with a list of helpful tips for conducting act research for almost a century canadian newspapers radio and television stations and now internet news sites have depended on the canadian press news agency for most of their canadian and through its international alliances foreign news this book provides the first ever scholarly history of cp as well as the most wide ranging historical treatment of twentieth century canadian journalism published to date using extensive archival research including complete and unfettered access to cp s archives gene allen traces how cp was established and evolved in the face of frequent conflicts among the powerful newspaper publishers john ross robertson joseph atkinson and roy thomson among others who collectively owned it and how the journalists who ran it understood and carried out their work other major themes include cp s shifting relationships with the associated press and reuters its responses to new media its aggressive shaping of its own national role during the second world war and its efforts to meet the demands of french language publishers making national news makes a substantial and original contribution to our understanding of journalism as a phenomenon that shaped canada both culturally and politically in the twentieth century canadian writer and journalist lily lewis is not a household name in fact she never was the work lewis is best known for montreal letter a popular column which appeared in the toronto newspaper the week in the late 1880s was written under the pseudonym louis lloyd in 1888 lewis and fellow writer sara jeannette duncan embarked on a journey around the world sending articles about their travels back to their respective newspapers the week and the montreal daily star lewis became immortalized as a character in duncan s fictionalized account of their journey but as a writer she has been almost entirely forgotten to history though lewis continued to publish a variety of work up until 1912 her writing prior to and following her world tour has received no critical attention and almost nothing has been known about her personal life peggy martin s painstaking research has brought new details to light she examines lewis s work in the context of canadian travel writing and journalism at the turn of the century and discusses her use of the sketch as her preferred literary form part critical news stories are like collective memories encapsulating the most iconic moments in recent history around the world but to those who work in journalism up close involvement with these stories can also be life changing in that s why i m a journalist veteran broadcaster mark bulgutch interviews 44 prominent canadian journalists who each share their behind the scenes accounts of some of the most memorable stories of their careers and describe the moment that made them say to themselves that s why i m a journalist although many of the contributors stories are related to their roles in the most high profile events of the 20th and 21st centuries from the fall of the berlin wall to 9 11 here too are reflections on quieter and more intimate moments that had a deep personal impact peter mansbridge talks about a trip to vimy ridge on the hundredth anniversary of world war i adrienne arsenault recalls bringing together old friends separated by the israeli palestinian conflict terence mckenna recounts what it s like to worry about being kidnapped as part of the job and wendy mesley reflects on the satisfaction of asking tough questions and uncovering the truth together these enthralling and varied accounts provide an intimate understanding of the people we see on camera and hear on the radio as bulgutch argues modern journalism is undergoing existential threats news has never been more accessible yet paradoxically important news has become harder to find often buried by pseudo news of celebrity lifestyle tips and the latest viral video of a water skiing squirrel the
