all strength and force of man comes from his faith in things unseen he who believes is strong he who doubts is weak strong convictions precede great actions from that which have been revealed and familiar with having been called into the school of divinity for the past twenty eight years i would want to use this means to disclose some discoveries one has identified on the subject of faith most significantly to share some guidelines that can make faith extra effective or efficient when in use this in other words is to up hold the claim that faith is the most powerful force in the entire creation faith is the concept that summons invisible things into the visible the raw material used in creating something out of nothing by which the worlds were made out from by faith we understand that the worlds were frames by the world of god so that the things which are seen were not made of things which are visible hebrews 11 3 if faith according to this passage is that spiritual technology used to construct the material world it implies that the foundation of all other creativity or achievements of man must anchor on it otherwise it might not stand the test of time your faith is actually what describes your destiny standing by this theory or authority called faith in view of our quest to a strong capacity of faith and attain a fulfilled life we then need to update our knowledge base on the ideology in the light of what the author of the bible has written owing to the fact that the scriptures are the only reliable book that defines in accuracy the subject and that the book which is the most qualified to educate us on faith is the bible you may ask why it s actually the manual of life the best seller of all ages no one ever graduates from bible study until he meets the author face to face in addition faith is what justifies man before his creator which can only be accessed through the scripture so then faith comes by hearing and hearing by the word of god romans 10 17 however there are some buttons or keys that must be applied which in order words are the boosters of faith in the life of every champion or achiever of any field of endeavour but also for this very reason giving all diligence add to your faith virtue to virtue knowledge to knowledge self control to self control perseverance to perseverance godliness to godliness brotherly kindness and to brotherly kindness love for if these things are yours and abound you will be neither barren nor unfruitful in the knowledge of our lord jesus christ 2 peter 1 5 8 we have been provided with seven buttons as faith boosters from the above text these are the seven stages of test in life s school of faith at any given time you score a pass mark doing what is required as a scholar of the world with these factors at world

your faith level receives an increase or a boost success as they said is not automatic and no action without a reaction anything that has ever been profitable to humanity has a link to it faith is the spiritual currency of the entire creation you can trade without it hence we need to have a working relationship with it and what brings out the apex of its potentials take a good advantage of the revelations below and increase your capacity on what i consider as the secret of the creations note what you know is what determines your net value or significance in the journey of life
