Robbins & Cotran Pathologic Basis of Disease, 10e: South Asia Edition, 2 Vol Set E-Book 2020-07-22

from the refugee camps of the lebanon to the relative prosperity of life in the usa the palestinian diaspora has been dispersed across the world in this pioneering study helena lindholm schulz examines the ways in which palestinian identity has been formed in the diaspora through constant longing for a homeland lost in so doing the author advances the debate on the relationship between diaspora and the creation of national identity as well as on nationalist politics tied to a particular territory but the palestinian diaspora also sheds light on the possibilities opened up by a transnational existence the possibility of new less territorialized identities even in a diaspora as bound to the idea of an idealized homeland as the palestinian members of the diaspora form new lives in new settings and the idea of homeland becomes one important but not the only source of identity ultimately though schulz argues the strong attachment to palestine makes the diaspora crucial in any understandings of how to formulate a viable strategy for peace between israelis and palestinians

The Palestinian Diaspora 2005-07-27

XX10X

XXXXXXXXXXXX 2018-12

this book addresses the ongoing conflict among israeli jews and palestinian arabs from a philosophical perspective the authors argue that ignoring justice and failing to address violations of rights including the rights of both palestinians and israelis to live securely and freely then a lasting solution to the conflict will remain elusive

The Israeli-Palestinian Conflict 2007-12-14

folk law a comprehensive two volme collection of essays examines the meeting place of folklore the unwritten law of obligations and prohibitions that are understood and passed on and jurisprudence the contributors explore the historical significance and implications of folk law its continuing influence around the globe and the conflicts that arise when folk law diverges from official law taken from publisher s site

Yearbook Islamic Middle Eastern 1996-02-14

this book brings together for the first time independent and highly respected lawyers and jurists from both sides of this century old conflict to identify and assess areas of common interest as violence diminishes in favour of negotiation and compromise all issues covered by the ongoing discussions will be determined by emerging rule of law the book contains original contributions from an experienced team of palestinian and isrealic lawyers and scholars in the field and covers a range of strategic issues including history and law key international treaties the domestic dimensions of the peace process water arrangements economic issues and the legal institutions which are being created and must adapt to the new scene an important feature of the book is that it succeeds in showing that the traditional opposition os israeli and arab views may be giving way to a common informed reflection on modes of coexistence primarily determined by law contributors include raja shehadeh ruth gavison eyal benvenisti eugene cotran david kretzmer anis al qasem celia fassberg sharif elmusa mahmud el jaafari eran feitelson ruth levush and mona rishmawi

Folk Law 1995

this collection of thirteen essays explains and analyzes the conflict between the government of israel and the palestine authority over the granting of sovereignty to palestinians from the point of view of international law the dispute emotional so far intractable often violent is of global not merely middle eastern concern the essays cover two general topics the political nature of the conflict and the economic issues the collection includes eight respected contributions previously published and five newly written essays the contributors represent a range of political alignments and differing perspectives providing the widest possible scope for understanding the issues and beliefs relating to the conflict includes bibliography and index

The Arab-Israeli Accords: Legal Perspectives 2023-12-11

the increasingly transnational nature of terrorist activities compels the international community to strengthen the legal framework in which counter terrorism activities should occur at every level including that of intergovernmental organizations this unique timely and carefully researched monograph examines one such important yet generally under researched and poorly understood intergovernmental organization the organization of islamic cooperation oic formerly the organization of the islamic conference in particular it analyses in depth its institutional counter terrorism law making practice and the relationship between resultant oic law and comparable un norms in furtherance of un global counter terrorism strategy goals furthermore it explores two common mis assumptions regarding the oic namely whether its internal institutional weaknesses mean that its law making practice is inconsequential at the intergovernmental level and whether its self declared islamic objectives and nature are

irrelevant to its institutional practice or are instead reflected within oic law where significant normative tensions are discerned between oic law and un law the monograph explores not only whether these may be explicable at least in part by the oic s islamic nature and objectives but also whether their corresponding institutional legal orders are conflicting or cooperative in nature and the resultant implications of these findings for international counter terrorism law and policy making this monograph is expected to appeal especially to national and intergovernmental counter terrorism practitioners and policy makers as well as to scholars concerned with the interaction between international and islamic law norms from the foreword by professor ben saul the university of sydney dr samuels book must be commended as an original and insightful contribution to international legal scholarship on the oic islamic law international law and counter terrorism it fills significant gaps in legal knowledge about the vast investment of international and regional effort that has gone into the global counter terrorism enterprise over many decades and which accelerated markedly after 9 11 the scope of the book is ambitious its subject matter is complex and its sources are many and diverse dr samuel has deployed an appropriate theoretical and empirical methodology harnessed an intricate knowledge of the field and brought a balanced judgement to bear to bring these issues to life

California Official Reports 1997-07

the 10th edition of braunwald s heart disease review and assessment by dr leonard s lilly provides an updated clear and concise overview of essential aspects of cardiovascular medicine more than 700 review questions derived from the 10th edition of braunwald s heart disease test your knowledge of all important concepts in cardiology today detailed answers comprise mini reviews of the material and cross references to the main text make it easy to find definitive explanations for questions you may not have answered correctly thus ensuring this medical reference book is the perfect review tool to prepare for subspecialty board exams in cardiovascular medicine assess your mastery of the latest topics in cardiovascular medicine including molecular cardiovascular imaging intravascular ultrasound imaging cardiovascular regeneration and tissue engineering device therapy for advanced heart failure atrial fibrillation management structural heart disease and chagasic heart disease maximize your comprehension with full color images and illustrations throughout easily remedy weak areas in your knowledge by reviewing details for each question plus cross references to the parent text for more in depth explanations enhance your preparation for the boards by reviewing case studies in all sections of the text explore brand new topics that complement the overhauled 10th edition of braunwald s heart disease new questions covering the latest diagnostic and imaging techniques and modalities recent clinical trials and new pharmacologic therapies have been included access key concepts from the latest practice guidelines as well as new material on genetics and personalized medicine take advantage of first hand instruction from renowned medical educator dr leonard s lilly and gain insight from expert brigham and women s hospital faculty and fellows who have contributed their valuable knowledge regarding the most important concepts in cardiovascular medicine for clinical practice and individualized study effectively prepare for board exams with streamlined answers that are set off by color coded tabs making it easier to navigate between questions and answers

Individual Employment Rights Cases 2007

whether your case involves a public or private sector job a downsizing or termination for cause violation of employer policies failure to keep a specific promise adverse action for claiming employee rights or whistle blowing employee dismissal law and practice provides the guidance you need in this rapidly evolving area of employment law providing in depth analysis of the common law and statutory wrongful dismissal doctrines as well as practical guidance on all aspects of employee dismissal litigation from complaints through jury instructions employee dismissal law and practice online is an invaluable resource for evaluating and litigating a wrongful discharge case employee dismissal law and practice brings you up to date on the latest cases statutes and developments including new case law for illinois iowa pennsylvania south dakota washington and west virginia new section on discrimination based on immigration status new reference for state qui tam suits new case law on specific enumeration of disciplinary causes or steps giving rise to inference of employment security new case law on disclaimers new case law on identifying sources of public policy clearly new case law on constitutional provisions satisfying the clarity element of a public policy tort new case law on jeopardy to public policy when statutory remedies exist new case law on jeopardy to public policy when the contract protects employees extensive analysis of the supreme court s epic systems decision and its implications for employee class actions new analysis of notice pleading requirements in employment cases new case law on whistleblower protection of shareholder employees new case law on the scope of public sector whistleblower protections new case law on the availability of non economic damages in statutory whistleblower cases new chapter on settlement negotiations with a computer program to estimate the best alternative to a negotiated agreement or reservation price

an insider s look at the role international law plays in arab israeli negotiations in the middle east

The OIC, the UN, and Counter-Terrorism Law-Making 2014-07-18

beginning in the late 1930s a crisis in colonial gusiland developed over traditional marriage customs couples eloped wives deserted husbands fathers forced daughters into marriage and desperate men abducted women as wives existing historiography focuses on women who either fled their rural homes to escape a new dual patriarchy african men backed by colonial officials or surrendered themselves to this new power girl cases marriage and colonialism in gusiland kenya 1890 1970 takes a new approach to the study of gusii marriage customs and shows

that gusii women stayed in their homes to fight over the nature of marriage gusii women and their lovers remained committed to traditional bridewealth marriage but they raised deeper questions over the relations between men and women during this time of social upheaval thousands of marriage disputes flowed into local african courts by examining court transcripts girl cases sheds light on the dialogue that developed surrounding the nature of marriage should parental rights to arrange a marriage outweigh women s rights to choose their husbands could violence by abductors create a legitimate union men and women debated these and other issues in the courtroom and brett l shadle s analysis of the transcripts provides a valuable addition to african social history
