newsletters journals one of the finest golf courses in america in the early 1900s was the revered pinehurst no 2 designed by the legendary donald ross and first opened in 1907 physically and mentally demanding the course gave players options on every hole and required them to envision and execute recovery shots from the sandy perimeters and the pine forests as well as think creatively around the intricate greens as a result no 2 became a favorite of the nation s top amateurs and professionals unfortunately a modernization of the course over the last four decades stripped it of much of its character in the golden age of pinehurst lee pace chronicles the breathtaking restoration of no 2 from its recent slick and monochromatic presentation back to a natural potpourri of hardpan sand wire grass and sandhills pine needles the restored no 2 accessible for amateur play yet challenging enough for the professional once again stands apart for its beauty strategic appeal and old world flavor dramatic changes have occurred in the design development use of miniature golf facilities putting courses whether these are stand alone facilities or integrated with other facilities these centers have emerged as viable enterprises for entrepreneurs this collection of 52 articles profiles some outstanding facilities provides insights into recent developments some of the topics explored in depth journals augusta road was constructed in the 1830s as a trade route between greenville south carolina and augusta georgia through greenville s textile boom augusta road was transformed from a series of farms owned by some of greenville s forefathers to some of the city s first suburbs and home to the south s first retail shopping center today augusta road continues to be a destination point because of its unique shopping district and is a desirable area for living and raising a family augusta road residents include nationally known politicians and entertainers tiger woods has called the u s open the most difficult national championship with open john feinstein goes behind the scenes to tell for the first time the full story of how the 2002 u s open championship came into being how a public course was transformed into one of the most difficult and surprising in the tournament s history and how the greatest golfers in the world rose to its almost insurmountable challenges the black course at the public golf club in bethpage new york has long had a mythic status among golfers designed by legendary course architect a w tillinghast in 1936 it is known as a work of genius with long fairways gorgeous vistas and roughs and bunkers that stymie all but the very best golfers it is a course where any player can compete but its cult reputation means that golfers often have to camp overnight in the parking lot to get a tee time the next day the 2002 u s open at bethpage black was the first time in history that golf s greatest championship had been held at a true public course open is the full drama of that championship from the moment that officials first considered holding it there until the last putt rolled in at dusk on sunday along the way john feinstein reveals the full glory of golf as it s never been explored before he digs deep to find out what it really takes to make golf s most famous event worthy of the champions who compete in it he tells the remarkable story of the artisans who transformed the black from a downtrodden and rough around the edges public course to one that top pros hailed as unbelievable and the toughest par 70 i ve ever played in my life he also tracks the drama of the masters who battled for supremacy at the black tiger woods sergio garcia nick faldo phil mickelson jeff maggert to show how true champions respond to the toughest conditions open is the story of people who devote their entire lives to golf both behind the scenes and inside the ropes their struggles and exhilarations as they master the monster known as bethpage black make for a story every golf lover will want to read again and again elevate your game if you have ever played golf in the carolina mountains the pages inside will be a treasure if you have wanted to play golf at a higher level this will be your guide you can learn about the best public and semi private 18 hole courses to play or you can read about two of the nations finest course architects the late donald ross and the great tom fazio our toughest 18 holes where you can rent llamas as caddies or how to send used clubs to the military serving in the worlds largest sand traps yes your golf ball will travel further on tee shots in the higher elevations but the remarkable scenery will be a distraction our courses include boulders larger than your vehicle streams winding through many fairways lots of ponds the largest lake in the state in terms of shoreline even a few flat spots for aiming at those undulating greens usually above or below you and gorgeous waterfalls oh dont forget to enjoy the views cover photo by ron clark of first tee mountain golf at mount mitchell golf club cover design by mike davis of graphic imprints asheville a comprehensive one stop guide to environmental stewardship for golf courses and grounds this highly practical guide covers the full complement of tools green industry professionals need to create a successful environmental program on golf courses and grounds written by a leading golf course superintendent and grounds manager the environmental stewardship toolkit offers a comprehensive analysis of all relevant issues including environmental management resource management community engagement and document management the emphasis throughout is on the development of programs that are both sustainable and practical combining the protection and renewal of environmental systems with a workable business plan regulatory issues as well as concerns of owners customers and the community at large are also addressed clear pragmatic up to the minute coverage includes numerous illustrations photos and customizable templates and checklists that readers can use in their own projects a system for sorting projects into green greener and greenest in order to tailor implementation for different budgets and project complexity an in depth look at site assessment water quality and conservation integrated pest management and wildlife habitat management guidance for developing green public relations and communications skills to promote the project in the community field tested

procedures for building a state of the art documentation system for capturing organizing and disseminating information a must read for golf course superintendents irrigation specialists turfgrass specialists and grounds managers the environmental stewardship toolkit is also useful for landscape architects and designers grounds owners developers builders contractors and anyone wishing to be on the cutting edge of sustainability in the green industry what does it take to win a major championship and reach the absolute pinnacle of golf through a season of the four tournaments the masters the u s open the british open and the pga championship known collectively as the majors john feinstein takes us where the television cameras never go both off the links and inside the ropes as he reveals the special challenges and rituals the frustrations and exhilaration that mark the lives and careers of the world s greatest golfers in golf university scott weems offers comprehensive advice to excelling on the golf course that takes readers beyond traditional tips on putting and driving divided into four semesters this book incorporates the disciplines of physics math medicine sociology geology economics and more to help golfers maximize their success and have the most fun some of the many lessons that weems offers include achieving maximum efficiency in the golf swing meaning no loss of kinetic energy from club to ball would require a driver 72 feet long and a club the same weight as the ball twelve percent of business executives rate golf as more important than sex players shot half a stroke higher when paired with tiger woods in his prime the effect was even worse on the final day of competition putting against the direction of the grain i e opposite the most recent mowing leaves the ball 15 percent shorter than putting in the opposite direction closing your eyes occasionally while putting will leave your ball almost 10 percent closer to the pin and more golf university uses a mixture of research interviews and weems s own experiences as a scientist and golfer to introduce readers to the latest discoveries in the sport with a broad and in depth approach that other golf books simply can t par the golf encyclopedia is the definitive guide to the world s greatest game matuz provides readers with a fascinating new introduction to the game plus chapters on everything from player profiles to a guide to golf in literature and films 200 photos designed to bring together sources of turfgrass information into a single publication anyone who needs to know university and green industry contacts certification and teaching programs publications diagnostic labs and soil testing facilities and much more will benefit by having this reference dr jeff nus getaway ideas for the local traveler rediscover the simple pleasures of a day trip with this fun and friendly guide for local travelers seeking new adventures in their own backyards as well as for vacationers looking to experience all the excitement the area has to offer each day trips guide offers hundreds of activities to do sights to see and secrets to discover within a two to three hour drive and a route map for each itinerary complete with full trip planning information including where to go what to see where to eat where to shop as well as where to stay options for those who want to extend their day trip into a weekend in spring 2012 we are proud to be publishing six all new guides the carolinas new jersey philadelphia st louis tampa and st petersburg and the twin cities as well as an updated edition of day trips from kansas city

Greenville's Augusta Road 2012

what does it take to win a major championship and reach the absolute pinnacle of golf through a season of the four tournaments the masters the u s open the british open and the pga championship known collectively as the majors john feinstein takes us where the television cameras never go both off the links and inside the ropes as he reveals the special challenges and rituals the frustrations and exhilaration that mark the lives and careers of the world s greatest golfers

Open 2003-05-01

in golf university scott weems offers comprehensive advice to excelling on the golf course that takes readers beyond traditional tips on putting and driving divided into four semesters this book incorporates the disciplines of physics math medicine sociology geology economics and more to help golfers maximize their success and have the most fun some of the many lessons that weems offers include achieving maximum efficiency in the golf swing meaning no loss of kinetic energy from club to ball would require a driver 72 feet long and a club the same weight as the ball twelve percent of business executives rate golf as more important than sex players shot half a stroke higher when paired with tiger woods in his prime the effect was even worse on the final day of competition putting against the direction of the grain i e opposite the most recent mowing leaves the ball 15 percent shorter than putting in the opposite direction closing your eyes occasionally while putting will leave your ball almost 10 percent closer to the pin and more golf university uses a mixture of research interviews and weems s own experiences as a scientist and golfer to introduce readers to the latest discoveries in the sport

Golf Course Management 2007

with a broad and in depth approach that other golf books simply can't par the golf encyclopedia is the definitive guide to the world's greatest game matuz provides readers with a fascinating new introduction to the game plus chapters on everything from player profiles to a guide to golf in literature and films 200 photos

Index of Trademarks Issued from the United States Patent and Trademark Office 1993
