How Not to Teach

2006-10-09

if you thought reading gervaise phinn was like drinking a warm cup of tea this book will knock you over with the force of a vodka slammer mr read survives the nightmare of planning ofsted and an incompetent head he also takes the class to ireland the house of commons and wins a film award we guarantee christmas lights the school trip and stressbusters will make you laugh out loud a searing indictment of our joyless exam ridden primary curriculum it will take a bareknuckle fight to save its soul down to earth and outrageously funny this guide will prove essential reading for all teachers everywhere

HC Paper 353-II House of Commons Culture, Media and Sport Committee: Harmful Content on the Internet and in Video Games, Volume II

2008

testing and inclusive schooling provides a comparative perspective on seemingly incompatible global agendas and efforts to include all children in the general school system thus reducing exclusion with an examination of the international testing culture and the politics of inclusion currently permeating national school reforms this book raises a critical and constructive discussion of these movements which appear to support one another yet simultaneously offer profound contradictions with contributions from around the world the book analyses the dilemma arising between reforms that urge schools to move towards a constantly higher academic level and those who practice a politics of inclusion leading to a greater degree of student diversity the book considers the types of problems that arise when reforms implemented at the international level are transformed into policies and practices firmly placing global educational efforts into perspective by highlighting a range of different cases at both national and local levels testing and inclusive schooling sheds light on new possibilities for educational improvements in global and local contexts and is essential reading for academics researchers and postgraduate students interested in international and comparative education assessment technologies and practices inclusion educational psychology and educational policy

Testing and Inclusive Schooling

2018-05-11
