## **english literature wikipedia May 12 2024**

English literature is literature written in the English language from the English speaking world. The English language has developed over the course of more than 1 400 years. The earliest forms of English, a set of Anglo-Frisian dialects brought to Great Britain by Anglo-Saxon invaders in the fifth century, are called Old English.

## **english literature history authors books periods facts Apr 11 2024**

English literature is the body of written works produced in the English language by inhabitants of the British Isles, including Ireland, from the 7th century to the present day. The major literatures written in English outside the British Isles are treated separately under American literature, Australian literature, and Canadian literature.

## **the 100 greatest british novels bbc Mar 10 2024**
