History in English Words 2002-02

a classic historical excursion through the english language owen barfield s original and thought provoking works over three quarters of a century made him a legendary cult figure this popular book provides a brief brilliant history of those who have spoken the indo european tongues it is illustrated throughout by current english words whose derivation from other languages whose history in use and changes of meaning record and unlock the larger history

A Barfield Sampler 1993-09-14

this is a collection of the fiction and poetry of one of the twentieth century s most influential and significant thinkers barfield is known widely for his explorations of human consciousness the history of language the origins of poetic effect and the interaction of the disciplines especially literature and the hard sciences this book presents barfield as a writer of imaginative literature in the stories one finds both post war displacement and bloomsburian ironies in the two short novels barfield gives us two stunning versions of the apocalypse in his poetry he explores the varieties of human experience often in radical relation to the past a seemingly

conventional poetic introduces explosive theological and sexual issues confrontations with urban despair and fragmentation barfield s creative work is original daring and prophetic his voice heralds a new age of consciousness of which our time is becoming increasingly aware

Owen Barfield 2016-10-27

in this book michael di fuccia examines the theological import of owen barfield s poetic philosophy he argues that philosophies of immanence fail to account for creativity as is evident in the false shuttling between modernity s active construal and postmodernity s passive construal of subjectivity in both extremes subjectivity actually dissolves divesting one of any creative integrity di fuccia shows how in barfield s scheme the creative subject appears instead to inhabit a middle or medial realm which upholds one s creative integrity it is in this way that barfield s poetic philosophy gestures toward a theological vision of poiēsis proper wherein creativity is envisaged as neither purely passive nor purely active but middle creativity thus is not immanent but mediated a participation in being s primordial poiēsis

A Barfield Reader 1999

a representative selection from the major writings of the man c s lewis called the wisest and best of my unofficial teachers

Owen Barfield, Romanticism Come of Age 2021-04-28

barfield towers above us all the wisest and best of my unofficial teachers c s lewis we are well supplied with interesting writers but owen barfield is not content to be merely interesting his ambition is to set us free from the prison we have made for ourselves by our ways of knowing our limited and false habits of thought our common sense saul bellow owen barfield philosopher author poet and critic was a founding member of the inklings the private oxford society that included the leading literary figures c s lewis j r r tolkien and charles williams c s lewis who was greatly affected by barfield during their long friendship wrote of their many heated debates i think he changed me a good deal more than i him simon blaxland de lange s biography the first on owen barfield to be published was written with the active cooperation of barfield himself who before his death in 1997 gave numerous interviews to the author and shared a large quantity of his papers and manuscripts the fruit of this collaboration is a book that penetrates

i felt a bit festive create crazy caricatures from needlefelted wool (PDF)

deeply into the life and thought of one of the most important figures of the twentieth century it studies the influences on barfield by the romantic poet coleridge and the philosopher rudolf steiner founder of anthroposophy and elaborates on barfield s profound personal connection with c s lewis the book also features a biographical sketch in his own words based on personally conducted interviews and describes barfield s strong relationship with north america and his dual profession as a lawyer and writer this updated edition features vital new material including barfield s own psychography from 1948 and an illustrative plate section

Poetic Diction 1973

barfield discusses poetry s meaning in terms of both his personal experience and objective standards of criticism poetic diction first published in 1928 begins by asking why we call a given grouping of words poetry and why these arouse aesthetic imagination and produce pleasure in a receptive reader returning always to this personal experience of poetry owen barfield at the same time seeks objective standards of criticism and a theory of poetic diction in broader philosophical considerations on the relation of world and thought his profound musings explore concerns fundamental to the understanding and appreciation of poetry including the nature of metaphor poetic effect the difference between verse and prose and the essence of

meaning contributor howard nemerov

The Tower 2020-08-26

owen barfield is known primarily for his many publications on the evolution of consciousness and the essential reframing of cultural history that results from this theory at the center of his philosophy is a deep analysis of mythology and poetics that draws from coleridge steiner and others to reveal the noetic role of the poetic principle and its salient shifts that map the evolution of conscious experience a member of the oxford inklings group barfield s first published book the silver trumpet 1925 is the first märchen or fantasy story published by any of them despite the influence barfield exerted on contemporary authors such as howard nemerov and saul bellow the biggest gaps in the published corpus of the philosopher of poetry are most of the major poems and poetic dramas he wrote according to his theories that place poetics at the core of conscious experience itself this current publication remedies this absence by presenting five striking literary pieces composed throughout barfield s lifetime the tower an introspective narrative poem is the great work of barfield s youth medea a mythopoeic drama is seemingly his last major poetic and dramatic work between these two are the mythopoeic narrative poem riders on pegasus a trilogy of anthroposophical mystery plays angels at bay and the light hearted extended poem the unicorn

of narnia c s lewis was also a prolific poet essayist novelist and christian writer his most famous work the lion the witch and the wardrobe while known as a children s book is often read as a christian allegory and remains to this day one of his best loved works but lewis was prolific in a number of areas including poetry christian writing literary criticism letters memoir autobiography sermons and more this set written by experts guides readers to a better understanding and appreciation of this important and influential writer clive staples lewis was born on november 29 1898 in belfast northern ireland his mother died when he was young leaving his father to raise him and his older brother warren he fought and was wounded in world war i and later became immersed in the spiritual life of christianity while he delved into the world of christian writing he did not limit himself to one genre and produced a remarkable oeuvre that continues to be widely read taught and adored at all levels as part of the circle known as the inklings which consisted of writers and intellectuals and included j r r tolkien charles williams and others he developed and honed his skills and continued to put out extensive writings many different groups now claim him as their own spanning genres from science fiction to christian literature from nonfiction to children s stories his output remains among the most popular and complex here experts in the field of lewis studies examine all his works along with the details of his life and the culture in which he lived to give readers the fullest complete picture of the man the writer and the husband alongside his

works his legacy and his place in english letters

Speaker's Meaning 1967

as interest in owen barfield grows we aim to meet the need for a scholarly introduction to his thought our primary purpose is to present an overview analysis and synthesis of barfield s most salient ideas in a manner that will be of interest to neophytes and initiates alike barfield s work can at times be difficult to understand c s lewis put it well when he described barfield s style of argument as dark labyrinthine and pertinacious but lewis ardently promoted barfield s work because he knew that people who willingly walk in those dim and winding corridors are in time richly rewarded by the bright light at their end we offer the present work in service to those who wish to undertake this adventure while the present book will help those readers who wish to engage barfield for the sake of achieving a greater understanding of and appreciation for other writers who have been associated with or influenced by him we aim first and foremost to present barfield as a profound and original thinker in his own right

What Barfield Thought 2023-05-02

first published in 1939 this book provides a brief but comprehensive view of language in general and of english and american language in particular it is suitable for beginners and those who wish to learn about the basics of linguistics

The World of Words 2015-05-08

word and story has broken new ground by enlisting well known scholars in the examination of lewis s ideas about language and narrative both as stated in theory and as exemplified in practice never before has such clear significant and thorough work in these areas been brought together in one place this compilation of sixteen essays demonstrates how an awareness of lewis s ideas about language and narrative is essential to a full understanding and appreciation of his thought and works the contributors examine lewis s poetry the dark woods studies in words and other works that have so far received little attention in addition to more familiar parts of the lewis canon by approaching lewis primarily as an artist and theorist not just a christian apologist these essays offer new insights into his creative imagination critical acumen and his craftsmanship as a writer one comes away from this

book with a fresh vision and with heightened expectation eager to return to Lewis's works

C. S. Lewis's "great War" with Owen Barfield 1978

Tolkien is one of our most beloved fantasy writers such was the power of his imagination that much has been written on his invented world languages and myth. This book is an invitation to tread the paths of Tolkien's realm exploring three regions of his work: language, myth, and imagination. We will be looking for a path leading to a summit from where we can view Tolkien's whole realm. Yannick Imbert argues that we can gain such a view only if we understand Tolkien's philosophical theology, his Thomism, to attain this vantage point and better understand the genius of his Middle Earth. Readers' journey with Tolkien through his academic, personal, and theological milieu which together formed his Thomistic imagination.

Word and Story in C. S. Lewis 2008-04-14

Owen Barfield is unique in having combined the work of a solicitor with the profession of literature. In the latter, his speciality has been the province of speech and words and the history and philosophy of meaning. His works on these subjects have long won enthusiastic recognition in university circles.

i felt a bit festive create crazy caricatures from needlefelted wool (PDF)

but are now reaching a wider public he has been described by c s lewis as the wisest of my unofficial advisers and t s eliot wrote of his saving the appearances that it was one of the few books which made me proud to be director of the firm which published them he has always been interested in the relation between poetry philosophy science and religion and at the goethe centenary he gave a broadcast talk on the bbc on the third programme on goethe s scientific writings he has recently returned from the usa where he has spent two years as a visiting professor of philosophy and letters at drew university and of english literature at brandeis he early encountered the work of rudolf steiner and soon recognized the immense contribution that steiner had made towards a true understanding of the world and of man the essays in this volume are at once the fruit of his study of steiner s work and a new approach to that work from the angle of english literature they form perhaps the best introduction to steiner s work for the english literary mind owen barfield who died in 1997 shortly after entering his hundredth year was one of the seminal minds of the twentieth century of whom c s lewis wrote he towers above us all his books have won respect from many writers other than lewis among them t s eliot j r r tolkein and saul bellows and john lukacs he was born in north london in 1898 and received his b a with first class honors from wadham college oxford in 1921 he also earned b c l m a and b litt degrees from oxford and was a fellow of the royal society of literature he served as a solicitor for twenty eight years until his

Romanticism Comes of Age 2006-10

this book defines analyses and theorises a late modern etymological poetry that is alive to the past lives of its words and probes the possible significance of them both explicitly and implicitly close readings of poetry and criticism by auden prynne and muldoon investigate the implications of their etymological perspectives for the way their language establishes

i felt a bit festive create crazy caricatures from needlefelted wool (PDF)

relationships between people and between people and the world these twin functions of communication and representation are shown to be central to the critical reception of etymological poetry which is a category of difficult poetry however resonant poetic etymologising may be critics warn that it shows the poet s natural interest in language degenerating into an unhealthy obsession with the dictionary it is unavoidably pedantic in the post saussurean era to entertain the idea that a word s history might have any relevance to its current use as such etymological poetry elicits the closest of close readings thus encouraging readers to reflect not only on its own pedantry obscurity and virtuosity but also on how these qualities function in criticism as well as presenting a new way of reading three very different late modern poet critics this book addresses an understudied aspect of the relationship between poetry and criticism its findings are situated in the context of literary debates about difficulty and diction and in larger cultural conversations about the workings of language as a historical event
