□ with this study on moltmann s pneumoatology the author recently obtained the doctor s degree from the faculty of theology of the free university in amsterdam  
first of all the book provides us with a thorough evaluation of the role the holy spirit plays in the theology of jürgen moltmann in its subsequent phases the author s conclusion is that despite all differences there is one consttant factor the spirit is always connected with freedom the holy spirit according to moltmann is a liberating power because the author is eager to place moltmann s pneumatology repeatedly in the context of his theology as a whole and of its developments this book offers and that is a second quality an outstanding insight in the whole of moltmann s theology and its development throughout the years many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork this richly written book will enhance your knowledge of the holy spirit and inspire you to allow him to work more and more in your daily life as mcguiggan approaches the subject with warmth scholarship and stories of human beings touched by the eternal spirit of god wouldn t it be wonderful if we developed a reverent but joyful intimacy with the person who has existed in eternal holy and loving communion with the father and the son so asks jim mcguiggan as he invites you to allow the spirit to take up

residence in your heart and transform your life discussions on the holy spirit range from the sensational to the sterile but mcguiggan approaches this vast and somewhat mysterious subject with warmth scholarship and stories of human beings touched by the eternal spirit of god once you start reading mcguiggan you ll want to find a quiet spot and stay awhile third in a trilogy by jim mcguiggan this richly written book will enhance your knowledge of the holy spirit and inspire you to allow him to work more and more in your daily life mcguiggan s short poignant chapters will lead you to a deeper understanding of life lived in the spirit william law is best remembered today for his serious call to a devout and holy life to those interested in his spirituality however other works have greater impact his great synthesis of the mystical outpourings of jacob boehme and more orthodox christian theology providing an english spiritual classic despite holding no official position he was widely regarded in his own time and later as a spiritual guide and his trilogy the spirit of prayer the spirit of love and the way to divine knowledge was the mature expression of his theology and religion the spirit of the range this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this
