000000000000f 15j0000 000000000000f 15cflightmanualweponsmanual000000000000 000 000000000000 includes list of
replacement pages this third edition presents the most thorough revision of seamanship techniques since
first publication in 1987 already recognised as one of the leading texts for cadet and serving seafarers
of all ranks this new edition covers all the seamanship knowledge required by students and experienced
seafarers alike ideal for merchant navy officers from cadet rank to master mariner the new edition
incorporates the 2003 amendments to the collision avoidance regulations and new material covering
regulations and practice on cargo operations survival systems gmdss requirements watch keeping duties
rescue operations and pollution control to name a few used by training establishments around the world
this is the only reference to both shipboard practice and ship operations that seafarers will need with an
appendix containing a full analysis of the debts of the united states the several states municipalities
etc also statements of street railway and traction companies industrial corporations etc statement omitted
on later vols this updated edition covers only five years to allow more detailed instruction and features
individual indexes for easy reference of each make and model includes nearly 3 000 drawings and
photographs and thousands of tables and specifications
