this book gives students an answer to the question: what does my professor want from this essay? Using a single poem by William Carlos Williams as the basis for the process of writing a paper, it walks students through the processes of reading, brainstorming, researching, secondary sources, gathering evidence, and composing and editing the paper. Writing essays about literature is designed to strengthen argumentation skills and deepen understanding of the relationships between the reader, the author, the text, and critical interpretations. Its lessons about clarity, precision, and the importance of providing evidence will have wide relevance for student writers. The second edition has been updated throughout and provides three new complete sample essays showing varying approaches to the final essay.
