cantankerous souls who rode the waves of history each could see the future they could just make it out sometimes imperfectly but could see it nonetheless they took a business that had begun to mature and decline by the 1930s and found ways to make it fresh and whole again the compelling story of the global car business over the past half century a lively and engaging narrative that recounts some times collaborative sometimes archly antagonistic interactions among the men full of business revelations at the highest level written by a journalist operating at the heart of the industry global appeal that shows how automotive groups in the usa europe and asia have influenced each other a business story interlaced with personal details that explains why the six were determined to be successful about the author for two decades richard johnson has worked for crain communications publisher of the world s leading automotive business publications founding editor of crain s automotive
