2011

the complete writings of st francis assisi is the only book on the market to include the original writings of st francis his own work the little flowers of st francis and a extensive biography of the life and achievements of st francis st francis was an extraordinary writer and poet whose writings are sure to move the young and seasoned writer on topics such as life love the environment animals all while keeping a close walk with your creator

The Complete Writings of St. Francis of Assisi

2009-12-10

the writings of st francis may as is obvious be considered from more than one point of view premising this we are afforded a clue to the difficulty which has led students of franciscan sources to divide themselves into two camps as to the objective value of these writings indeed one writer goes so far as to compare the attitude of modern scholars toward them to that of the spiritual and conventual friars respectively in the first century of franciscan history for while one party led by m paul sabatier attaches

what some regard as almost undue weight to the writings of st francis as a source of our knowledge of him the other party following mgr faloci pulignani displays we are told a tendency to belittle their importance the truth is as professor m ller long ago pointed out that these writings afford us little if any information as to the life of their author a fact which may perhaps account for their comparative neglect by so many of the saint s biographers but it is not less true that they bear the stamp of his personality and reflect his spirit even more faithfully than the legends written down on the very morrow of his death by those who had known him the best of all for this reason they are well worth all the serious study that scholars outside the franciscan order are now beginning to give to them

The Complete Writings of St. Francis of Assisi

2017-10-28

cram to pass

a condition of complete simplicity offers a practical exploration of three essential keynotes of franciscan spirituality: humility, love, and joy, as they can be lived out in a world that is often characterised by violence, greed, and religious conflict. This is our world, and it was also Francis' world: a furnace for forging the radical values of those who cast off possessions, status, security, and everything that stood in their way of following Christ. Franciscan wisdom, with its emphasis on the upside-down values of the Kingdom of God, has an urgent relevance for many of the problems we encounter today. Francis turning away from his youthful ambitions inspires us to do battle with our false priorities and find our true vocation. His acknowledging of all creatures as his brothers and sisters challenges us to recognize the image of the Creator in every individual. His infectious love for all creation gives us cause for hope and rejoicing, as we learn to find and reflect Christ's presence throughout his world.

A Condition of Complete Simplicity

2013-01-03

This volume presents a modern edition of Paul Sabatier's classic biography on St. Francis of Assisi. Quotes, comparisons, illustrations, and explanations show the relationship between Sabatier's foundational biography and other great works on Francis, from Dante to G.K. Chesterton. It will serve not only as an informational and engaging introduction to the life of St. Francis but also as a vehicle for readers to engage personally with Francis, the human being.

The Road to Assisi

2014

Popular historian and award-winning author Jon M. Sweeney relates the untold story of St. Francis's friendship with Elias of Cortona, the man who helped him build the Franciscan movement. Sweeney uses the complexities of their relationship in a gripping narrative of how their efforts changed the world and how Elias's enthusiasm betrayed the ideals of his friend. Few biographies of St. Francis have examined his complicated relationship with close friend Elias of Cortona as thoroughly as this one.

Francis and Clare

1982

in the tradition of the st francis prayer book jon sweeney offers an ancient medieval way of understanding and experiencing the gospel the holy fool this countercultural

approach is exemplified in the life and teachings of francis of assisi the most popular saint in history and his good friend brother juniper what does it mean to be a fool for christ it meant to st francis being small not strong valuing joy over pleasure avoiding positions of power and enjoying rather than avoiding moments of insecurity fear and awkwardness these practices revealed to the first franciscans how being foolish in the eyes of the world is a sure way to discover a renewed sense of the presence of god includes a week of daily offices focused on the concept of the holy fool and spiritual practices for countercultural living

St. Francis of Assisi

2019-10-01

in this fourth installment of the pope s cat series margaret and the pope travel for the first time together away from the vatican and out of rome they go by train to the umbrian hill town of assisi a place of pilgrimage for christians all over the world who want to remember the life of st francis of assisi together they visit the great basilica named for st francis greet franciscan friars at the monastery attend a world day of prayer for peace meet religious leaders each it seems with a very different hat from around the world and see evidence of the spirit of st francis all over town most of all the pope shows his love and care for his vulnerable creature friend as at the beginning of the book when someone from the curia has frightened margaret and she s hiding in a closet in the pope s apartment don t worry il mio amore il mio amore means my love people can be so fussy can t they the pope says picking her up in his arms

Francis, Brother of the Universe

1980

during his historic visit to the united states in october 2015 pope francis encouraged the nation s bishops to avoid harsh and divisive language reminding instead that only the enduring allure of goodness and love remains truly convincing these words provide as fine a summary of the holy father s vision of a just and merciful world as any

2023-02-02

12/21

as will be found anywhere in washington new york and philadelphia pope francis touched the hearts and consciences of catholics as well as people of all faiths or no faith by the power of his gentle witness the many addresses and homilies offered by the pope were more than anyone could digest in a few short days this handy volume gathers all of these texts in a single inexpensive resource making them accessible for reflection study or prayer by individuals or groups included here are his homily for canonization of st junípero serra address to the joint session of congress greeting to a group of homeless people in new york city address to the united nations general assembly prayer at ground zero extemporaneous address at the festival of families words to victims of sexual abuse address to inmates at a philadelphia prison and much more this book will serve as a powerful reminder to any reader of the allure of goodness and love that america experienced through the presence of pope francis

The Complete Works in Prose and Verse, of Francis Quarles

1880

how did a thirteenth century italian friar become one of the best loved saints in america around the nation today st francis of assisi is embraced as the patron saint of animals beneficently presiding over hundreds of blessing of the animals services on october 4 st francis s catholic feast day not only catholics however but protestants and other christians hindus buddhists jews and nonreligious americans commonly name him as one of their favorite spiritual figures drawing on a dazzling array of art music drama film hymns and prayers patricia appelbaum explains what happened to make st francis so familiar and meaningful to so many americans appelbaum traces popular depictions and interpretations of st francis from the time when non catholic americans discovered him in the nineteenth century to the present from poet to activist 1960s hippie to twenty first century messenger to islam st francis has been envisioned in ways that might have surprised the saint himself exploring how each vision of st francis has been shaped by its own era appelbaum reveals how st francis has played a sometimes countercultural but always aspirational role in american culture st francis s american story also displays the zest with which americans borrow lend and share elements of their religious lives in everyday practice

The complete works in prose and verse of Francis Quarles, now collected and ed.: with memorial-intr., notes &c., by A.B. Grosart

1880

saint francis is considered the first italian poet by some literary critics he believed commoners should be able to pray to god in their own language and he often wrote in the dialect of umbria instead of latin francis writing fully reflects his personality and spirituality making them at once formidably mystic and exquisitely human they combine great elevation of thought with much picturesqueness of expression through his prayers correspondence and regulas readers will connect and unite with one of the most beloved saints of the catholic church

The Complete Encyclicals, Bulls, and Apostolic Exhortations

2016-12-26

on the road with francis of assisi offers a unique and lively travelogue of parallel journeys that of francis of assisi on his way to sainthood in the thirteenth century and that of author linda bird francke who followed his path through the beauty of central and coastal italy and even on to egypt francke tells the compelling story of saint francis through the many places he visited she and her husband harvey loomis used as their guidebooks medieval texts including the first official biography of the saint completed in 1229 just three years after he died theirs was not a spiritual journey but one based on admiration for a man whose legend continues to inspire and fascinate millions around the world from assisi a small umbrian town that now draws two million visitors a year making it second only to rome as an italian pilgrimage destination saint francis crisscrossed italy for twenty years and so too does the author travel through the green heart of italy to such hill towns and cities as siena bologna venice gubbio and rome and to the many mountaintop franciscan sanctuaries from la verna and le celle di cortona in tuscan to the rieti valley along the way francis compressedly reports

the many miracles francis performed and draws us into the splendid beauty of the landscape that inspired the saint s love for nature and regard for all living things unlike francis however whose asceticism caused him to add ashes to his food to deaden its earthly pleasure francke and her husband indulge in the fabled umbrian cuisine from wild boar to the region s famed black truffles and the incomparable local wines on the road with francis of assisi embraces the spirit and person of its legendary subject and invites the reader to marvel at his spiritual intensity and follow in his footsteps through the timeless beauty of italy

Delphi Complete Works of Francis Thompson (Illustrated)

2021-01-26

my task is to rely as much as possible on both written and visual sources although i obviously must consider the discoveries and insights of modern scholarship in order to present francis of assisi as a major figure in the mystical tradition this means i will not be much concerned with francis as the founder of a religious order i will not present a detailed biography although the first chapter provides a general overview in order to make the more detailed discussions of his spirituality more intelligible rather than attempt to discuss all texts by and about francis of a mystical nature i shall instead focus on six elements of his life and spirituality his conversion his relationship to the created world the creation of the christmas crib at greccio the role of learning the relationship between the active and contemplative life and his stigmatization at laverna in 1224 two years before his death i believe that a detailed discussion and analysis of these aspects of francis s life will best introduce the reader to francis of assisi from the introduction

St. Francis and the Problem of Possessions
