Countless other blacks did the same via the underground railroad, and scores of them were helped in Philadelphia by Levin's youngest son, William. Still, this fearless man was executive secretary of the city's anti-slavery society. In this position, he kept meticulous records of the fugitives he aided and sent on to Canada. In 1872, almost a decade after emancipation, he organized his accounts and published one of the major documents of the times, *The Underground Railroad*. Lurey Kahn, whose mother was the granddaughter of William's brother, describes still his lifelong efforts on behalf of his fellow blacks. As she quotes liberally from his own remarkable records, William still died in 1902, a prominent Philadelphian.

The Revised Reports 1996

A collection of short articles by Levin published between 1966-79 in various British newspapers. Two of them, pp. 48-56, deal with the trial against Dr. Mikhail Stern held in Vinnitsa in 1974. The trial had antisemitic overtones. The article, *J is for Jew*, pp. 210-213, reflects on the struggle by Marcus Shloimovitz to exclude negative connotations of the word Jew from English dictionaries. *Unholy Passions at Oberammergau*, pp. 214-217, reflects on the antisemitic deicide charge in the Oberammergau Passion Play.

discover the secrets of successful teacher leadership whether you're a teacher who's ready to take on new roles or an administrator looking to develop strong leaders this content driven handbook is here to help you make distributed school leadership a reality inside you'll find specific how-tos for the essential skills teacher leaders need most running meetings teaching colleagues providing feedback conducting needs assessments delivering effective professional development resolving conflicts employing technology and more the book features well tested content and activities reflective writing prompts scenarios for discussion self evaluations two companion guides one for teachers and one for administrators

The Earth Through Time 2013-06-04

an extensive study of the origins and culture of the mysterious huns and the civilizations affected by their invasions the first part of the book deals with the political history of the huns however they are not a narrative the second part of the book consists of monographs on the economy society warfare art and religion of the huns what distinguishes these studies from previous treatments is the extensive use of archaeological material this title is part of uc press's voices revived program which commemorates university of california press's mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1973

George Washington: The Crossing 1890

the 1880s were a critical time in cameroon a german warship arrived in the douala estuary and proclaimed cameroon a protectorate at that time two swedes knutson and waldau were living on the upper slopes of the cameroon mountain very little is known about their activities one knutson wrote a long memoir of his time in cameroon 1883-1895 which is published here for the first time it gives fascinating insights into

everyday life in cameroon and into the multifaceted relationships among the various europeans and between them and the africans at the end of the 19th century we learn about the swedes quarrels first with the germans and later with the british over land purchases thus revealing the origins of long on going disputes over bakweri lands we are given vivid descriptions of bakweri notables and their and the europeans cultural practices a rare eye witness account of the sasswood witchcraft ordeal and learn about knutson s friendships with slaves together with appended contemporary correspondence legal opinions and early translated texts this memoir must be considered as a unique and invaluable primary source for the pre colonial history of cameroon

New York Journal of Homœopathy 1996

anne frank s diary has been acclaimed throughout the world as an indelible portrait of a gifted girl and as a remarkable document of the holocaust for meyer levin the respected writer who helped bring the diary to an american audience the jewish girl s moving story became a thirty year obsession that altered his life and brought him heartbreaking sorrow lawrence graver s fascinating account of meyer levin s ordeal is a story within a story what began as a warm collaboration between levin and anne s father otto frank turned into a notorious dispute that lasted several decades and included litigation and public scandal behind this story is another one man s struggle with himself as a jew and as a writer in postwar america looming over both stories is the shadow of the holocaust and its persistent complex presence in our lives graver s book is based on hundreds of unpublished documents and on interviews with some of the levin frank controversy s major participants it illuminates important areas of american culture publishing law religion politics and the popular media the red scare anti mccarthyism and the commercial imperatives of broadway are all players in this book along with the assimilationist mood among many jews and the simplistic pieties of american society in the 1950s graver also examines the different and often conflicting ways that people the world over jewish and gentile wanted anne frank and her much loved book to be represented that her afterlife has in extraordinary ways taken on the shape and implications of myth makes graver s story and meyer levin s even more compelling

this title is part of uc press s voices revived program which commemorates university of california press s mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1995

The Illicit Joyce of Postmodernism 1980

the romance languages and dialects constitute a treasure trove of linguistic data of profound interest and significance data from the romance languages have contributed extensively to our current empirical and theoretical understanding of phonetics phonology morphology syntax semantics pragmatics sociolinguistics and historical linguistics written by a team of world renowned scholars this handbook explores what we can learn about linguistics from the study of romance languages and how the body of comparative and historical data taken from them can be applied to linguistic study it also offers insights into the diatopic and diachronic variation exhibited by the romance family of languages of a kind unparalleled for any other western languages by asking what romance languages can do for linguistics this handbook is essential reading for all linguists interested in the insights that a knowledge of the romance evidence can provide for general issues in linguistic theory

Contractor Utility Sales Co., Inc. V. Certain-Teed Corporation 1891

the acclaimed autobiography of the chicago journalist and author hailed as the most significant american jewish writer of the mid twentieth century los angeles times raised in the notorious bloody nineteenth ward in chicago meyer levin landed a job at the chicago daily news at eighteen he pursued reporting as a means to support his fiction writing yet it was as a war correspondent that levin found his voice one of the first americans to enter the concentration camps during world war ii and record the horrors there levin also helped smuggle jews from poland to palestine capturing the events in his now classic film the illegals in

this vivid chronicle levin traverses america france spain eastern europe and palestine incisively documenting some of the most important events of the twentieth century yet in search is equally the story of levin s quest to define his jewishness to himself and to the world both personal and universal it affords a glimpse into a singular life and career and is as levin puts it more than a book about the jews it seeks to touch the human spirit

Cases Determined in the St. Louis and the Kansas City Courts of Appeals of the State of Missouri 2002-02

ninety two percent of american jews have a sporadic relationship to judaism at best when attending synagogue as infrequently as possible they feel as michael levin puts it bored shnorred and ignored what every jew needs to know about god is addressed to those people and attempts to provide at least the beginnings of an answer to those questions which most american jews feel have not been adequately treated by the organized religious jewish community as levin puts it my suspicion is that a lot of jews wish they had a deeper understanding not of how to celebrate this holiday or how to observe this particular custom i think a lot of jews are curious about god and so levin in his exposition keeps god at the center of his attention and in particular the individual s need for a relationship with his or her creator from a jewish perspective book jacket title summary field provided by blackwell north america inc all rights reserved

One Day, Levin... He Be Free 1979

while verb classes are a mainstay of linguistic research the field lacks consensus on precisely what constitutes a verb class this book presents a novel approach to verb classes employing a bottom up corpus based methodology and combining key insights from frame semantics construction grammar and valency grammar on this approach verb classes are formulated at varying granularity levels to adequately capture both the shared semantic and syntactic properties unifying

verbs of a class and the idiosyncratic properties unique to individual verbs in depth analyses based on this approach shed light on the interrelations between verbs frame semantics and constructions and on the semantic richness and network organization of grammatical constructions this approach is extended to a comparison of change and theft verbs revealing unexpected lexical and syntactic differences across semantically distinct classes finally a range of contrastive german english analyses demonstrate how verb classes can inform the cross linguistic comparison of verbs and constructions
