assist you with practice nursing is in high demand
especially amidst the current covid 19 pandemic however
while the supply could be there for nursing students to
meet the high demand for nurses few rarely know the
immense pressures of nursing school the coursework the
standardized exams such as the hesi the exit hesi and
finally the dreaded nclex rn exam nursing takes a
tremendous mental physical and emotional toll on future
nurses both inside and outside of the classroom setting
therefore who is better to write a study guide using
two prominent nursing text books on both the exit hesi
and the nclex rn exam than a former msn cnl student
herself the textbooks are saunders comprehensive nclex
rn examination by silvestri the 7th edition and hesi
comprehensive review for the nclex rn examination by al
arabi cuellar dufrene garner jemison law leland pine
and ralph the 5th edition this study guide version of
these two popular nursing textbooks will benefit
nursing students who need one clear and concise
resource that will meet their needs additionally this
book includes hesi hints and pyramid points that are
highlighted throughout the book and chapters on
personal nutrition and fitness and mental health and
wellness hesi comprehensive review for the nclex pn
examination 7th edition provides a complete all in one
review of the information that you need to know written
in an easy to read outline format this study guide
reviews content by concepts and clinical areas along
the way valuable tips from hesi help you apply
principles of clinical decision making and clinical
judgment with almost 1 000 practice questions data ism the
study and exam formats the companion evolve website
enables you to practice test taking in the same transforming
