How to Teach a Play 2020-01-09

this book explores the collaborations during the mid 20th century between the metropolitan museum of art and the book of the month club between 1948 and 1962 the two institutions collaborated on three book projects the metropolitan museum of art miniatures 1948 1957 the metropolitan seminars in art 1958 60 and a print reproduction of rembrandt s aristotle contemplating the bust of homer 1962 bringing art from the met s collections right

into the homes of subscribers the met and the masses places these commercial enterprises in a variety of contemporary and historical contexts including the relation of cultural education to democracy in america the history of the met as an educational institution the rise of art education in postwar america and the concurrent transformation of the home into a space that mediated familial privacy and the public sphere using never before published archival material the book demonstrates how the met sought to bring art to the masses in postwar america whilst upholding its reputation as an institution of high culture it is essential reading for scholars researchers and curators interested in the history of modern art museum and curatorial studies arts and cultural management heritage studies as well as the history of art publications

America Pathways to the Present 1995

think away your allergy and stop taking antihistamines you can think away an allergy with your mind what nonsense snake oil b s that s what some people will tell you so let me show you in a few seconds how wrong they are close your eyes imagine looking at a juicy half lemon that you hold in your hand now imagine squeezing it and seeing its juices flow when you start salivating open your eyes and go on reading you just saw how your mind affects your body and turns your salivary glands on it can also influence your immune system and lower your allergic reaction let s be realistic the method taught in this book may not work for
