Utah, a Guide to the State 2011-08-23 offering the possibility of a new relationship between teachers and learners this book describes an approach to teaching styles and student progress whereby the emphasis is on activity based learning rather than on teaching and on teacher student collaboration rather than instruction the book aims to show how students of any age and ability can take responsibility for their own learning in an environment of positive regard as teachers become facilitators rather than instructors

The preliminary army examination made easy, a guide to self-preparation 1913 as humans we get to choose what we believe and who we want to be this book is a ruthlessly pragmatic guide to creating your own answers to life s biggest questions each of this book s four chapters covers one of the most important questions a person must ask themselves what is the purpose of my life how can i best realize the purpose of my life who do i want to be how do i want other people to think of me rather than give you answers to these questions this guide provides a framework that helps you develop your own answers while equipping you with the neuroscientific tools necessary to transform yourself into whomever you choose to be if you are looking for a light read that will make you feel good about yourself this isn t the book for you if you want to take the time to think hard take full ownership of the person you have allowed yourself to become and permanently transform yourself into the best iteration of that person then you have found your book

Life Stories 1975-01-01 let rebecca mcclanahan guide you through an inspiring

examination of description in its many forms with her thoughtful instruction and engaging exercises you'll learn to develop your senses and powers of observation to uncover the rich evocative words that accurately portray your mind's images. McClanahan includes dozens of descriptive passages written by master poets and authors to illuminate the process she also teaches you how to weave writing together using description as a unifying thread.

A Guide to English History 2016-12-05 a comprehensive field guide to modern manners including social skills, phones, social media, the workplace, dining, weddings, and more. Good manners are the hallmark of a well-rounded person and are a character trait that can benefit one socially and professionally. However, a lot has changed since the first etiquette guides were published almost a century ago. With modern etiquette encompassing so much more than simply being able to identify between a chowder and consommé, Spoon to Step in and Guide Readers is Nancy R. Mitchell, who for more than thirty-five years has been an etiquette consultant and trainer for numerous institutions and corporations, from revealing the secrets behind successful networking and job interviews to decoding proper dining habits to wedding decorum. Etiquette Rules succinctly gives readers everything they need to successfully maneuver with manners in today's world. Praise for Etiquette Rules: an excellent general primer for a young woman entering the workplace. The New York Times: In a world where reading news headlines would have you believe it has gone to hell in a hand basket, it is nice to see someone making the effort to uphold some common civility and manners, which, though they might be updated now for same-sex weddings, work cubicles, or food trucks, are never out of style. dearauthor.com
