History of the Christian Church: A.D. 1-600, translated by Andrew Rutherford. [2d ed

1892

this book presents direct and concise explanations and examples to many latex syntax and structures allowing students and researchers to quickly understand the basics that are required for writing and preparing book manuscripts journal articles reports presentation slides and academic theses and dissertations for publication unlike much of the literature currently available on latex which takes a more technical stance focusing on the details of the software itself this book presents a user focused guide that is concerned with its application to everyday tasks and scenarios it is packed with exercises and looks at topics like formatting text drawing and inserting tables and figures bibliographies and indexes equations slides and provides valuable explanations to error and warning messages so you can get work done with the least time and effort needed this means latex in 24 hours can be used by students and researchers with little or no previous experience with latex to gain quick and noticeable results as well as being used as a quick reference guide for those more experienced who want to refresh their knowledge on the subject

History of the Christian Church: A.D. 1-600, translated by Andrew Rutherford. [2d ed

1892

the study of ancient law has blossomed in recent years in english alone there have been dozens of studies devoted to classical greek and roman law to the roman legal codes and to the legal traditions of the ancient near east among many other topics legal documents written on papyrus began to be published in some abundance by the end of the nineteenth century but even after substantial publication history legal papyri have not received due attention from legal historians this book blends the two usually distinct juristic scholarly traditions classical and egyptological into a coherent presentation of the legal documents from egypt from the ptolemaic to the late byzantine periods all translated and accompanied by expert commentary the volume will serve as an introduction to the rich legal sources from egypt in the later phases of its ancient history as well as a tool to compare legal documents from other cultures
