~~movements and philosophers from eastern and~~
western traditions the cambridge dictionary of
philosophy is a fabulous resource it is inviting
accessible and clear yet nuanced informative and
suitably concise this third edition is even more
comprehensive in its coverage with thousands of
high quality entries by leading contemporary
philosophers the rational investigation of the
truths and principles of being knowledge or
conduct any of the three branches namely natural
philosophy moral philosophy and metaphysical
philosophy that are accepted as composing this
study a particular system of thought based on such
study or investigation this is the leading full
scale comprehensive dictionary of philosophical
terms and thinkers to appear in english in more
than half a century written by a team of more than
550 experts and now widely translated it contains
approximately 5 000 entries ranging from short
definitions to longer articles definitions have
interested philosophers since ancient times plato
s early dialogues portray socrates raising
questions about definitions e g in the euthyphro
what is piety questions that seem at once profound
and elusive this is the leading full scale
comprehensive dictionary of philosophical terms
and thinkers to appear in english in more than
half a century written by a team of more than 550
experts and now widely translated it contains
approximately 5 000 entries ranging from short
definitions to longer articles chapter information
