boston acoustics sub and amp charger forums May 25 2024

i have the 6 boston speakers with the 276w amp in my 07 sxt i m kicking around the idea of installing the boston sub between the 2 rear deck speakers

2006 dodge charger r t boston acoustics sound system Apr 24 2024

take the 2006 dodge charger r t sticker price 36 640 as tested with its hulking 340 horsepower hemi under the hood and a boston acoustics sound system integrated into its surprisingly sophisticated interior

most economical upgrade to the boston acoustics charger forums Mar 23 2024

the stock boston speakers like all oem speakers leave much to be desired you can get a decent 4 channel kenwood amp maybe 65w rms per channel with speaker level inputs on ebay for 150 along with 2 pair of 6x9 s like polks or infinity for maybe another 200 total expense 350

7 speaker boston acoustic system charger forums Feb 22 2024

7 speaker boston acoustic system can anyone with the 7 speaker system please take a picture of the rear deck showing the bottom of the speakers sub and amp if there is one dodge can t give me a strait answer and neither can anyone else

for sale factory 368w amp for boston acoustics 7 speaker Jan 21 2024

factory 368w amplifier for the boston acoustics 7 6 sub speaker sound system this was pulled out of a 2008 charger when new i added it along with the subwoofer to my 6 speaker ba system it replaces the 276 watt amp and it was plug and play

2006 dodge charger to feature boston acoustics legendary *Dec 20 2023*

the 2006 dodge charger will feature boston acoustics systems as standard equipment or as a factory installed upgrade option system configurations consist of either a 6 speaker system powered by a 276 watt dsp amplifier or a 7 speaker system that adds a subwoofer and increases the total system power to 322 watts

stock boston amp location dodge charger forum *Nov 19 2023*

does anyone know where the factory boston amp is located i have not look yet but thought i would ask before i take apart the dash i have the kicker factory upgrade amp i want to install

boston acoustic premium audio lx forums forum *Oct 18 2023*

boston acoustic premium audio what is the honest opinion of those who have the factory ba premium audio my wife just got a 2004 dakota with the best stereo and it has good sound

boston acoustic 6 speaker upgrade dodge challenger forum Sep 17 2023

in that case upgrading the factory amplifier to an aftermarket one that can do 75 100w rms per channel should resolve that by making full use of the speakers power handling capabilities 2014 charger pursuit the pork wagon 2019 2021

speaker upgrade for magnum s boston acoustic system *Aug 16 2023*

if you are using the stock amp choose your speakers carefully the stock 6x9 ba speakers are 2ohm and most replacement speakers you buy anywhere are 4ohm i use the stock amp and purchased some infinity kappas which are 2 ohm and they rock
