## Sum & Substance Quick Review, Contracts 1996

reference to or quotation from someone s speech thoughts or writing is a key component of narrative these reports further a narrative make it more interesting natural and vivid ask the reader to engage with it and reflect historical cultural understandings of modes of discourse presentation to a large extent the way we perceive a story depends on the ways it presents discourse and along with it speech writing and thought in this book beatrix busse investigates speech writing and thought presentation in a corpus of 19th century narrative fiction including frankenstein jane eyre wuthering heights oliver twist and many others at the intersection between corpus linguistics and stylistics this book develops a new corpus stylistic approach for systematically analyzing the different narrative strategies of discourse presentation in key pieces of 19th century narrative fiction speech writing and thought presentation in 19th century narrative fiction identifies diachronic patterns as well as unique authorial styles and places them within their cultural historical context it also suggests ways for automatically identifying forms of discourse presentation and shows that the presentation of characters minds reflects an ideological as well as an epistemological concern about what cannot be reported portrayed or narrated through introduction to six sigma and process improvement by james r evans william book

interdisciplinary analysis busse demonstrates that discourse presentation fulfills the function of prospection and encapsulation marks narrative progression and shapes readers expectations
