African American Lives 2004-04-29 in the long awaited successor to the dictionary of american negro biography the authors illuminate history through the immediacy of individual experience with authoritative biographies of some 600 noteworthy african americans

African American Lives 2005 african american lives the struggle for freedom uses a unique biographical approach to present the history of african americans as active and thoughtful agents in the construction of their lives and communities the text places african american lives and stories at the center of the narrative and as the basis of historical analysis each chapter opens with a vignette focusing on an individual involved in a dramatic moment or event personal stories are told throughout the narrative as the lives and experiences of individuals provide the lens through which the story of african american history is viewed

Black Lives 1999 these fifteen chapters comprise biographical sketches of notable but heretofore unknown or lesser known african americans among them general daniel chappie james jr the first african american four star general in the u s air force william levi dawson a composer vinnette carroll a director and playwright elizabeth ross haynes an early political speaker and activist richard allen founder of the african methodist episcopal church besse head a south african born writer maria stewart a nineteenth century african american writer and a number of others

Post Black 2010-01-01 as a young journalist covering black life at large author ytasha l womack was caught unaware when she found herself straddling black culture s rarely acknowledged generation gaps and cultural divides traditional images show blacks unified culturally politically and socially united by race at venues such as churches and community meetings but in the post black era even though individuals define themselves first as black they do not necessarily define themselves by tradition as much as by personal interests points of view and lifestyle in post black how a new generation is redefining african american identity womack takes a fresh look at dynamics shaping the lives of contemporary african americans although grateful to generations that have paved the way many cannot relate to the rhetoric of pundits who speak as ambassadors of black life any more than they see themselves in exaggerated hip hop images combining interviews opinions of experts and extensive research post black will open the eyes of some validate the lives of others and provide a realistic picture of the expanding community

Black Facts for Black Lives that Matter Everyday 2003 black facts brings to life black achievements that every american should know be proud of here are a few testimonials book excerpts teachers union this book inspires students to learn more about real african american history 1892 bessie coleman was the first african american native american woman to hold a pilot license professor every american should know these american accomplishments 1918 lewis h latimer patented the light bulb and telephone student 1 wow i was surprised that so many african americans excel in so many areas other than sports and entertainment 1891 zora neale hurston was one of first black women filmmakers yw 4 for a book like this is fantastic 1890 william b purvis invented the fountain pen student 2 i didn t know that african americans are responsible for everyday items such as the washing machine street sweeping machine and the list goes on and on 1938 captain b collins patented portable electric light kw this is a wonderful book every family should own this book 1918 lewis h latimer patented the light bulb and telephone

Portraits of African American Life Since 1865 1995 compelling and informative the 14 diverse biographies of this book give a heightened understanding of the evolution of what it meant to be black and american through more than three centuries of u s history

Words to Make My Dream Children Live 2004-04-29 in 1918 joseph seaman cotter jr a promising young african american poet who later died at the age of twenty four published a poem in which he prayed o god give me words to make my dream children live in this collection of some two thousand quotations deirdre mullane has taken cotter s prayer to heart and gathered the most memorable quotes from a wide range of sources poetry folk songs political speeches autobiographies stories novels interviews and essays to illustrate the amazing richness of the african american written and oral tradition from the earliest tracts against slavery to the poetry of maya angelou african americans have turned to language to record their experience and to sustain their souls barred from education for centuries they used the spoken word to hand down their daily wisdom their faith in god and dreams of freedom and justice until the establishment and survival of their own press during the 1800s enabled them to document the horrors of slavery and discrimination to name the political and social realities they faced as well as to celebrate the everyday joys of their lives an ideal companion to african american history this extensive and varied collection of quotes from political figures to poets from jazz greats to boxers will be an important resource for writers journalists public speakers and parents seeking an educational gift for their children the entries are arranged alphabetically by speaker along with a brief biography of each source also included is a subject index that allows a reader to research quotations on specific topics such as freedom or dreams encyclopedic and inspirational words to make my dream children live represents the living legacy of the word both spoken and written for african americans everywhere

African American Lives 2019-08-09 african american lives offers up to date authoritative biographies of some 600 noteworthy african americans these 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume african american national biography illuminate african american history through the immediacy of individual experience from esteban the earliest known african to set foot in north america in 1528 right up to the continuing careers of venus and serena williams these stories of the renowned and the near forgotten give us a new view of american history our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice their experiences and accomplishments combine to expose the complexity of

race as an overriding issue in america s past and present african american lives features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the spingarn medal nobel prize and pulitzer prize

African American Novels in the Black Lives Matter Era 1995-11-01 african american novels in the black lives matter era transgressive performativity of black vulnerability as praxis in everyday life explores the undoing of whiteness by black people who dissociate from scripts of black criminality through radical performative reiterations of black vulnerability it studies five novels that challenge the embodied discursive practices of whiteness in interracial social encounters showing how they use strategic performances of blackness to enable subversive practices in everyday life which is constructed and governed by white mechanisms of racialized control the agency portrayed in these novels opens up alternative spaces of blackness to impact the social world and effects transformative change as a forceful critique of everyday life african american novels in the black lives matter era shows how these novels reformulate the problem of black vulnerability as a constitutive source of the right to life in their refusal of subjection to vulnerability enacted by white institutional and individual forms of violence it positions a white black encounter oriented reading of these neo resistance novels of the black lives matter era as a critique of everyday life in an effort to explore spaces of radical performativity of blackness to make happen social change and transformation

African American Cinema through Black Lives Consciousness 2010 employs an interdisciplinary critical approach to discuss a selected group of black oriented films

Snapshots of a Century in African American Lives 2020-08-26 for a century and a half late in the american slavery era some of the men women and children who fled

captivity found refuge in florida some received sanctuary from the spanish colonial government while others joined the seminole in the peninsula s interior members of both groups built thriving communities and gained a reputation as formidable warriors but they came increasingly under threat from pro slavery interests in a newly independent united states eager to extend its reach in the americas of those who survived the ensuing wars raids and repeated forced displacements most eventually left florida either for the caribbean or for the us west and mexico their experience was part of a broader history of maroons long term escapees from slavery in the americas this book reviews some highlights of that history and then focuses on the florida leg of a long journey to freedom that has become an enduring part of the american legacy

Precarious Lives: Black Seminoles and other freedom seekers in Florida before the US civil war 1997-10-06 in men we cherish african american women celebrate the everyday heroes in their lives fathers and grandfathers brothers and best friends sons and husbands the thirty essays memoirs and love letters contained in the book written by the likes of bebe moore campbell connie porter and the delany sisters to name a few offer moving portraits of the three out of four black men who never make the headlines Men We Cherish 2012-03-02 this original collection of quotations cites approximately 100 well known african americans from all walks of life including maya angelou louis armstrong muhammad ali julian bond george washington carver frederick douglass and ralph ellison

Book of African-American Quotations 1991-06-11 relationships with family and friends community life religion work racial identity political attitudes and participation and physical and mental health are among the topics explored in this volume on black americans it reports the findings from a survey which collected and analyzed data on social psychological economic and political behaviours of americans of african descent this survey the first to sample a truly representative cross section of black people in america was designed and conducted with a sensitivity to cultural influences never attempted before

Life in Black America 2019-09-19 this two volume work celebrates 50 notable achievements of african americans highlighting black contributions to u s history and examining the ways black accomplishments shaped american culture this two volume encyclopedia offers a unique look at the african american experience from the arrival of the first 20 africans at jamestown through the launch of the black lives matter movement and the ferguson protests it illustrates subjects such as the jim crow period the brown v board of education case that overturned segregation jackie robinson s landmark integration of major league baseball and the election of barack obama as president of the united states drawing from almost 400 years of u s history the work documents the experiences and impact of black people on every aspect of american life presented chronologically the selected events each include at least one primary source to provide the reader with a first person perspective these range from excerpts of speeches given by famous african american figures to programs from the march on washington the remarkable stories collected here bear witness to the strength of a group of people who chose to survive and found ways to work collectively to force america to live up to the promise of its founding

50 Events That Shaped African American History [2 volumes] 2023-06-14 an important snapshot of life for black americans at the beginning of the twentieth century from the editor of the illustrated souls of black folk booklist the problem of the twentieth century is the problem of the color line this quote is among the most prophetic in american history it was written by w e b dubois for the exhibition of american negroes displayed at the 1900 paris exposition they are words whose force echoed throughout the twentieth century w e b dubois put together a groundbreaking exhibit about african americans for the 1900 world s fair in paris for the first time this book takes readers through the exhibit with more than 200 black and white images throughout this book explores the diverse lives of african americans at the turn of the century from challenges to accomplishments dubois confronted stereotypes in many ways in the exhibit and he provided irrefutable evidence of how african americans had been systematically discriminated against though it was only on display for a few brief months the award winning exhibit of american negroes represents the great lost archive of african american culture from the beginning of the twentieth century those concerned with african american history will benefit from this work and may wish to also consult provenzo s the illustrated souls of black folk 2004 for a companion read summing up recommended choice reviews ten years before he founded the naacp w e b dubois used his role in the exhibition to begin the long fruitful process of achieving equality benjamin todd jealous president and ceo of the naacp

W. E. B. DuBois's Exhibit of American Negroes 2012-12-01 achievement engenders pride and the most significant accomplishments involving people places and events in black history are gathered in black firsts 4 000 ground breaking and pioneering events

Black Firsts 2017-07-03 how do young african americans approach their faith in god when continued violence and police brutality batters the news each day in the spiritual lives of young african americans almeda m wright argues that african american youth separate their everyday lives and their spirituality into mutually exclusive categories this results in a noticeable division between their experiences of systemic injustices and their religious beliefs and practices yet wright suggests that youth can and do teach the church and society myriad lessons through their theological reflections and actions giving special attention to the resources of african american religious and theological traditions wright creates a critical pedagogy for integrating spirituality into the lives of african american youth as well as confronting and navigating spiritual fragmentation and systemic injustice

The Spiritual Lives of Young African Americans 2023-11-07 in this hard hitting collection of essays d b maroon presents a personal biography of america blackness and racial politics with unflinching style and delivers a relentless truth telling on some of the country s fiercest debates and most profound challenges from the birthplace of the black lives matter movement to the murders of unarmed black people this essay collection invites readers to ask questions as much as it asks for accountability

moving through debates on the 1619 project to the rippling impact of resurgent white nationalism the golden thread of each essay is the hopeful continuance of the black community as well as a call to greater truth as the first step toward reconciliation intersectional personal and ultimately centered on truth love and perseverance black lives american love details and tends to the fractures in american culture it is a meditation on how we can all do more to secure america s vastly beautiful possibilities for all its citizens rather than a few
