Llewellyn's 2017 Magical Almanac 2018-03 winston churchill famously described the political alliance between the us and uk as a special relationship but throughout the cultural history of these two countries there have existed transatlantic special relationships of another kind affairs between british and american citizens who have fallen in love with one another but often too with the idea l of that other place across the ocean from romantic novelist elinor glyn in the 1920s to prince harry and meghan markle today this collection examines some of the history contemporary manifestations and enduring appeal of us uk romance across popular culture looking at both historical and contemporary case studies drawn from across film television music literature news and politics this is a timely intervention into the popular romantic

discourse of us uk relations at a critical and transitional moment in the ongoing viability of the special relationship
