a grayscale adult coloring book what is grayscale coloring grayscale coloring means that you will be coloring over a black and white picture the magic of coloring over grayscale is that the shading is already done for you even beginners with no knowledge of shading can achieve beautiful results colored pencils work beautifully with the grayscale images giving the finished picture depth and dimension the paper is well suited for colored pencils but does not work as well with markers if you use markers put a sheet of paper under the page in case of bleed through features 48 grayscale coloring pages 8 x 10 white paper printed on one side only a place for the colorists name and date on the back of each coloring page

Victorian Christmas Coloring Fun

2017-12-07

50 completely unique unicorn coloring pages for kids ages 4 8 unicorns are so much fun to color because they lead such interesting magical lives they meet princesses dragons and mermaids they visit castles and enchanted woodlands fly through stars and rainbow skies and even wind up in the land of sweets share the fun and magic of unicorns with a special child this coloring book is a great non screen activity to stimulate a child s creativity and imagination it makes a perfect gift about this unicorn coloring book contains 50 completely unique coloring pages there are no duplicate images in this book the pages are single sided to prevent bleed through and so that pages can be removed and displayed without losing an image on the back we have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year old age range we have avoided overly intricate designs as well as overly simplistic ones we believe children of this age love coloring fun scenes that fire up their imaginations not a book full of simple shapes the pages are a nice large 8 5x11 size
