## ***triumph thruxton 900 cycle world june 2004 Aug 17 2023***

triumph returned to the classic vertical twin with the revived bonneville understandably the best seller from its 2001 intro on then came the t100 same 790cc motor but with more chrome paint

## ***thruxton 2004 2016 review visordown Jul 16 2023***

the thruxton isn't a quick bike the engine doesn't really have any power characteristics such as a top end rush and it's fairly lethargic but when you stop trying to rush around and treat the bike as a good looking machine for easy riding at a steady 60mph the thruxton starts making sense

## ***triumph thruxton review history specs cyclechaos Jun 15 2023***

the triumph thruxton is a triumph motorcycle based on the new bonneville chassis and engine which began production in 2004

## ***all triumph thruxton models and generations by year specs May 14 2023***

in 2007 the british motorcycle manufacturer launched the triumph thruxton 900 a cafe racer styled machine in its fourth year of production the 2007 model came with several visual
