although more and more people are being affected by alzheimer s disease there is not enough information surrounding the true daily struggle of the disease although parts of this story were extremely difficult to write and worse to ensure that the moments were captured exactly as they were it really is a personal journey this is a story to inspire people not to take any moment for granted this disease does not only rob a person of their memory it takes their dignity and independence with it it is a story of testing someone s resolve and realizing that life is truly what you make of it this story is dedicated to my mother i love her and i know there are still pieces of her still with me and that is what i hold on to i wish i had the information in this book when my mother was fi rst diagnosed with this horrible disease but a long with my story i have put in a lot of resources that are available to others it also shows that even though you don t think that you have strength you fi nd a way and you don t give up i hope my story inspires you and at least you can use something in this book whether the disease affects someone you know or for preventative care

An Alzheimer's Love Story 2012-05-16

when the last of vivienne ulman s four children left home she and her husband were poised to enjoy their freedom then her mother s alzheimer s intervened in alzheimer s a love story ulman records with tender lyricism and searing honesty the progress of her mother s alzheimer s her own grief over the gradual loss of her beloved mother and

Alzheimer's 2008

this book is about our life before and after alzheimer s disease invaded and how over the subsequent ten years we did our best to fight learn adjust and live with this heinous disease as it progressed using the seven stages of alzheimer s disease as the framework i describe our experiences some strategies we tried what we learned from a variety of sources our dilemmas fears and honest feelings our story is about love and resilience but also about the frustrations of finding appropriate services financial constraints the limits of medicare and medicaid the ins and outs of the nursing home industry and our search for what was right for bob as the disease overtook him bob had a phd in experimental psychology but that didn t stop this disease from destroying his mind i have a phd in special education but that didn t mean i knew what to do or how to do it through personal journal entries at various times i share my thoughts feelings and my anguish i learned with bob and with the help of family and friends how to support and care for him so that he knew that we would always love him this was not an easy story to tell but i hope it helps others

Alzheimer's & Dementia For Dummies **2016-04-25**

what happens when a single parent from london heads for canada to care for an elderly lady in case it s fun described by readers as a cross between bridget jones and bill bryson this book isn t quite a travelogue although vancouver bus station s ceiling will leave quite an impression it is just what happened it is life and the sheer unexpectedness of the way other people live it not just the snow dump but the incredulity we generated by wanting to see it the story of an adventure would have a few more shimmering sunsets dancing over majestic waves there are some majestic waves naturally but we are more obsessed with meatballs it is therefore the story of an escapade

Alzheimer's 2010-10-19

this beautiful picture book is designed for people with alzheimer s and seniors with other forms of dementia if someone you love is finding it difficult or frustrating to read books but they still enjoy the calm relaxing pleasure of turning the pages this book is for them this book can also be enjoyed by seniors with memory eyesight or strength challenges who find it difficult to hold a heavy book or read long paragraphs of text sitting down to thumb through this picture book with a loved one who has alzheimer s or dementia is an activity that is calming at the same time it encourages interaction features beautiful content this book is filled with carefully curated full color high resolution photos depicting the beauty and relaxation of beaches a unique feature is that each image is spread across two pages for a spectacular panoramic effect no text the only text in this book is on the title and copyright page manageable size this is a 40 page 6 x 9 softcover that s comfortable to hold and easy to tuck into a bag high quality the quality of this book s cover and its interior design are indistinguishable from books created for other readers just because the content of a book is simple and uncomplicated doesn t mean it has to be unattractive or childish discreet packaging at no time is anything mentioned about alzheimer s disease dementia or any other challenges
